## Love Your Hawkesbury Parklands

The Hawkesbury is a hidden gem at Sydney's doorstep. It has scenic rural vistas, historic towns, magnificent rivers and more national parks than any other part of Sydney.

We're lucky to have some beautiful and quiet parks and reserves for our residents and visitors to enjoy. Lots of opportunities to get active, relax, take pictures or just sit back and watch the wildlife. Many of our larger parks have barbecue and picnic facilities, making them perfect for gatherings with family and friends. For the kids we've got playgrounds, easy bike tracks and awesome fishing spots to explore.

Did you know  
many of our parks  
are historically  
significant?
