

Let's draw a Flabbit

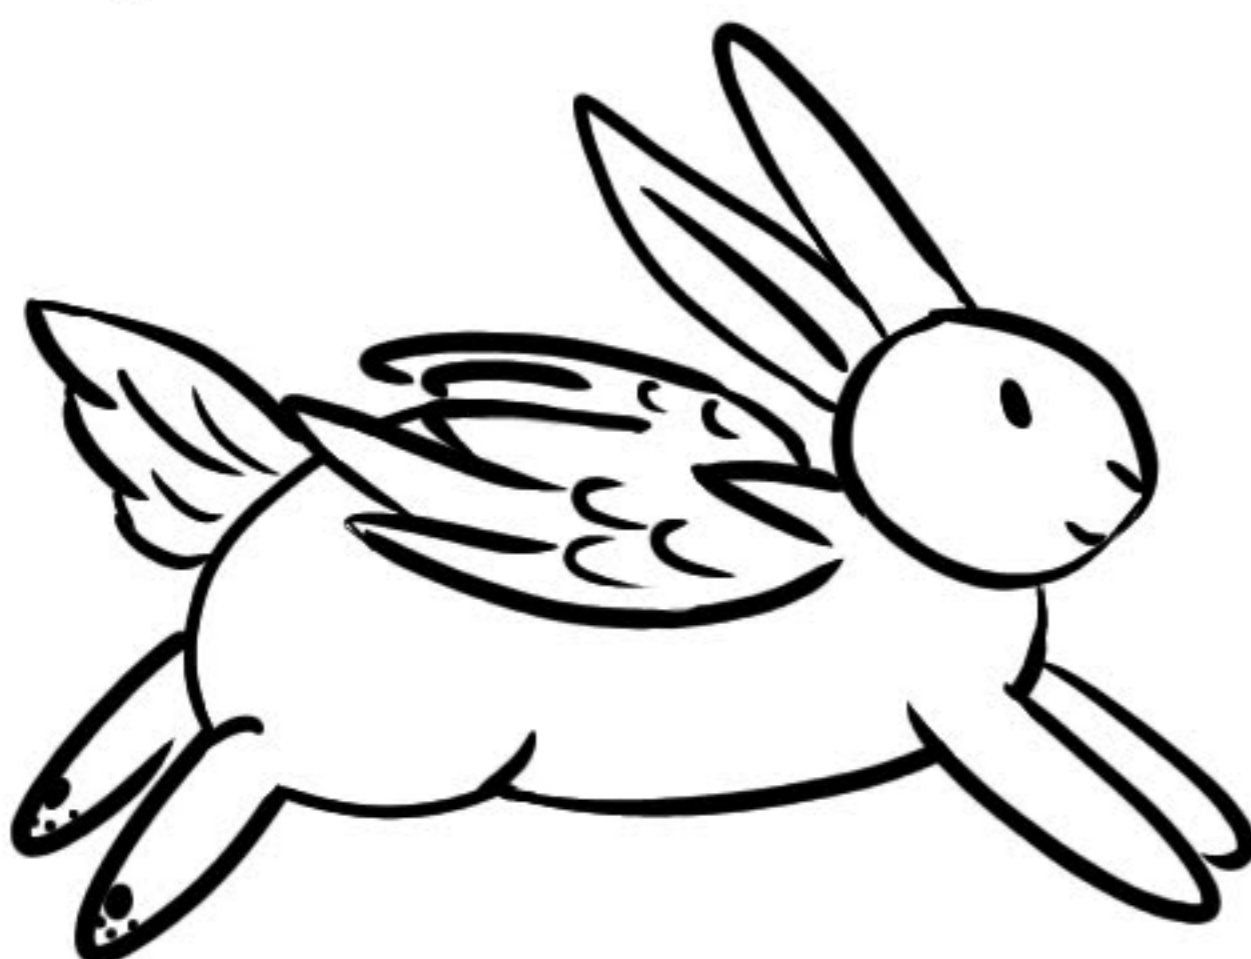

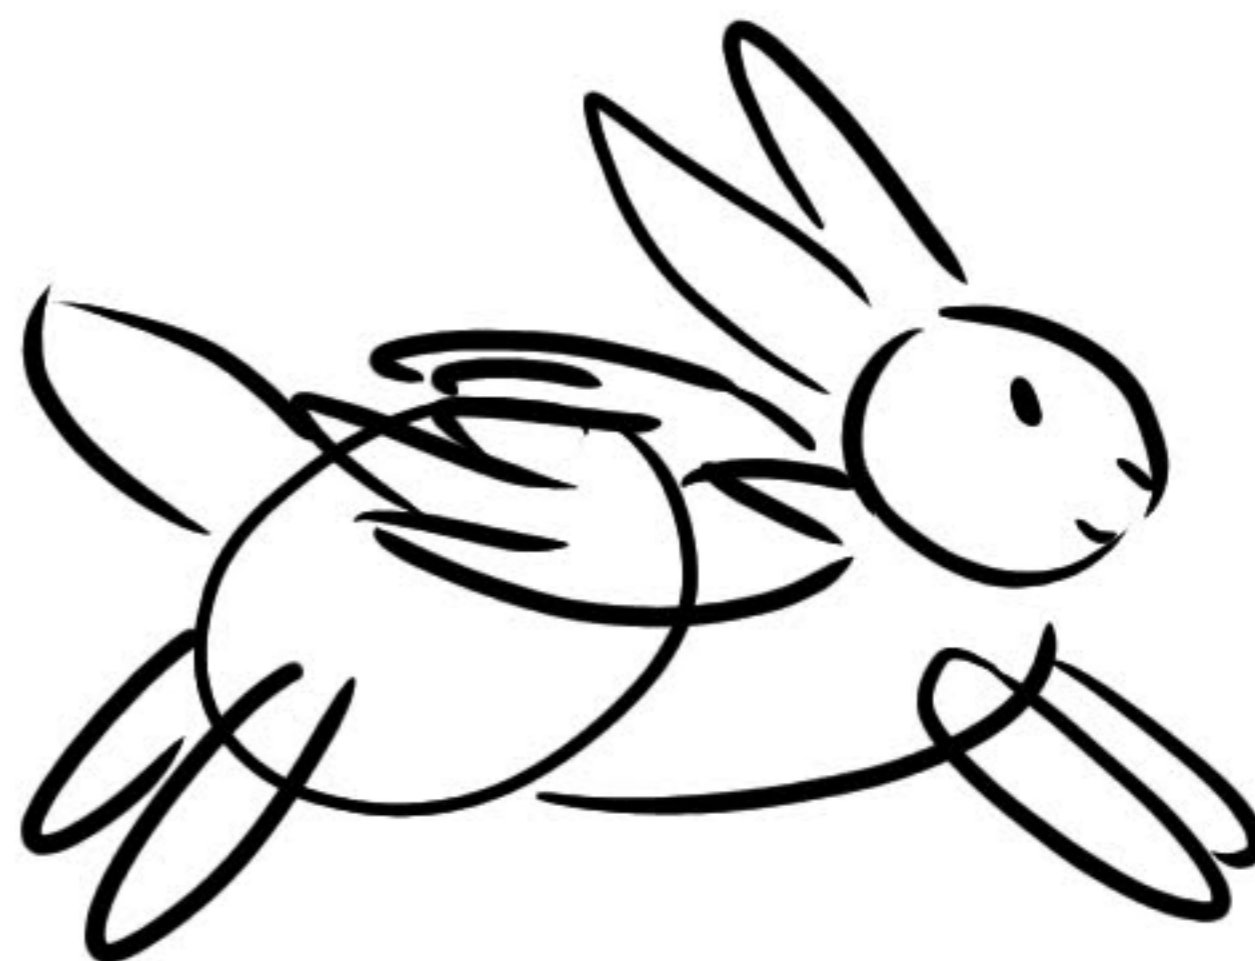

1. Draw two ovals
(one bigger than the other)

2. Draw two curved lines to
connect the ovals

3. Add ovals for ears,
feet and tail

4. Draw face and wings
as pictured

5. Rub out extra lines and
add little curves to wings
and tail for feathers

Then colour your flabbit!

share your flabbits with us on
Facebook @HawkesburyRegionalMuseum
