Mayoral Message

This Annual Report is the first full year report that demonstrates achievements in relation to the revised Hawkesbury Community Strategic Plan 2013 – 2032 (HCSP). The new plan was adopted by Council in April 2013 after the review of the original 2010 - 2030 Plan, required by State Government legislation following a local government election. This revised Plan reflects the commitment of Councillors and staff towards addressing the priorities of the community. Council staff have been working throughout the last year to implement the outcomes of the HCSP.

2013/2014 has seen the introduction and completion of many projects that are of great benefit to our community, these include; a new digital library service where residents are able to download books online and free of charge; upgrades to the facilities and services at Hawkesbury Indoor Stadium; installation of a new playground at Richmond Park and major refurbishments at the Oasis Aquatic and Leisure Centre to upgrade pool quality and safety.

Tremendous achievements have been made in the area of waste management with the introduction of the new garden organics collection service. After extensive community consultation the service was introduced in selected urban areas. The service has been well received and will be of great benefit to Hawkesbury residents in the long term.

With the vast geographical spread of the Hawkesbury local government area, we must also focus on linking residents of the outlying areas of the Hawkesbury. Council was very pleased to be able to work in partnership with the Hills Shire Council to jointly fund the refurbishment of a ferry, provided by the Roads and Maritime Service, to maintain the Lower Portland River ferry crossing with a higher capacity. The ability to maintain this crossing ensures residents in our outlying areas are able to connect with key town centres with ease.

We have celebrated a number of historic events throughout the past financial year. The Inaugural raising of the Aboriginal flag and Torres Strait Islander flag took place at a special ceremony at the Council Chambers. Both flags will now fly out the front of Council on newly erected flag poles and within the Council Chambers at all times.

Hawkesbury also signed the Refugee Council of Australia's declaration for the Hawkesbury to be a Refugee Welcome Zone. Whilst the refugee and asylum seeker community in the Hawkesbury is quite small, this action demonstrates Council's support for the many diverse groups in our community.

This report details the work that has been achieved during the 2013/2014 financial year which reflects very positively on the commitment of Councillors and staff of Hawkesbury City Council towards achieving progress for the Hawkesbury and addressing the diverse needs of our community.

Councillor Kim Ford
Mayor of Hawkesbury

General Manager's Message

This Annual Report, together with Audited Financial Statements has been produced in accordance with Section 428 of the NSW Local Government Act, 1993 and Clause 217 of the NSW Local Government (General) Regulation 2005. Financial Statements are produced in a separate volume.

The Hawkesbury has been faced with many challenges over the past few years, and Council has risen to meet these challenges through careful strategic management. Through focussing on better efficiencies within the organisation, Council has been able to balance competing demands for our limited resources and will continue to do so into the future. Staff are well versed in prioritising tasks to meet the increasing demand for services and facilities that is required by our widely dispersed community.

Every two years, Council conducts a Community Survey which provides an insight into the community's priorities and satisfaction in relation to Council activities, services and facilities. Council received the results from the latest Community Survey in October 2013. The survey found that overall residents expressed a 'moderate' level of satisfaction with the overall performance of Council. The survey also identified key drivers of the community's satisfaction. The information from this survey will be utilised by Council to assist in prioritising programs and activities in the future and to provide increased satisfaction for our community.

This Annual Report is the first full year report that demonstrates achievements in relation to the revised Hawkesbury Community Strategic Plan 2013 – 2032 (HCSP). Council is committed to being efficient and effective and aims to continue to actively advance the lifestyle of our community by progressively looking after our people and place with confidence.

Linking the Hawkesbury with a well maintained road network is a priority for Council and the community. We are continually working to repair and improve local roads to high standard. We have received praise for the work we have been able to achieve across our large road network, being recognised as the metropolitan Council spending the most money per head of population on maintenance of roads, bridges and footpaths.

Supporting Business and Local Jobs is one of the five themes of the HCSP with 'economic development' of key importance in achieving the goals of this theme. Council resolved to establish an Economic Working Group this year to assist in the development of an Economic Development Strategy for the future. The Strategy, once developed, will then provide guidance on how to develop a sustainable economy in the Hawkesbury in partnership with the Hawkesbury business community.

