How Council Operates

Hawkesbury City Council supports and encourages the involvement and participation of local residents in issues that affect the City.

The 12 Councillors who represent Hawkesbury City Council are elected at Local Government elections, held every four years. Voting at these elections is compulsory for residents who are aged 18 years and over and who reside permanently in the City.

Ordinary Meetings of Council are generally held on the second Tuesday of each month (except January), and the last Tuesday of each month (except December), meeting dates are listed on Council's website. The meetings start at 6.30pm and are scheduled to conclude by 11:00pm. These meetings are open to the public.

When an Extraordinary Meeting of Council is held, it will usually also be held on a Tuesday and start at 6.30pm. These meetings are also open to the public.

Meeting Procedure

The Mayor is Chairperson of the meeting.

The business paper contains the agenda and information on the items to be dealt with at the meeting. Matters before the Council will be dealt with by an exception process. This involves Councillors advising the General Manager by 3:00pm on the day of the meeting, of those items they wish to discuss. A list of items for discussion will be displayed at the meeting for the public to view.

At the appropriate stage of the meeting, the Chairperson will move for all those items which have not been listed for discussion (or have registered speakers from the public) to be adopted on block. The meeting then will proceed to deal with each item listed for discussion and decision.

Public Participation

Members of the public can request to speak about an item raised in the business paper at the Council meeting. You must register to speak at a Council meeting. To register you must lodge an application form with Council prior to 3:00pm on the day of the meeting. The application form is available on the Council's website, from the Customer Service Unit and by contacting the Manager - Corporate Services and Governance on (02) 4560 4426 or by email at council@hawkesbury.nsw.gov.au.

The Mayor will invite registered persons to address the Council when the item is being considered. Speakers have a maximum of five minutes to present their views. The Code of Meeting Practice allows for three speakers on the Proponent side (i.e. in support) and three for the Respondent side (i.e. in objection). If there are a large number of speakers for one item, speakers will be asked to organise for three representatives to address the Council for either the Proponent or Respondent side (six speakers in total).

Voting

The motion for each item listed for discussion will be displayed for Councillors and public viewing, if it is different to the recommendation in the Business Paper. The Chair will then ask the Councillors to vote, generally by a show of hands or voices. Depending on the vote, a motion will be Carried (passed) or Lost.

Planning Decision

Under Section 375A of the Local Government Act 1993, voting for all Planning decisions must be recorded individually. Hence, the Chairperson will ask Councillors to vote with their electronic controls on planning items and the result will be displayed on a board located above the Minute Clerk. This will enable the names of those Councillors voting For or Against the motion to be recorded in the minutes of the meeting and subsequently included in the required register. This electronic voting system was an innovation in Australian Local Government pioneered by Hawkesbury City Council.

