Land Categories

date of meeting: 15 February 2011
location: council chambers
time: 6:30 p.m.

Recommended Park/Reserve Categories – All Parks

This list is compiled from the recommendations provided to Council from the consultants engaged to undertake the public hearings. The categories as suggested at the community meetings and those categories that Council staff believe are relevant.

New Park No.	Old Park No.	Park Name / Address	Consultants Suggested Category	Community Recommended Category	Council Staff Recommended Category	Justification of Staff Recommendations	Land Owner
28	1	50 Bowen Mountain Road	Park	Park	Park		Council
27	2	Devils Hole Creek 30 Lieutenant Bowen Road	Natural Area - Bushland Natural Area - Escarpment	Natural Area - Bushland Natural Area - Escarpment	Natural Area - Bushland Natural Area - Escarpment Natural Area Watercourse	The category of Watercourse is required as per the Local Government Regulation as there are drainage lines within the reserve	Crown DECC
23	3	Robertson Reserve – 16 Grandview Lane, Bowen Mountain	Natural Area - Bushland Natural Area - Escarpment Natural Area - Watercourse	Natural Area - Bushland Natural Area - Escarpment Natural Area - Watercourse	Natural Area - Bushland Natural Area - Escarpment Natural Area - Watercourse		
24	4	Unnamed – 208 Lieutenant Bowen Drive, Bowen Mountain, opposite Waratah Street	Natural Area - Bushland	Natural Area - Bushland	Natural Area - Bushland		
25	5	Unnamed – 386 Lieutenant Bowen Drive, Bowen Mountain	Natural Area - Bushland	Natural Area - Bushland General Community Use	Natural Area - Bushland General Community Use		
26	6	Unnamed – 387 Lieutenant Bowen Drive, Bowen Mountain	Natural Area - Bushland	Natural Area - Bushland General Community Use	Natural Area - Bushland General Community Use	Due to existing uses, General Community Use is appropriate as Bushland has been heavily disturbed. The map presented by the consultants to the community contained the GCU category.	
21	7	Unnamed – 1A Lieutenant Bowen Road, Bowen Mountain	Natural Area - Bushland Cultural Significance	Natural Area - Bushland Cultural Significance	Natural Area - Bushland Cultural Significance	Some evidence that part of the route through this parcel was first developed by Matthew Everingham in 1795?, Carving on rock face (dated 1809) along fire trail, possibly made by	

New Park No.	Old Park No.	Park Name / Address	Consultants Suggested Category	Community Recommended Category	Council Staff Recommended Category	Justification of Staff Recommendations	Land Owner
						Archibald Bell, surveyor	
22	8	Bowen Mountain Park – 103 Lieutenant Bowen Road, 35 Pamela Crescent, Bowen Mountain	General Community Use Park Cultural Significance	General Community Use Park Cultural Significance	General Community Use Park	The category of Cultural Significance is not relevant - some thought that the old Bunya Tree (since removed) was of significance but this tree no longer exists due to bad health	
29	9	Unnamed – Lieutenant Bowen Drive	Natural Area - Bushland Natural Area - Escarpment Natural Area - Watercourse	Natural Area - Bushland Natural Area - Escarpment Natural Area - Watercourse	Natural Area - Bushland Natural Area - Escarpment Natural Area - Watercourse		
95	12	30 Bellbird Avenue	Natural Area - Bushland Natural Area - Escarpment Natural Area - Watercourse	Natural Area - Bushland Natural Area - Watercourse	Natural Area - Bushland Natural Area - Watercourse	The definition of escarpment as per the Local Government Regulation does not apply to this land parcel	Council
89	13	Bellbird Hill Reserve 1142 Bells Line of Road	Natural Area - Bushland Natural Area - Escarpment Natural Area - Watercourse Park General Community Use	Natural Area - Bushland Park	Natural Area - Bushland Natural Area - Watercourse Park	The definition of escarpment as per the Local Government Regulation does not apply to this land parcel General Community Use is not relevant to this parcel, all uses within suggested GCU area are applicable to the Park category. The category of Watercourse is required as per the Local Government Regulation as there are drainage lines within the reserve	Council
90	15	Kurrajong Heights Park 1449-1463 Bells Line of Road	Natural Area - Bushland Natural Area - Escarpment Natural Area - Watercourse Cultural Significance	Natural Area - Bushland Natural Area - Watercourse Cultural Significance	Natural Area - Bushland Natural Area - Watercourse Cultural Significance	The area referred to as Escarpment is Cut Rock and is part of the Road Reserve, not part of the park land parcel. The area of cultural significance – the old zig zag road from Warks Hill Road to Bells Line of Road is not part of the park land parcel even though it passes through the Crown land portion of the park.	Council and Crown