This Annual Report summarises Council's business practices and performance against its strategic objectives as outlined in the 2013/2014 Management Plan. This report shows the many and varied areas of achievement for Council during the 2013/2014 period. I look forward to building on these achievements in the next financial year, so together we continue to strengthen the future outlook of the Hawkesbury

Mr. Peter Jackson

Key Highlights and Achievements 2013/2014

- 2013/2014 was the first full year that the revised Hawkesbury Community Strategic Plan 2013-2032 was used to benchmark the outcomes achievable by Council. The new plan was adopted by Council in April 2013 following the review of the original 2010 - 2030 Plan, required by State Government legislation following a local government election.
- In October 2013, Council received the results of its bi-ennial Community Survey which provides an insight into the community's priorities and satisfaction in relation to Council activities, services and facilities. The survey found that overall residents expressed a 'moderate' level of satisfaction with the overall performance of Council.

Transport

- Linking the Hawkesbury with a well maintained road network is a priority for Council and the community. We have received praise for the work we have been able to achieve across our large road network, being recognised as the metropolitan Council spending the most money per head of population on maintenance of roads, bridges and footpaths in 2012/2013.
- Some of the major road projects carried out this year include:
 - Restoration of various gravel roads in the rural areas
 - Slopes Road, North Richmond – Pavement rehabilitation works
 - Scheyville Road, Scheyville – Pavement rehabilitation works
 - Hermitage Road, Kurrajong Hills – Roadworks and drainage
 - Berambing Crescent, Berambing – Roadworks and drainage
 - Kurmond Road, Wilberforce – Roadworks
 - Bulga Street and Wollombi Road, St Albans – Roadworks
 - Boundary Road, Oakville/Maraylya – Roadworks.
- For 2013/2014, all major projects commenced in this period were completed.
- Bridges completed under the NSW Government's Local Infrastructure Renewal Scheme included:
 - Upper Colo Road: Bridges 5 and 7
 - Upper McDonald Road: Two bridges including Jurds Bridge.
- Day to day roads management 2013/2014:
 - 72 roads resurfaced at a total cost of \$1.6 million
 - Graded approximately 300 kilometres of gravel road network on an "as required" basis
 - Maintained 62 bridges on both local and regional roads.
- A newly refurbished Ferry was commissioned for the Lower Portland River crossing to improve transport services for the local community. The Ferry was provided by Roads and Maritime Services and was refurbished at an approximate cost of \$500,000 by Hawkesbury City Council and The Hills Shire Council.
- Council secured a \$250,000 grant through the State Government's Roads and Maritime Services Better Boating Program to match Council's own funding commitment to boating facilities. The funding was used to construct a fixed public jetty at Governor Phillip Reserve, Windsor; upgrade the existing boat ramp at Holmes Drive Reserve, Cumberland Reach; and refurbish the existing jetty at Hanna Park, North Richmond.

Planning

- Council's Development Services assisted many residents in the processing of planning applications. In total Council:
 - Assessed 724 Development Applications
 - Assessed 84 S96 Modification Applications
 - Assessed 3 S82A Reviews of Determination
 - Issued 182 Construction Certificates
 - Issued 38 Engineering Design Compliance Certificates
 - Issued 37 Complying Development Certificates
 - Issued 2477 Planning Certificates
 - Issued 48 Building Certificates
 - Issued 35 Subdivision Certificates.
- Work commenced on a Hawkesbury Revitalisation Plan which aims to develop a regional planning approach for Hawkesbury's key town centres, with community consultation workshops undertaken.

Council Facilities

- The Oasis Aquatic and Leisure Centre underwent a major refurbishment to upgrade pool quality and safety. Council installed two new bridges and a staircase to provide better access to the Centre's spa, steam room and waterslide. A new \$30,000 Children's playground was also installed. Council also invested \$160,000 to upgrade the pools heating systems and \$130,000 on a new 25m pool filtration system.
- Hawkesbury Indoor Stadium was refurbished to provide improved facilities and services to patrons. Internal works included new floor tiling, an upgrade to the café, replacement of outdoor paving, installation of a new outdoor dining area and shade sail and internal painting.
- Council supported Kurrajong Rural Fire Station by managing an extension to the existing Station to facilitate training and provide new storage, bathroom and office facilities.
- Freemans Reach Rural Fire Station underwent \$20,000 of operational improvements to the station including storage and training room upgrades.
- Painting was undertaken internally and externally on a range of Council facilities to the value of \$120,000.
- Connection of various Wilberforce sites to Sydney Water low pressure sewer system including Wilberforce Shopping Centre, Wilberforce School of Arts Hall, Australian Pioneer Village, Fire Control, Copeland Reserve, Woodlands Park and Pony Club valued at \$220,000.

