

# Hawkesbury Companion Animal Shelter

## What to do if I want to buy a dog or cat from the website

Council recommends that you attend the Shelter in person to meet the animal, to ensure it is the best suited animal to your needs.

If you have another dog at home, we recommend that you bring your dog into the Shelter, so we can introduce it to the dog you wish to buy before you make a definite decision.

Some of our animals are available for immediate sale and can be purchased when you come into the Shelter. Others have to complete their legally required impounding time before they can be purchased.

If you are interested in an animal that has to remain at the Shelter, we will take your details and place them on a waiting list for that particular animal.

If the owner does not claim the animal, it becomes available for sale after it has completed the impounding time.

Council's waiting list system works on a "first in first served" basis, so the person that is first on the waiting list, has first opportunity to buy the animal.

Please contact the Shelter using any of the below details to have your name placed on the waiting list.

**Council has set prices for animals, which are non negotiable**

The prices are:

**Purchase of dog** \$360  
Pensioner \$328.30

**Purchase of cat** \$254.10  
Pensioner \$222.40

**Inclusions** This includes micro-chipping, lifetime registration, vaccination and desexing
