

PLACESCORE™

Hawkesbury City Council

COMMUNITY INSIGHTS REPORT

Hawkesbury Town Centres

February 2018

ABOUT PLACE SCORE

PLACESCORE is a place experience (PX) diagnostic, engagement, benchmarking, and data tracking platform that helps guide and measure more effective investment in urban environments.

PLACESCORE offers two sophisticated data collection tools, Care Factor and PX Assessments. Like a 'place census', Care Factor captures what your community really values. PX Assessments measure the community's lived experience.

Together they provide you with data driven directions for prioritising investment... a high 'Care Factor' and a low 'PX Score' denotes a high priority for investment.

HAWKESBURY TOWN CENTRES PROJECT SCOPE

Between 14th December 2017 - 7th February 2018 **PLACESCORE**, on behalf of the Hawkesbury City Council, collected Town Centre Care Factor surveys and PX Assessments via online and face to face surveys.

This Community Insights Report (CIR) includes:

- A summary of your survey respondents
- The key findings of the Care Factor survey
- The key findings of the PX Assessments
- Findings by town centre and by suburb
- Recommendations for short and long term improvements in key town centres

TOWN CENTRE CARE FACTOR SURVEY

- *Which place attributes are most important to you in your ideal town centre?*
- **1710** respondents from across the Local Government Area
- The online survey was live from **14th December 2017 to 7th February 2018**

TOWN CENTRE PX ASSESSMENTS

- *How is each place attribute impacting your personal enjoyment of this place?*
- 11 main street environments
- **439** local residents, workers and visitors completed a PX Assessment
- 25+ respondents at each of PX¹ locations
- 40+ respondents at each of PX² locations
- Face to face data was collected between 27th January 2018 and 4th February 2018

A total of 2149 responses were collected during the research.

EXECUTIVE SUMMARY

This section provides an executive summary of key findings and recommendations for Hawkesbury Town Centres.

HAWKESBURY TOWN CENTRES ABOUT YOUR RESPONDENTS

ABOUT YOUR DATASET

Data was collected via online and face to face surveys during the period 14th Dec 2017 - 7 Feb 2018. A total of 1798 participated with 1710 completing all questions (95% completion rate).

HAWKESBURY TOWN CENTRES EXECUTIVE SUMMARY

carefactor
town centre

1710 local residents, workers and visitors completed a Care Factor survey.

WHAT WE ALL CARE ABOUT...

The Top 5 town centre place attributes valued by *all respondents* are:

- #1 Local history, heritage buildings or features
- #2 Cleanliness of public space
- #3 Elements of the natural environment (views, vegetation, topography, water etc.)
- #4 Overall visual character of the area
- #5 Vegetation and natural elements (street trees, planting, water etc.)

WHO CARES ABOUT SOMETHING DIFFERENT?

While most people care about the same place attributes, some groups differ:

Women

52% of Women care about 'Evidence of public events happening here (markets, street entertainers, festivals etc.)' compared to only 39% of Men.

Visitors

50% of Visitors care about 'Car accessibility and parking' compared to only 41% of Residents.