Waste Management and Environment

- A contract with JJ Richards and Sons commenced in October 2013 to provide a new Garden Organics Service, collecting 3166 tonnes in 2013/2014. A contamination rate of 0.2% was recorded in the 2014 Domestic Waste Audit.
- The recycling stations at Council's Administration Building and Hawkesbury City Council Waste Management Facility collected 148.9kg of printer cartridges, almost 15kg of mobile phones and accessories, as well as CDs/DVDs and household batteries.
- A total of 41 presentations were given on Waste Education at Hawkesbury schools throughout the year. Four high schools participated in The School Environmental Management Plan (SEMP) Assistance Program coordinated by Council's Waste Education Officer.
- Council hosted two waste related events, which assisted residents to dispose of unwanted items in environmentally friendly manner:
 - The Chemical Cleanout collected almost 32 tonnes of household chemicals. This is an increase in almost seven tonnes from the previous year.
 - The Hawkesbury E-waste event in June 2014 collected just under 35 tonnes of electronic waste.
- Residents recycled approximately 30% of their total household waste, including 6177 tonnes of kerbside recycling, 492 mattresses through the Household CleanUp service, and several tonnes of scrap metal, tyres, gas bottles, e-waste, motor oil, oil drums and car batteries, which were dropped off at the Waste Management Facility.
- A free wood smoke reduction workshop was conducted during winter to help reduce the levels of smoke pollution in the Hawkesbury.
- Council received \$30,000 funding through the NSW Department of Trade and Investment – Crown Lands Division to manage weeds at Yarramundi Reserve. These funds will be used to match Council's own funding for this activity.
- Richmond Park upgrade featuring a new playground area was completed in June and is very popular with the community. The playground caters for ages 0-14 years with imaginative play rope structures and the classic slides and swings.
- Footbridges in Hobartville were upgraded to provide safe pedestrian access to local facilities and provide long term connections for our residents.
- Plans of Management for several key parks and reserves which address management issues and strategies for the parks were adopted by Council and will now be implemented by Council staff. Plans of Management adopted included:
 - Windsor Foreshore
 - Pughs Lagoon
 - Holmes Drive Reserve.
- The Hawkesbury Community Nursery celebrated National Tree Day by giving away more than 1,500 native plants to residents and are continually helping residents to choose the right plants to match their soil and climatic conditions.

Cultural Services

Gallery

- Hawkesbury Regional Gallery presented nine major exhibitions, including three travelling exhibitions and six in-house curated exhibitions.
- Click! A local photography competition was launched for young people, whose photographs were judged on their ability to capture young people's feelings about Hawkesbury's cultural identity.
- The Gallery launched the inaugural Hawkesbury Art Fair, which featured traditional and contemporary artists, designers and craftspeople living and working in the Hawkesbury. There were demonstrations by local practitioners, small business, building workshops for the creative industry and a launch party celebrating our local talent.
- Public programs included the popular Art After School x 4; a series of four linked workshops held every school term, and a Life Drawing Classes with guest tutor, artist/educator, Di Holdsworth.

Museum

- This year saw Hawkesbury Regional Museum launch three new displays:
 - The Richard Coley (Masonic) Lodge
 - Flood! (how living on a flood plain has shaped our community)
 - WW1, including a donation of a trunk and its contents (uniforms and other items) owned by Brigadier-General John Jackson Paine, who served in Egypt during the war.
- The Museum acquired a cannonball from HMS Bounty, infamous as the vessel whose crew mutinied and cast off their commander, William Bligh, who had a farm in the Hawkesbury and supported the early settlers of Windsor in times of flood.
- Other regular activities including guided tours of historic Howe House, and guest speakers, including Peter Lister, who spoke about the involvement of staff and students of Hawkesbury Agricultural College in WW1, and Jesse Adams Stein, who delivered our special History Week lecture on the theme of 'Picture This' with a look at the final three decades (1959-1989) of the NSW Government Printing Office.

