2.	2. Development An application seeking consent to use land, subdivide land, erect a building, carry out work, demolish a building or work or any other matter that may be controlled by an environmental planning instrument.								
3.	Construction Certificate (Building/Civil Works)	A Construction Certificate certifies that work completed in accordance with nominated plans and specifications will comply with the National Construction Code, and/or Australian Standards and conditions of Development Consent.							
4.	Compliance Certificate	A Compliance Certificate certifies that any aspect of the development (including the design, completed building, subdivision work or condition of consent) complies with particular plans, specifications or with particular standards or requirements.							
5.	Complying Development Certificate	Complying development is development that complies with the design standards and provisions of State Environmental Planning Policy (Exempt Complying Development Codes) 2008 ('the Code").							
6.	Modification of Consents	The provisions of the EPA Act allows Council to consider a modification to a Development Consent. The modifications can be the following:							
		Section 4.55 (1) This modification is a correction to the consent which may involve minor error, misdescription or miscalculation.					•		
		Section 4	.55 (1	a) This mod same dev Consent	·				
		Section 4	.55 (2	?) This is fo 4.55 (1a) same dev	•		a Section 4.55 (1), be substantially the		
		Section 4	.56		This is a modification of a Development Consent issued the Land and Environment Court.				
	If the development involved previous referrals to agencies as "Integrated Development" the Modification application may be referred and an addition fee may be required.