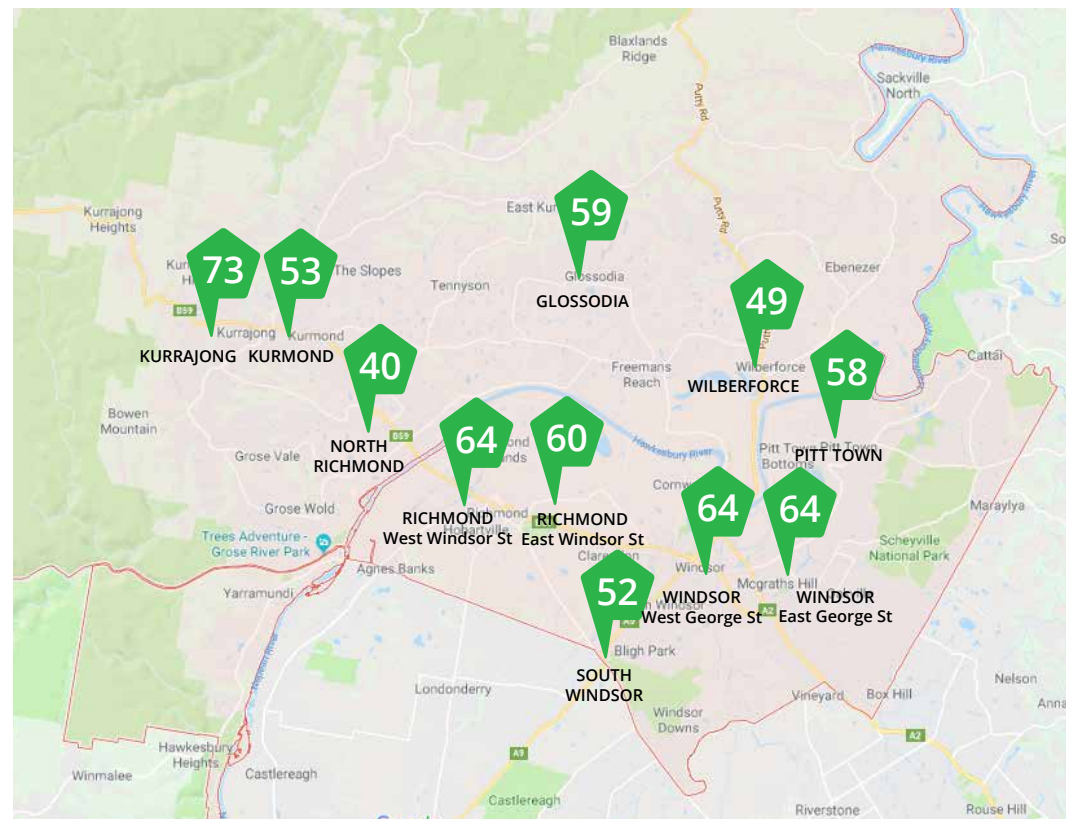

HAWKESBURY TOWN CENTRES EXECUTIVE SUMMARY

439 local residents, workers and visitors completed a PX Assessment.

This table summarises the PX score for each location.

LOCATION	N=	PX SCORE
Old Bells Line of Road, Kurrajong	25	73
Bells Line of Road, Kurmond	35	53
Golden Valley Drive, Glossodia	25	59
Bells Line of Road, North Richmond	49	40
King Road, Wilberforce	23	49
Windsor Street (West), Richmond	54	64
Windsor Street (East), Richmond	46	60
Bathurst Street, PittTown	33	58
George Street (East), Windsor	62	64
George Street (West), Windsor	44	64
George Street, South Windsor	43	52

HAWKESBURY TOWN CENTRES

EXECUTIVE SUMMARY

PERFORMANCE AND PRIORITIES

When the Top 10 Care Factors are compared against their performance in the PX Assessments it is possible to identify priorities for town centre investment.

Across all the town centres the following attributes are generally most highly valued, but performing the poorest from the community's perspective.

These should be considered as overall priorities moving forward.

Top 10 priorities cross all town centres		Ranking gap (CF Rank - PX Rank)
#1	Maintenance of public spaces and street furniture	-327
#2	Things to do in the evening (shopping, dining, entertainment etc.)	-323
#3	Evidence of public events happening here (markets, street entertainers, festivals etc.)	-312
#4	Cleanliness of public space	-223
#5	Outdoor restaurant, café and/or bar seating	-213
#6	Elements of the natural environment (views, vegetation, topography, water etc.)	-210
#7	Evidence of recent public investment (new planting, paving, street furniture etc.)	-209
#8	Amenities and facilities (toilets, water bubblers, parents rooms etc.)	-209
#9	Vegetation and natural elements (street trees, planting, water etc.)	-183
#10	Evidence of community activity (community gardening, art, fundraising etc.)	-176

HAWKESBURY TOWN CENTRES EXECUTIVE SUMMARY

TOWN CENTRE PRIORITIES

The following table summarises the priorities for each town centre. Priorities are defined as attributes with a Care Factor and low PX score/ performance rating.

Highlighted attribute is the most common across all locations

LOCATION	PRIORITY 1	PRIORITY 2	PRIORITY 3
Old Bells Line of Road, Kurrajong	Evidence of public events happening here (markets, street entertainers, festivals etc.)	Maintenance of public spaces and street furniture	Elements of the natural environment (views, vegetation, topography, water etc.)
Bells Line of Road, Kurmond	Maintenance of public spaces and street furniture	Evidence of recent public investment (new planting, paving, street furniture etc.)	Cleanliness of public space
Golden Valley Drive, Glossodia	Local history, heritage buildings or features	Elements of the natural environment (views, vegetation, topography, water etc.)	Maintenance of public spaces and street furniture
Bells Line of Road, North Richmond	Elements of the natural environment (views, vegetation, topography, water etc.)	Local history, heritage buildings or features	Vegetation and natural elements (street trees, planting, water etc.)
King Road, Wilberforce	Evidence of public events happening here (markets, street entertainers, festivals etc.)	Outdoor restaurant, café and/or bar seating	Elements of the natural environment (views, vegetation, topography, water etc.)
Windsor Street (West), Richmond	Elements of the natural environment (views, vegetation, topography, water etc.)	Evidence of public events happening here (markets, street entertainers, festivals etc.)	Maintenance of public spaces and street furniture
Windsor Street (East), Richmond	Cleanliness of public space	Maintenance of public spaces and street furniture	Evidence of public events happening here (markets, street entertainers, festivals etc.)
Bathurst Street, PittTown	Landmarks, special features or meeting places	Maintenance of public spaces and street furniture	Car accessibility and parking
George Street (East), Windsor	Cleanliness of public space	Maintenance of public spaces and street furniture	Vegetation and natural elements (street trees, planting, water etc.)
George Street (West), Windsor	Maintenance of public spaces and street furniture	Vegetation and natural elements (street trees, planting, water etc.)	Evidence of public events happening here (markets, street entertainers, festivals etc.)
George Street, South Windsor	Things to do in the evening (shopping, dining, entertainment etc.)	Evidence of public events happening here (markets, street entertainers, festivals etc.)	Maintenance of public spaces and street furniture

HAWKESBURY TOWN CENTRES EXECUTIVE SUMMARY

COMMUNITY IDEAS FOR CHANGE

Participants were asked to share their small and large ideas for improving town centres in Hawkesbury, 1140 responses were received.