New Park No.	Old Park No.	Park Name / Address	Consultants Suggested Category	Community Recommended Category	Council Staff Recommended Category	Justification of Staff Recommendations	Land Owner
4	16	Powell Park 1937 Bells Line of Road	Natural Area - Bushland	Natural Area - Bushland	Natural Area - Bushland		Crown
5	17	Bilpin Oval 2526 Bells Line of Road	Natural Area - Bushland Natural Area - Watercourse Park Sportsground	Natural Area - Bushland Park Sportsground	Natural Area - Bushland Natural Area - Watercourse Park Sportsground	The category of Watercourse is required as per the Local Government Regulation as there are drainage lines within the reserve	DECC
6	19	Bilpin Park 2662,2684 Bells Line of Road	Natural Area - Bushland Natural Area - Watercourse	Natural Area - Bushland	Natural Area - Bushland Natural Area - Watercourse	The category of Watercourse is required as per the Local Government Regulation as there are drainage lines within the reserve	Crown
93	20	2 Bennet Lane	Park	Park	Park		Council
92	21	1A Don Street	Natural Area - Bushland Natural Area - Watercourse	Natural Area - Bushland Natural Area - Watercourse	Natural Area - Bushland Natural Area - Watercourse		Council
120	22	Unnamed - 1027 Mountain Lagoon Road	Natural Area - Bushland	Natural Area - Bushland	Natural Area - Bushland		Crown
96	23	4 Pindale Place	Park	Park	Park		Council
91	25	16 Shane Place	Park	Park	Park		Council
94	26	Powell Park 1163 Bells Line of Road	General Community Use Natural Area - Bushland Park Sportsground Cultural Significance	General Community Use Natural Area - Bushland Park Sportsground Cultural Significance	General Community Use Natural Area - Bushland Park Sportsground	The category of Cultural Significance (warranting a site specific Plan of Management) is not believed to be appropriate in this instance. The item regarded as being of cultural significance by the consultant and the community is a monument dedicated to the memory of Louisa Atkinson, Botanist of the Kurrajong (believed to have since been relocated)	Crown
97	32	Diamond Hill Reserve 137 Diamond Hill Drive	Natural Area - Bushland Natural Area - Watercourse General Community Use	Natural Area - Bushland Natural Area - Watercourse General community Use	Natural Area - Bushland Natural Area - Watercourse General community Use		Council
79	33	14 Jacqueline Place	Natural Area - Watercourse	Natural Area - Bushland	General Community Use	Difficult site to manage.	Council

