indian myna bird trapping program

terms of agreement for trap use

Name of Organisation: (if applicable)

Name:

Address:

Postcode

Phone number:

Trap Name & No:

Date of Issue:

Envisaged Date of Return:

Date Returned:

Please note:

- Return date may be renegotiated if trapping is successful
- Please ensure trap is clean & in good order on return

Operation of Trap

The trap operator is required to:

- Read and understand the instructions for use of the trap before trapping commences
- Be committed to the humane operation of the trapping system
- Ensure no native birds or other wildlife are harmed during trapping
- Be available to monitor and service the trap on a daily basis

Location of Trap

Traps are to be located on private land only. Considerations for trap placement are theft / vandalism, public safety, public perception, access for dogs and cats, shade for trapped birds.

Operational Costs

Operational costs including euthanasia, food and carbon dioxide gas are to be met by the trap operator.

Euthanasia

Euthanasia is the responsibility of the trap operator and must be carried out in accordance with the standard operating procedures (SOPs) produced by the Industry and Investment NSW and funded by the Australian Government Department of the Environment, Water, Heritage and the Arts.

Trappers must read and be familiar with the procedures outlined in the SOPs for *Methods of euthanasia* (GEN001) and *Trapping of pest birds* (BIR002), prior to conducting any control activities. Copies of the SOPs are available for download from the following site:

<http://www.environment.gov.au/biodiversity/invasive/publications/humane-control.html>

Disposal of Carcasses

Carcasses may be disposed of in standard domestic garbage bin providing they are contained in a bag. Alternatively, once a carcass has been removed from the property, it must be transported to a lawful waste facility.

Feedback

Please ensure you record the number of birds euthanased and the times, dates and location of the trapping. Other information, including surveys to determine the number of birds in the area, is also appreciated to assist with research and the program overall.

I accept the following items and the terms of agreement and agree to absolve Hawkesbury City Council, its servants, agents and employees from all liability, loss or damage, caused directly or indirectly, including but not limited to, additional costs, product quality/condition, repair, maintenance, electrical testing (if applicable), care and use associated with acceptance of the loaned items.

Check all parts of trap are accounted for as per attached list.