The dominant themes were:

1. Economic development - support and grow businesses/ more diverse businesses/ lower rents/ business attraction
2. More street tree planting, planters, urban agriculture, community gardens
3. Heritage tourism and nature tourism - protect, build on and celebrate
4. Alternate transport modes - dedicated and shaded walking and cycling paths that connect places

"To do everything possible to keep the small business people trading by supporting them and my town centre."

"Windsor is my town and I want to enjoy it after hours. An entertainment centre for live music and theatre would be great."

"Maintaining clean streets and footpaths, respecting the cultural heritage of the area and promoting local events, markets community events etc."

"A competition promoted via all Hawkesbury Schools for Children to describe how they want the Hawkesbury to be when they leave school: Winning ideas implemented."

"We make our homes beautiful, natural, historically relevant, well maintained, clean, practical, useful, comfortable, memorable spaces. Towns are extensions of our homes."

HAWKESBURY TOWN CENTRES

EXECUTIVE SUMMARY

COMMUNITY IDEAS REGARDING TRANSPORT

34% (388) responses to the open question included a reference to transport.

Bypass/bridge (31%):

The majority of respondents who mentioned a bypass or a bridge were in favour of a bypass. Some of these respondents also explicitly voiced out their concerns about the current bridge project. Their support for a bypass was based on:

- Maintaining the heritage of the town centre;
- Reducing heavy and through traffic in the town centre;
- Maintaining Thompson Square as it is.

Manage parking (21%):

When respondents spoke about parking it was mostly in favour of more parking spaces and fewer time limitations.

The respondents also mentioned:

- Reopening the former car parks or a better management of existing ones, moving parking off main streets;
- Better maintenance of existing infrastructure;
- Shade over parking areas with trees or shade sails.

Better pedestrian and bike paths (22%):

Security and universal accessibility of footpaths were both recurring issues. The respondents across all suburbs also proposed:

- Facilitate access to bushes or water fronts via pathways and bicycle lanes;
- Encourage tourism and local business with larger and well-maintained sidewalks as well as leisure-oriented cycling paths;
- Use mixed foot/bicycle paths;
- Create more connexions across the different suburbs.

Reducing traffic congestion (26%):

The ideas and problems that were shared were mostly car related, demanding additional roads and links. Amongst the other ideas stood:

- Implementing additional public transport
- Improve footpaths and crossings for pedestrians
- Have one-way traffic on streets like Windsor to reduce traffic, create additional parking or implement larger sidewalks;
- Limit new developments and plan better infrastructure for growing population.

TOWN CENTRE CARE FACTOR

Your Care Factor data acts as a 'place census', identifying what is most important to your community regarding their ideal town centre. The data is valid for 3-5 years and can be used for a variety of strategic and tactical project - from planning to place branding and activation.

HAWKESBURY TOWN CENTRES

WHAT DO PEOPLE VALUE?

KEY FINDINGS

Key community values for Hawkesbury City Council are:

- Your communities have very similar values, the top 10 attributes are the same for all except intersex gender.
- Hawkesbury LGA respondents are the first cohort to select 'Local history, heritage buildings or features' as their #1 Care Factor.
- Cleanliness and maintenance is important, as well as vegetation for uniqueness and street character.
- Day and night activities contribute to your community's ideal town centre.

Different demographics care about different place attributes:

People aged 25-44:

- 34% of people aged 25-44 care about 'Spaces suitable for specific activities (play, entertainment, exercise, etc.)' compared to only 21% of people aged 45-64.

Men:

- 14% of Men care about 'Evidence of recent private investment (new buildings, painting etc.)' compared to only 4% of Women.

Women:

- 52% of Women care about 'Evidence of public events happening here (markets, street entertainers, festivals etc.)' compared to only 39% of Men.

Visitors:

- 50% of Visitors care about 'Car accessibility and parking' compared to only 41% of Residents.

Residents:

- 27% of Residents care about 'Walking, cycling or public transport options' compared to only 20% of Visitors.

How did your community respond to the statement...

"I care about this place and its future"

SOUTH WINDSOR

GEORGE STREET

IDENTIFYING THE PRIORITIES

This table identifies the attributes that most people rank as important against how they perform in each location. The lowest performing are the priorities for each location.

TOP 10 CARE FACTORS

What we care about most?

How it is performing:

Community ideas included:

- "Be green, clean, well lit and accessible. Provide and empty bins, provide seats & shade. Support local heritage; engage and encourage community and unique culture."
- "The Park improvement was a great start to improve the area but this now has to spread to the street appearance, pot plants and trees planted along the streets, improve the pavement and create a sense of pride within the community."