New Park No.	Old Park No.	Park Name / Address	Consultants Suggested Category	Community Recommended Category	Council Staff Recommended Category	Justification of Staff Recommendations	Land Owner
			Park	Park		Meeting suggested to categorise the gully as bush as it can't be mown. Staff don't believe it is appropriate to call the vegetation bushland – it's not diverse enough, not large enough, and not contiguous with other bushland. The other area isn't suitable as park as there is not access to mow it or for public to use it.	
80	34	15A Jacqueline Place	Natural Area - Bushland Park	Natural Area - Bushland Park	Natural Area - Bushland Park		Council
84	35	McMahon Park 30 McMahons Park Road	Natural Area - Bushland Natural Area – Watercourse Park Sportsground Cultural Significance	Natural Area - Bushland Natural Area - Watercourse Park Sportsground Cultural Significance	Natural Area - Bushland Natural Area - Watercourse Park Sportsground Cultural Significance?	The cultural Significance referred to relates to Aboriginal Axe Grinding Grooves located in the Creek. The creek is not part of the Park land parcel.	?
83	36	28 McIntosh Lane Merindah Way 115A Overton Road	Natural Area - Bushland Natural Area - Watercourse Cultural Significance	Natural Area - Bushland Natural Area - Watercourse Cultural Significance	Natural Area - Bushland Natural Area - Watercourse	The items referred to as being of cultural significance occur in the creek and on the opposite side of the creek, not within this land parcel.	Council?
82	37	McMahon's Park 154 Mill Road	Natural Area - Bushland Natural Area - Foreshore Natural Area - Watercourse General Community Use Cultural Significance	Natural Area - Bushland Natural Area - Watercourse General Community Use Cultural Significance	Natural Area - Bushland Natural Area - Watercourse General Community Use Cultural Significance	The category Watercourse is more appropriate than Foreshore as per the definitions in the Local Government Regulation Cultural Significance – Mill Race, Mill Stone and associated foundations of dwellings	Crown
85	38	Matheson Park 6 Mill Road	Natural Area - Bushland Natural Area - Watercourse Park Cultural Significance General Community Use	Natural Area - Bushland Natural Area - Watercourse Park Cultural Significance General Community Use	Natural Area - Bushland Natural Area - Watercourse Park Cultural Significance General Community Use	Cultural Significance refers to the site being old police station and convict camp at time of construction of Bells Line of Road, and the road down to Singleton Mills	Crown

New Park No.	Old Park No.	Park Name / Address	Consultants Suggested Category	Community Recommended Category	Council Staff Recommended Category	Justification of Staff Recommendations	Land Owner
87	39	Memorial Park Bells Line of Road	Park Cultural Significance	Park General Community Use	Park General Community Use	The items referred to as being of cultural significance are the old Mill Stones. These are not original to the site and do not warrant a site specific Plan of Management for the park as would be required under the Local Government Act. They are located on Road Reserve that is managed as part of the park	Council and Crown
86	40	6 Timms Hill Road	Natural Area - Bushland Park	Natural Area - Bushland Park	General Community Use	General community use is believed to be the most appropriate category. The site is steep and difficult to mow or use as a Park. The bushland is poor and does not seem part of any wildlife corridor. It seems to have limited biodiversity value – no Eucalypt canopy and limited range of species diversity.	Council
131	46	North Richmond Park 7 Beaumont Avenue	Sportsground	Sportsground	Sportsground		?
126	47	Hawkesbury Park 3 Bells Line of Road	Natural Area - Bushland Natural Area - Foreshore Natural Area - Watercourse Park	Natural Area - Bushland Natural Area - Foreshore Natural Area - Watercourse Park	Natural Area - Bushland Natural Area - Watercourse Park	The category Watercourse is more appropriate than Foreshore as per the definitions in the Local Government Regulation	?
127	48	Hanna Park – 2 Bells Line of Road, North Richmond	Natural Area - Foreshore Natural Area - Watercourse Park Cultural Significance	Natural Area - Foreshore Natural Area - Watercourse Park Cultural Significance	Natural Area - Watercourse Park	The category Watercourse is more appropriate than Foreshore as per the definitions in the Local Government Regulation Cultural Interest - old bridge crossing – some foundations remain	Private, 99 year lease
123	50	Unnamed – 21-23 Campbell Street or Bradley Road, North Richmond	General Community Use Park	General Community Use Park	General Community Use Park		

