**SECTION 2 - Mayoral Minutes**

**MM - Auslink Strategic Regional Programme - (79353, 95495)**

---

**REPORT:**

The Federal Minister for Local Government, Territories and Roads, The Hon. Jim Lloyd, MP, has recently advised me that Council has been successful in its application for assistance to construct a roundabout at the intersection of Oakville, Broos, Stahls and Smith Roads, Oakville.

Council may recall that application was made for assistance for three projects under Auslink's Strategic Regional Programme for which applications closed on 1 May 2006. Those projects were, St Albans Road - reconstruction and sealing of the remaining five kilometres to St Albans, Racecourse Road Clarendon - reconstruction and sealing of the gravel section between Rickaby Street and the Richmond/Blacktown Road, and construction of a roundabout at the intersection of Oakville, Broos, Stahls and Smith Roads Oakville.

Council was previously advised of its success with the St Albans Road project (9 January 2007) and the Racecourse Road project (16 May 2007). All three projects have now been successful in receiving funding under the Auslink Strategic Regional Programme.

To ensure that funds are made available for the roundabout project it is necessary for the funding offer to be accepted prior to midday on Wednesday, 27 June 2007 and I recommend that Council resolve to accept the funding offer for assistance to construct the roundabout at the intersection of Oakville, Broos, Stahls and Smith Roads, Oakville in the amount of \$395,500 and the Federal Government be thanked for their assistance in funding Council nominated projects through the Auslink Strategic Regional Programme.

**RECOMMENDATION:**

That Council:

1. Accept the funding offer for assistance to construct the roundabout at the intersection of Oakville, Broos, Stahls and Smith Roads, Oakville in the amount of \$395,500.
2. Thank the Federal Government for their assistance in funding Council nominated projects through the Auslink Strategic Regional Programme.
