Note: The killing, poisoning, lopping, ringbarking, burning or otherwise destroying of trees or other vegetation will only be approved in exceptional circumstances.

Estimated cost of development

Owner/s Details

All the registered owners of the above property should be listed here. These should be the owners as shown on the Council record. If the property has recently changed hands, Council may require a copy of the Title Deed or a letter from the conveyancer to confirm that ownership has changed.

Name/s
Address

I/we own the subject land and consent to Council Officers entering the premises for the purpose of carrying out inspections in conjunction with this application, without first giving written notice.

Signatures of all owners

If the owner is a Company or Owners Corporation, its Common Seal must be stamped in the box provided otherwise the Managing Director must sign and clearly indicate the ACN.

Common Seal	Managing Director Name	<input type="text"/>
	Signature	<input type="text"/>
	ACN	<input type="text"/>

Tree/Vegetation species and height

Plant Number on Plan	Species	Height
1		
2		
3		
4		
5		
6		

Note: Trees/vegetation subject to removal or other works are to be numbered on your plan (see over). The information provided in this section is to be referenced to the applicable tree/vegetation number on the plan. If this space is insufficient, please provide details on a separate sheet.

Reason for removal/other works

Replacement tree/vegetation species

Number of replacement Plants	Species	Mature Height
1		
2		
3		
4		
5		
6		

Note: Replacement trees are to be planted at the following ratios:

- 1:1 for lots less than 1,000m²
- 1:3 for lots greater than 1,000m²

Supporting Information

The following information is provided with this application:

- 'Biodiversity Offset Scheme Entry Tool'
 Arborist's Report
 Structural Engineer's Report Report and Map *
 Flora and Fauna Report
 Photo/s of Tree/s
 Medical Evidence

* Note: A 'Biodiversity Offset Scheme Entry Tool' Report and Map is to be submitted with all applications. The Report and Map can be obtained online at <http://www.environment.nsw.gov.au/biodiversity/entryrequirements.htm>

Location Map Site Plan:

Please give a basic plan of the site and provide sufficient details to identify trees/vegetation. Each tree is to be numbered on the plan. In addition, trees/vegetation should be identified onsite with ribbon or similar so as to be easily located.

A large, empty rectangular box with a black border, intended for the user to draw a site plan and identify trees and vegetation.

Privacy Notice

Council is bound by the provisions of the Privacy and Personal Information Protection Act 1998, in the collection, storage and utilisation of personal information provided in this form. Accordingly, the personal information will only be utilised for the purposes for which it has been obtained and may be available for public access and/or disclosure under various NSW Government legislation.
