What is Fantastic Fiction?

Fantastic Fiction is a comprehensive book lover's website that contains information on a wide range of books written by over 50,000 different authors.

Search by author to find a complete list of titles in publication order and never again lose track of where a book fits in a series.

'Follow' your favourite authors to read their personal book recommendations and to keep track of their latest and soon-to-be-released books and collaborations.

What can I use it for?

Fantastic Fiction can be used for keeping up to date with the newest releases from your favourite authors, confirming the order of books in a series, finding authors similar to ones you already like and discovering new titles.

You can also use it to browse themed lists, such as Australian authors or paranormal romance books.
