Hawkesbury District Sports Medal and Commitment to Sport Certificate

Please fill out the form overleaf.

In conjunction with the Hawkesbury Sports Council, Hawkesbury City Council has a civic program to recognise positive contributions to sport in our area.

The Hawkesbury District Sports Medal seeks to recognise individuals who have made an outstanding contribution to, or represented the Hawkesbury in, sport of any kind **at a district or higher level for a minimum 10 continuous years.**

The Hawkesbury District Sports Certificate is for persons that have supported their sport **at the local club level for 10 years, 20 years or 30 years.** Nominees may be drawn from all persons involved from players or competitors through to sport fundraisers.

These awards recognise not only those that have achieved a high status within their sport but also those that have been dedicated, at the higher levels, to the management of their sport, such as administrators, coaches, referees and umpires. Both awards recognise Hawkesbury City Council's dedication to support local sport persons and to recognise the community members who display a high level of commitment to sport in the Hawkesbury.