Library

- 192,542 people visited the library, 268,208 items were borrowed and 20,867 computer bookings were made.
- A new digital library service was introduced by Hawkesbury Library Services where residents and Members can enjoy eBooks and audiobooks anytime, anywhere, including children's books, best sellers and classics.
- 8,348 people, from a range of different ages and background, attended activities held by the Hawkesbury Library Service, such as:
 - Book Club
 - Author talks
 - Family history groups
 - Computer classes
 - School holiday day activities
 - Children's story time and rhyme time.

- The Hawkesbury Library Service distributed its first e-newsletter in September 2013 and was nominated for the Australian Library and Information Association's Australia's Favourite Library Award.

Events

- Council joined the Garage Sale Trail for 2013. The Garage Sale Trail is a national event which allows communities to come together on the same day to reduce waste and re-use pre-loved items.
- Council joined forces with the NSW Government, Rotary and Hawkesbury Church to combat Graffiti at the second annual Graffiti Action Day.
- Council unveiled two commemorative plaques recognising the valuable contribution of William Cox and George Evans to the Hawkesbury, New South Wales and Australia.
- Council hosted the second annual Hawkesbury Small Business Week.
- The Inaugural raising of the Aboriginal flag and Torres Strait Islander flag took place at a special ceremony at the Council Chambers. Both flags will now fly out the front of Council on newly erected flag poles and within the Council Chambers at all times.
- Hawkesbury also signed the Refugee Council of Australia's declaration for the Hawkesbury to be a Refugee Welcome Zone. Whilst the refugee and asylum seeker community in the Hawkesbury is quite small, this action demonstrates Council's support for the many diverse groups in our community.

Organisational Structure

Council functions in accordance with the provisions of the Local Government Act, 1993 and ancillary legislation. The organisation is based around the General Manager and three Divisions.

The principal functions of each of these areas are:

General Manager

The General Manager's office includes executive service support for the Councillors and oversees the overall management of the Council administration.

It also has direct reports from the Corporate Communication Section (which deals with media, publications, internal and external communication, civic programs and events); the Human Resources Section (which caters for all recruitment and selection, training, industrial relations and performance management issues); the Risk Management Section (which deals with Council's various insurances, WHS matters, workers compensation and risk related matters); Strategic Activities (which undertakes research and information collection, partnership facilitation and development, sister city and city/country alliance activities and facilitation of tourism and economic development) and Internal Audit (which deals with organisational strategic activities and relationships, developments and implements the internal audit program and associated activities).

City Planning

At the commencement of the reporting period the City Planning Division (City Planning) comprised of a multi-disciplinary team incorporating strategic planning, development and building control, customer services, regulatory services, community services and waste collection.

In October 2013 Council reviewed the organisational structure and reallocated the Community Services and Customer Services branches to the Support Services Division. This was in recognition of a number of forecast changes to the planning legislation in NSW and to assist in the Council focus on strategic and development planning.

The City Planning Division (City Planning) is now comprised of Strategic Planning, Development Services, Environment and Regulatory Services and waste collection.

City Planning is also responsible for the servicing of a number of Council Committees including the Floodplain Risk Management Advisory Committee, Heritage Advisory Committee, Human Services Advisory Committee, Sustainability Advisory Committee and Waste Management Advisory Committee.

Strategic Planning

This Branch consists of specialists in Land Use Planning, Social Planning, Asset Planning, Environmental Planning and waste education. The Branch is responsible for the production of the key strategic documents for Council, including the Community Strategic Plan, Delivery Program, Resourcing Strategy, Operational Plan, State of the Environment Report, Local Environmental Plans, Development Control Plans, Contribution Plans, Social Planning (including the Hawkesbury Profile Atlas and Community Survey), Infrastructure Strategy and Annual Report. The Branch also undertakes, and coordinates the implementation of, specialist studies, including the Upper Hawkesbury Coastal Zone Management Plan, Hawkesbury Floodplain Risk Management Study and Plan, etc., as well as operating waste and recycling education programs.