New Park No.	Old Park No.	Park Name / Address	Consultants Suggested Category	Community Recommended Category	Council Staff Recommended Category	Justification of Staff Recommendations	Land Owner
132	52	Unnamed – 69,70 Elizabeth Street or 72 William Street, North Richmond	Natural Area - Bushland Natural Area - Watercourse Cultural Significance	Natural Area - Bushland Natural Area - Watercourse Cultural Significance	Natural Area - Bushland Natural Area - Watercourse Cultural Significance?	Aboriginal Cultural significance	Council
128	53	Unnamed – 40 Enfield Avenue, North Richmond	Park	Park	Park		
64	54	Navua Reserve - 271 Grose River Road, Grose Wold	Natural Area - Bushland Natural Area - Watercourse Park	Natural Area - Bushland Natural Area - Watercourse Park	Natural Area - Bushland Natural Area - Watercourse Park		Council
133	55	Ignatius Park – 7A Ignatius Avenue, North Richmond	Park	Park	Park		
135	56	Morunga Park – 90 Keda Circuit, North Richmond	Park	Park	Park		
129	57	Unnamed – 20 Monti Place or 46A Pecks Road, North Richmond	Park	Park	Park		
137	58	Peel Park	Natural Area - Bushland Natural Area - Watercourse Park Sportsground	Natural Area - Bushland Natural Area - Watercourse Park Sportsground	Natural Area - Bushland Natural Area - Watercourse Park Sportsground		
136	59	Unnamed – 91 Pecks Road, North Richmond	Natural Area - Watercourse Park	Natural Area - Watercourse Park	Natural Area - Watercourse General Community Use	General Community Use is considered the best category for this area – subject to electricity easement and there is an unmown area around drainage line	
124	60	Unnamed – 21A Susella Crescent, North Richmond	Natural Area - Bushland Natural Area - Watercourse Park	Natural Area - Bushland Natural Area - Watercourse Park	Natural Area - Bushland Natural Area - Watercourse Park		
130	61	Terrace Park – 252, 378, 548 Terrace Road, North Richmond	Natural Area - Bushland Natural Area - Escarpment Natural Area - Watercourse	Natural Area - Bushland Natural Area - Escarpment	Natural Area - Bushland Natural Area - Escarpment Natural Area - Watercourse Cultural Significance	Part of this reserve, opposite Wire Lane, is believed to be the original site where Streeton Painted (retain cultural landscape). Streeton lookout, east of this site is the location chosen to commemorate	

New Park No.	Old Park No.	Park Name / Address	Consultants Suggested Category	Community Recommended Category	Council Staff Recommended Category	Justification of Staff Recommendations	Land Owner
						Streeton as there is better public access and facilities.	
134	62	Unnamed – 8 William Street, North Richmond	Park	Park	Park		
63	65	Kurrajong Crown Reserve – 703 Grose Vale Road, Grose Vale	Natural Area - Bushland	Natural Area - Bushland	Natural Area -Bushland		
156	69	The Driftway, South Windsor	Natural Area - Bushland Natural Area - Watercourse	Natural Area - Bushland Natural Area - Watercourse	Natural Area - Bushland Natural Area – Watercourse		
151	70	Bensons Lane Sporting Complex – 23 Bensons Lane, Richmond	Sportsground	Sportsground	Sportsground		
147	71	Pound Paddock – 46 Bourke Street, Richmond	Park	Park Sportsground Cultural Significance	Sportsground	Managed by Sports Council. Contains cricket nets and used for cricket in times of flood. Not managed as a Park. Cultural significance refers to the park once being an impounding paddock. Not significant enough to warrant a site specific POM.	
146	72	Andrew Town Park – 2a William Cox Drive, Richmond	Park Cultural Significance	Park Cultural Significance	Park	Adjoins Hobartville Stud – the description in the consultant’s report refers to park 96, not this parcel, as this was not the entrance to the Stud.	
76	73	Homestead Park – 53a Castlereagh Road, 29a & 22 Valder Avenue, Hobartville	Park	Park	Park		
77	74	Unnamed – 6a Clarke Avenue, Hobartville	Park	Park	Park		
150	75	Lions Park – 7-11 Dight Street, Richmond	Park	Park	Park		
148	76	Icley Park – Dight Street cnr Clarendon Street, Richmond	Sportsground	Sportsground	Sportsground		
143	77	Smith Park – 410	Natural Area – Foreshore	Natural Area – Foreshore		The specific Plan of
