1. TITLE

Media Policy.

2. PURPOSE

We, the Councillors, staff, and other officials of Hawkesbury City Council are committed to upholding and promoting the following principles of engagement:

Openness

We will ensure that we promote an open exchange of information between our Council, the media and the community.

Consistency

We will ensure consistency by all Councillors and staff when communicating with the media and the community.

Accuracy

The information we share with the media and the community will be a source of truth for our Council and community and we will prioritise the need to correct inaccuracies if they occur.

Timeliness

We will ensure that we respond to media and community enquiries in a timely manner.

Council is committed to open and clear communication with the local community. Similarly, Council is committed to actively engaging with the media to maximise reach and facilitate the efficient dissemination of relevant, accurate and timely information in accordance with Council's Hawkesbury Community Strategic Plan 2022-2042.

The overall purpose of this Media Policy is to provide a framework for Council's communication with the media in order to keep the Hawkesbury community informed of its activities and to ensure that Council is transparent and well connected with its community.

3. SCOPE

The Policy establishes Council's approach to responding to and initiating media contact. It applies to both Council's representatives/spokespersons as well as Councillors, Council staff, Council Committee members, volunteers, contractors and delegates of Council.

For the purpose of this Policy, media comprises all print, broadcast and online media as well as the management of media enquires coming into Council, public speaking engagements, social media posts and other forms of communication where it could be expected that the comments might be recorded or circulated to the wider community.

4. BACKGROUND

As the media landscape rapidly evolves and fragments, it is important to have a robust policy for managing the clear dissemination of information to the community to position Council as the source of truth in the Hawkesbury Local Government Area.

Council is less able to rely on traditional media and platforms to inform the community reliably and accurately regarding Council's priorities, programs and activities. This Policy seeks to strike an important balance between print, digital and broadcast media management and Council's print and digital self-publishing activities.

5. POLICY DETAILS

- 5.1 To maintain relations and ensure all communication with the media and wider community is coordinated, consistent, well informed, timely and appropriate.
- 5.2 To clearly identify Council's authorised representative/spokesperson and ensure appropriate authorisation and responsibility for comments supplied.
- 5.3 To identify media opportunities, to inform the community, to promote and celebrate the achievements of Council and the local community and provide a platform for community engagement.
- 5.4 To mitigate risk and limit the possibility of miscommunication and the distribution of inaccurate information, or any other impacts on Council's reputation.
- 5.5 To provide a framework regarding the management of engagement with the community and interest groups on social media, both proactive and reactive, and provide guidance around dealing with posts that are defamatory, derogatory, bullying, vulgar, abusive and/or misleading, and those who post them.
- 5.6 The management of publishing engagement on Council-owned digital platforms such as the Corporate Website and YourHawkesbury-YourSay.

8.57 Councillors may use more personal, informal language when engaging on their social media platforms.

directions on how to use Council's visual identity.

The logo is the most important part of Council's visual identity. The Council logo may only be used in Council's official media releases, digital media posts, advertising, promotion and letterheads. The Council logo may not be used by staff, Councillors, volunteers, contractors or other related entities for promotion, media or otherwise unless written permission is granted by the General Manager or the Corporate Communications and Events Manager.