Development Services

This Branch consists of town planners, building certifiers and development engineers. The Branch is responsible for the provision of development and construction advice, assessment and determination of development applications; building inspections, compliance and certification; issue of planning and building certificates; development engineering advice and subdivision approvals; and heritage

conservation matters. The Branch also provides free generic development advice to residents and potential investors in the Hawkesbury.

Environment and Regulatory Services

This Branch consists of specialist in environmental health, companion animals, compliance, parking control and waste collection. The Branch is responsible for health and food inspections; public health and environmental complaints; development compliance and unauthorised development investigations; parking patrols; companion animal shelter operations and domestic waste collection.

Infrastructure Services

Infrastructure Services Division (Infrastructure Services) is made up of five branches; Construction and Maintenance, Building Services, Parks and Recreation, Waste Management, and Design and Mapping Services. The overall responsibilities of the division essentially involve the construction and maintenance of all Council's physical assets including civil maintenance and construction including roads, bridges and drainage, building construction and maintenance, plant and ferry management, flood mitigation, parks construction and maintenance, survey and design and the operation of swimming centres, sewerage and waste.

The Construction and Maintenance Branch provide, maintain, and improve all the road related assets including road pavements, and shoulders, table drains, kerb and gutter, footpaving, drainage, signs and lines, street sweeping and car parking areas.

Building Services is responsible for construction, maintenance, energy management, and security of Council buildings, replacement and maintenance of furniture and fittings, the flood lighting and irrigation control of parks and reserves, and the provision of security and building management systems.

The Parks and Recreation Branch undertakes mowing, weed control, gardening, playground, park furniture and landscape maintenance and repairs and improvement, litter removal, public amenities cleaning and the maintenance of the Windsor Mall, bush regeneration, vegetation management and tree assessments both on public and private lands.

The Parks and Recreation Branch also undertakes planning for and provision of recreational facilities including the operation of the Richmond Swimming Pool, and the coordination of special events including the Spring Garden competition and the management and operation of a number of cemeteries including the Richmond Lawn Cemetery.

The Design and Mapping Services Branch undertakes cadastral and topographical surveys for road, drainage and carpark designs and other special projects. Design, checking and investigative work is provided for construction projects and investigation and associated reports prepared for local traffic issues, with support provided for the Floodplain Risk Management Advisory Committee.

This Branch is also responsible for the maintenance of the Spatial Information System (SIS), which is a computerised mapping system used for land use and geographic mapping (zoning, land parcels), and assets mapping (aerial photos, sewerage, drainage, road infrastructure) etc. The Branch also assigns street numbering and new road naming.

The Waste Management Branch consists of both solid and liquid waste management functions. Liquid waste management includes the operation of the Windsor Sewerage Scheme, providing a reticulated sewerage service to approximately 7,000 premises within the Hawkesbury. Trade waste management is also provided as a commercial service to industry whilst ensuring there are no adverse effects on the sewerage system from discharge from these areas. The Branch also manages the sullage pump out contract for properties that are not part of a reticulated sewerage system and provide treatment for effluent from that service at the South Windsor Plant.

Solid waste management incorporates the operation of the Hawkesbury City Waste Management Facility, which provides for waste disposal for residents and businesses within the Hawkesbury. This Branch oversees the landfill operation and resource recovery, including the recycling of greenwaste, metal and other construction waste.

Provision of support to the Rural Fire Service and State Emergency Services including the Local Emergency Management Committee and operation of the Emergency Operations Centre is also provided by the Infrastructure Services Division.

Support Services

The Support Services Division (Support Services) comprises of the Community Services, Corporate Services and Governance, Cultural Services, Financial Services and Information Services Branches of Council. Support Services also deals with the provision of legal services to Council.

The Community Services Branch coordinates the planning and provision of human services to meet the needs of residents. Its role is to work with community partners and other levels of government to identify community needs and service requirements and to leverage investment to respond to these needs. The Branch is also responsible for Council's portfolio of externally funded community services delivered through Council's contracted community services arm - Peppercorn Services Inc. The Branch also supports community committees to manage and operate Council's portfolio of community buildings.

