

Hawkesbury City Waste Management Facility

Public Pollution Incident Response Management Plan

This Pollution Incident Response Management Plan has been developed and made publicly available in accordance with Part 3A Clause 98D(2) & 98D(3) of the Protection of the Environment Operations (General) Amendment (Pollution Incident Response Management Plans) Regulation 2012 for the Hawkesbury City Waste Management Facility – Environmental Protection Licence 5293.

All public enquires and reporting should be directed to Hawkesbury City Council on (02) 4560 4444.

If an emergency or incident is determined to have caused or threatened material harm to the environment Hawkesbury City Council will immediately contact each authority below.

Contact Agency	Contact Department	Phone Number
Emergency Services (if dealing with an emergency)	Police Fire Ambulance	000
EPA	Environment Line	13 15 55
Ministry of Health	Public Health Unit – Penrith Office	P: (02) 9845 5555 (Westmead Hospital) - ask for Public Health Officer on call
WorkCover		13 10 50
Fire and Rescue NSW (to be notified of an incident that is not an emergency)		000

In the event of a notifiable incident occurring neighbouring properties that may be affected will be door knocked or phoned to inform them of the situation. The nature and direction of the incident will determine the most appropriate properties to be notified.

If deemed appropriate to the circumstances the following additional mechanisms for notifying the community may be adopted:

- Hawkesbury City Council website
- Local media