Business Papers

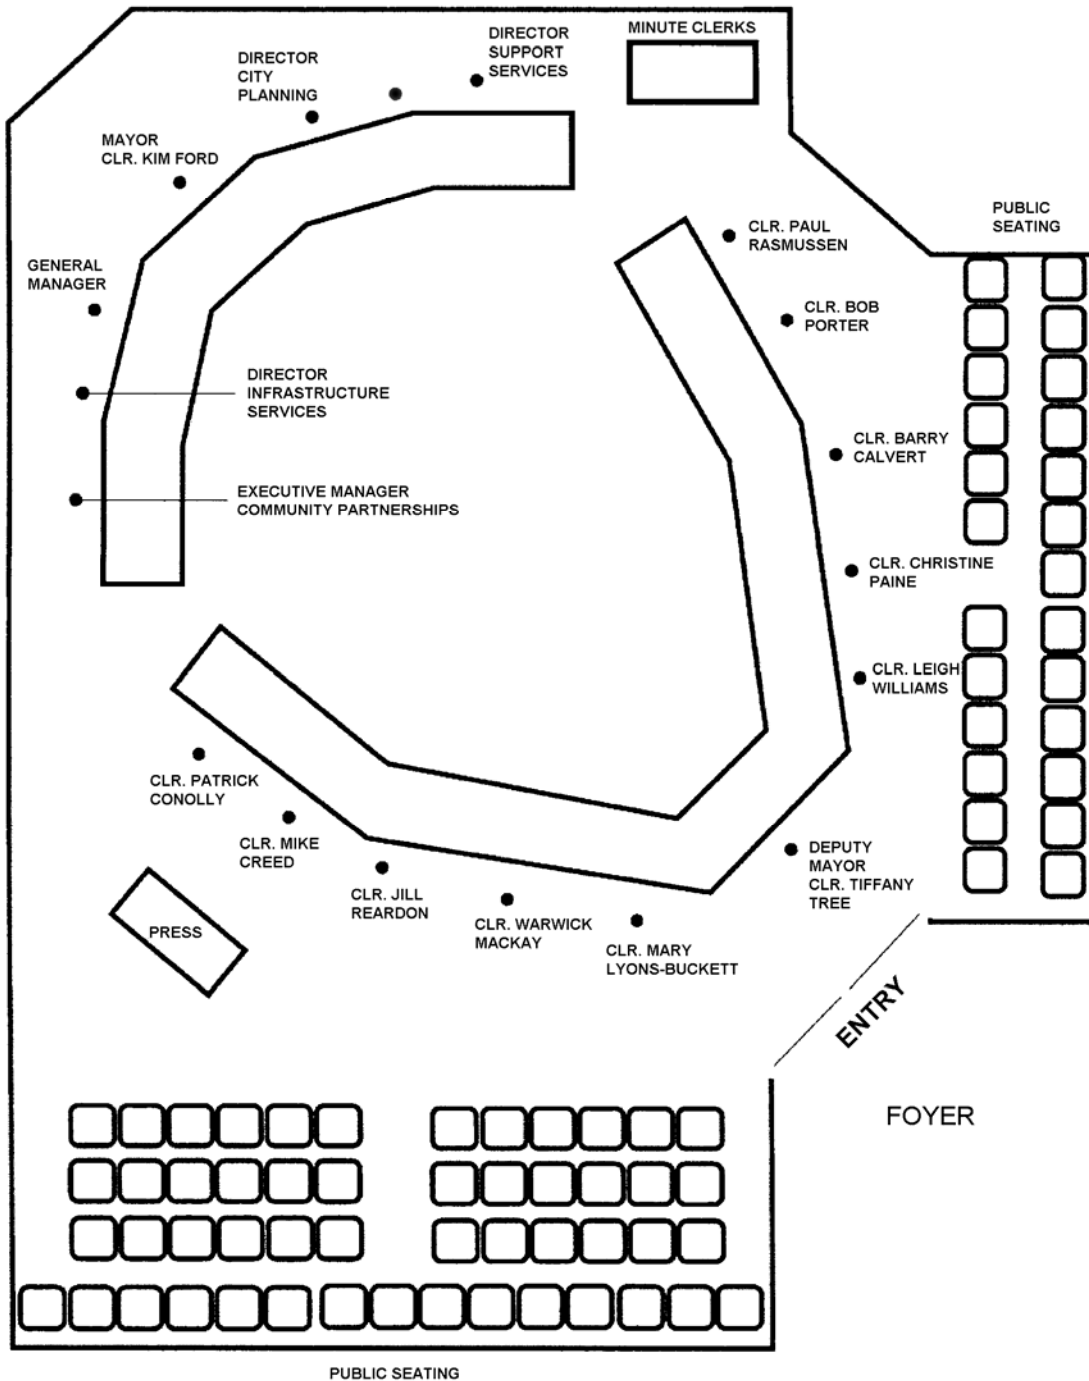

Business papers can be viewed online from noon on the Friday before the meeting on Council's website: <http://www.hawkesbury.nsw.gov.au>

Hard copies of the business paper can be viewed at Council's Administration Building and Libraries after 12 noon on the Friday before the meeting, and electronic copies are available on CD to the public after 12 noon from Council's Customer Service Unit. The business paper can also be viewed on the public computers in the foyer of Council's Administration Building.

Further Information

A guide to Council Meetings is available on the Council's website. If you require further information about meetings of Council, please contact the Manager, Corporate Services and Governance on, telephone (02) 4560 4426.
