Consulting the Community Community Sponsorship Program

Applications are now open for Council's Community Sponsorship Program. This enables Council to work in partnership with our community to build a vibrant, connected, and liveable Hawkesbury.

Council's Community Sponsorship Program provides financial assistance to support Hawkesbury-based community organisations or individuals wanting to undertake activities that address key strategies and directions within Council's Community Strategic Plan.

There are three categories within the Community Sponsorship Program:

Resilient Hawkesbury

Council may provide funding to community programs that help to build a connected, healthy, inclusive and resilient Hawkesbury. Maximum funding of \$3,000.

Participation

Financial assistance may be provided to support the participation of residents who have been selected to represent the Hawkesbury in Regional, National, or International sporting competitions and cultural events. The level of contribution is \$150 for individuals and \$750 for a team of five or more.

Access to Community Facilities

Not-for-Profit Community Groups located in the Hawkesbury or providing services to the Hawkesbury, can apply for financial assistance for subsidy of 50% of the cost of hiring a Council or Community Facility up to a maximum contribution of \$750.

The current round of Community Sponsorship opens until Friday, 31 March 2023.

Information on Council's Community Events Sponsorship can be found at www.hawkesbury.nsw.gov.au/for-residents/community/community-funding

Public Notice

Hawkesbury Active Transport Plan

Hawkesbury City Council is currently developing a new Active Transport Plan that will provide the framework for an integrated connected network of walking and cycling infrastructure by completing the missing links and developing safe, quality infrastructure and priority routes. It will provide mobility links throughout the City to connect our centres, parks and facilities and provides an opportunity to review and align priorities developed by the Hawkesbury Mobility Plan 2010 (Bike Plan and Pedestrian Access & Mobility Plan (PAMP)) and set the direction for the next 10 years across the Local Government Area.

We want to hear from the Hawkesbury community about local issues and opportunities for using active transport. There are number of ways to provide your feedback including completing an online survey or attending a community workshop. Community workshops will be held on Wednesday, 22 March 2023 at Hawkesbury Leisure & Learning Centre, 114 March Street, Richmond:

- 10:30am – Seniors, People with Disabilities & Carers
