MARK DOBER | WOLLEMI

10 FEBRUARY – 6 APRIL

EXHIBITION AT HAWKESBURY REGIONAL GALLERY

For his solo exhibition Wollemi, Mark Dober presents work developed whilst undertaking a residency at BIGCI (Bilpin International Ground for Creative Initiatives) an artistic residency located in the Hawkesbury. Dober's large scale multi-sheet drawings convey a sense of immersion; of being within and enveloped by the environment.

EMA SHIN | HEARTS OF ABSENT WOMEN

10 FEBRUARY – 6 APRIL

EXHIBITION AT HAWKESBURY REGIONAL GALLERY

Artist Ema Shin is from a Korean family who immigrated to Japan in the 1930s. Born and raised in Japan, she moved to Australia in 2010. As part of a Korean tradition, Shin's male family members keep a book illustrating their family tree. Shin's family tree spans 32 generations, yet only the lineage of sons is featured. All daughters are absent.

Hearts of Absent Women celebrates the women who are not recognised in Shin's family tree. Her work is influenced by anatomy and botanical forms. She sees these as symbols of life and emotion. Shin highlights the cultural diversity of women living in Australia, drawing attention to their experiences with family and social expectations. She celebrates their resilience and achievements. The exhibition includes handwoven tapestry, printmaking, installations, soft embroidered sculptures, and digital prints. The works in this exhibition have been made over the course of twelve years, which is how long Shin has lived in Australia.

SIGNATURES | UNTETHERED FIBRE ARTISTS INC.

10 FEBRUARY – 6 APRIL

EXHIBITION AT HAWKESBURY REGIONAL GALLERY

Signatures investigates the making of a mark – the distinctive pattern, notion or characteristic by which someone or something may be identified. Each artwork rephrases assumptions and reflects the diversity in approach to artmaking, through the vocabulary of fibre. The exhibition concepts and materiality are explored through installation, wearables and sculpture, enabling critical reflections and thoughtful projections from the artists.

INNER WORLDS | NASTARAN GHADIRI, JODY GRAHAM & NAZANIN MARASHIAN

14 APRIL – 4 JUNE

EXHIBITION AT HAWKESBURY REGIONAL GALLERY

Inner Worlds is an exhibition that speaks about inspired action, awakening, grief, healing and empowerment. Artists Jody Graham (Australia), Nazanin Marashian (Iran) and Nastaran Ghadir (Iran) create work that draws audiences into immersive spaces of contemplation and connection to their 'inner worlds' through their personal daily ritual and contemplation. The works are meditations on the cycles of life and the expansion of self-identity through various rites of passage and materiality. A core creative principle of each work is a deep reverence for the feminine principle and the intersection between art and life.

ESCAPE ARTISTS | CAITLIN HEPWORTH & MARIAN SHAPIRO

14 APRIL – 4 JUNE

EXHIBITION AT HAWKESBURY REGIONAL GALLERY

Escape Artists is a creative collaboration between contemporary mosaic artists Caitlin Hepworth and Marian Shapiro. They tell personal stories with universal relevance themed on escape and displacement, as well as extending the boundaries of and accessibility to mosaic art; an ancient artform with diverse contemporary application. Using the medium of contemporary mosaic they explore timeless themes by referencing physical and psychological states, covering distance and time from both personal and universal perspectives.

Through photographs, video footage and souvenirs, this exhibition explores the history of this family fun park.

EXHIBITION: UNCOVERED

ON DISPLAY NOW

Archaeological excavations near Thompson Square between 2016–2020 revealed Aboriginal tools for hunting and fishing, maritime objects, as well as everyday items from colonial life. These artefacts divulge more than 27,000 years of human history. Also included in this exhibition are intricate sections of the brick drainage system dating to 1814–1816 and a digital recreation of some of the earliest remains of a colonial carved timber vessel. Come and discover these stories and more in UNCOVERED.
