What is Goodreads?

Goodreads is a treasure trove of information for book lovers. It allows you to freely search its catalogue, descriptions and reviews to find their your favourite read.

Goodreads is a great way to connect with friends, family and fellow readers. Create an account post reviews, share what you're currently reading and recommend titles.

Set up a private group to create your own book club and start a discussion or take a poll or survey. Get recommendations, compete for giveaways and explore new releases with this interactive and engaging site.

What can I use it for?

Use Goodreads to connect with other readers and to discover new books and authors. Post reviews of books you've read or get personalized recommendations. Vote for your favourite authors in the annual Goodreads Choice Awards or hear what they have to say during live author Q&As.

To get started, go to the following web address, click on 'Goodreads' and create an account free access:

https://www.hawkesbury.nsw.gov.au/library/elibrary/information-and-reference-online

Special features

- 'Shelves' let you keep track of books you want to read and books you've finished
- Challenge yourself to read 50 books in a year
- Create and participate in trivia session and book quizzes
- Receive alerts when your favourite authors release a new book
