What is Science Reference Centre?

Drug Info @ Your Library is a joint initiative of NSW Health and the State Library of NSW which aims to make information about drugs and alcohol easily accessible for individuals, schools and public libraries.

As well as general information, Drug Info @ Your Library has a range of resources relating to NSW laws relating to drugs and alcohol, including drink spiking, driving under the influence and drug manufacturing.

What can I use it for?

Drug Info @ Your Library can be used by anyone who wants to learn more about drug and alcohol use, from addiction and side effects to NSW legalities. The information provided is impartial and non-judgemental, aimed to educate and inform. As well as topical news articles, it also provides information on getting help for addiction.