The Community Services Branch also includes the Customer Service Unit (CSU). The CSU provides the first point of contact for Hawkesbury City Council customers. The CSU operates a telephone enquiry centre that responds to all customer enquiries and processes customer requests; a front counter service that provides face to face reception for enquiries, payments and application lodgements; and a back office administration service that processes customer requests to support the broad range of the services and activities provided by Council across different internal Branches. These include application and certificate processing, bookings for parks, banners and cemeteries, and the payment of fees and charges.

The Corporate Services and Governance Branch's main areas of responsibility are in regard to administration, printing, property and records management. These areas include governance, word processing, Council meetings, access to information, management of Council records, property management, property sales and acquisitions and printing and design of various Council documents, signs, banners, brochures and flyers.

The Cultural Services Branch includes the Hawkesbury Central Library, Hawkesbury Regional Gallery, Hawkesbury Regional Museum in Windsor and the Richmond Branch Library, as well as the Visitors Information Centre at Clarendon and is responsible for the delivery of the Cultural Plan.

The key functions of the Financial Services Branch include financial accounting, financial management, supply management and rates. These functions cover various work areas including accounts payable, payroll, investments, statutory and Council formal financial reports, budgets, procurement, contract management, rates notices, pensioner rebates and property title details.

The Information Services Branch undertakes information technology activities, including maintaining essential computer hardware and software resources, ongoing administration maintenance and customer support as well as an integrated network infrastructure to meet corporate objectives.

Work Health and Safety

Overview

The primary focus for 2013/2014 was systems review and document preparation for the formal audit by WorkCover NSW in support of maintaining our Self Insurance Licence for the purposes of Workers Compensation. This necessitated a full gap analysis and enhancement of our safety management system to ensure alignment with the harmonised WHS Act (2011) and associated Regulations, Codes of Practice and Australian Standards.

Health and Safety Initiatives

Council's Annual WHS Review and Planning Report identified the following as high priority WHS issues for 2013/2014 requiring full corporate support and to be individually championed throughout Council personally by the Senior Management team (MANEX).

1. Risk Registers

The development of comprehensive risk registers was the responsibility of the General Manager supported by the Manager Risk Management. Registers were developed for individual work sites, work activities, fixed site hazards, confined spaces, manual handling and noise. This project is ongoing however it is now substantially completed and integrated into corporate safety systems.

2. Asbestos Register

This is an ongoing project personally overseen by the Director Infrastructure Services and controlled by the Manager Building Services. Council has in excess of 300 buildings, all of which have to be audited for the presence of Asbestos Containing Materials (ACM). Identified ACMs have to be signed, an inspection and management plan developed and centralised register updated. This project is progressing well with all major sites completed. Additionally, this project has been leveraged to extend the auditing to a full Hazop review thus extending the project to identifying nominated hazardous substances in the workplace.

3. Inspection Testing and Monitoring Database

There are a large numbers of site specific structures, plant, equipment and materials as well as legislated health surveillance that require inspection, testing and monitoring. The development of this database and implementation of systemically driven IT&M program across all Council operations was championed by the Director Support Services and supported by the Manager Information Services.

4. Emergency Management

Under the oversight of the Director City Planning and supported by the Manager Risk Management all permanently staffed sites were risk assessed for emergency situations in accordance with AS 4735 Planning for Emergencies in Facilities. Additionally, potential emergency situations were considered in all Safe Work Method Statements (SWMS) with procedures written and training undertaken. Site specific emergency response manuals have also been developed and integrated into site emergency planning arrangements.

5. Joint Responsibilities for PCBU and Volunteers

The Manager Risk Management Services had a number of individual corporate safety initiatives for completion in 2013/2014 which included:

- Identifying which other business, community groups etc. have joint WHS responsibilities with Council, to what extent and what are the individual responsibilities, accountabilities and authorities that each hold.
- Ensuring monthly WHS reporting to MANEX.
- Ensuring the full application of Council's WHS Compliance, System and third party audit schedules.
- Identifying and completing necessary noise surveys across Council.
- Review of Council's WHS training programme to ensure full compliance and clear definition of associated responsibilities, accountabilities and authorities.

In accordance with WHS&IM procedure 001.7 Management Review a full audit of Council's safety management system is being completed with WHS corporate strategic safety initiatives and management KPIs to be formulated for the coming year as part of this process.

Statutory Report - Local Government Act 1993

The following section provides responses to the requirements of Sections 428 and 508 of the Local Government Act 1993 and Clause 217 of the Local Government (General) Regulation 2005.

Section 428 (1) Implementing Council's Delivery Program

Council's Delivery Program 2013–2017 details the principal activities to be undertaken by Council over a four year period to implement the five themes of the Hawkesbury Community Strategic Plan 2013-2032.

These themes are:

- Looking after People and Place
- Caring for the Environment
- Linking the Hawkesbury
- Supporting Business and Local Jobs
- Shaping our Future Together

The accompanying Operational Plan 2013-2014 spells out the details of the Delivery Program by identifying the actions Council proposed to achieve the commitments made in the Delivery Program.

The relationship between Council's Community Strategic Plan, Delivery Program, Operational Plan and the Annual Report is shown in the diagram below.

The following table shows the progress in achieving the Delivery Program activities and Operational Plan actions for the period 1 July 2013 – 30 June 2014.

Hawkesbury River County Council

Controlling and suppressing of all declared Noxious Weeds has been delegated to Hawkesbury River County Council.

Aquatic and Leisure Centre and Indoor Stadium

The Oasis Aquatic and Leisure Centre and the Hawkesbury Indoor Stadium are owned by Council. These Centres are operated and managed on behalf of Council by YMCA NSW.

Clauses 217 (1) (a 7) and (a 8) Interests and Participation in Corporations, Partnerships, Cooperatives, Joint Ventures, Syndicates or other bodies

Council did not hold a controlling interest in any company during the 2013/2014 financial year.

In an endeavour to achieve efficiencies in its operations, Council has formed alliances and/or undertakes initiatives with other councils and organisations in areas such as joint purchasing arrangements via participation in the Western Sydney Regional Organisation of Councils (WSROC); pooled insurances arrangements via Westpool; the operation of its Companion Animal Shelter by entering into an agreement with Penrith and The Hills Shire Councils facilitating the use of Hawkesbury's facility. This latter alliance has alleviated the need for those Councils to establish their own facility and enabled a more economical use of resources.

Westpool/United Independent Pools (UIP)

Council is a member of Westpool, which is an insurance and risk management discretionary mutual, established in 1988 and now consists of nine Councils – Blacktown, Blue Mountains, Fairfield, Hawkesbury, Liverpool, Parramatta, Penrith, Shellharbour and Wollongong City Councils.

This alliance provides opportunities for its members to self-manage public liability and professional indemnity claims, to purchase a variety of insurance products and to share risk management strategies. Currently public liability, professional indemnity, corporate travel, and group personal accident insurances are purchased by Westpool. Westpool, in association with its sister organisation, Metro Pool has established United Independent Pools (UIP) which now self manages motor vehicle, industrial special risks (Property), Councillors and Officers, Statutory Liability and Crime (internal fraud and electronic theft) insurance covers. Through the ability of these mutual associations to self-insure and group purchase insurance it is considered that significant savings have been achieved in the level of premiums paid by the Council in comparison to potential premiums had Council approached the insurance market as a single entity.

In addition, much is gained by councils being able to share experiences, initiatives and ideas in areas such as risk management strategies, claims management strategies, fleet management, property protection and security, Work Health Safety, workers compensation, etc. Council continues to reap the benefits of this alliance which now actively covers all lines of insurance

Westpool is managed by a representative group of elected members and senior officers from all member councils and is funded by contributions based on independent actuarial assessment.

Hawkesbury River County Council

The HRCC has been established under the Local Government Act 1993. It covers the areas of The Hills Shire, Blacktown, Penrith and Hawkesbury City Councils and has responsibility for the management, control and suppression of declared noxious weeds on these areas of the River. This single purpose authority has responsibility for a combined area of 3,823km² and by the forming of a larger area, local government boundary problems are avoided.

Funds are provided by levies upon the four constituent councils with the State Government providing some grant funding. Resource sharing is achieved as resources are used over a larger area of operations.

HRCC strategic objectives follow the guidance provided by the development of their member Council "Community Strategic Plans" and the NSW Invasive Species Plan. In order of priority they are as follows:

- Prevent the establishment of new weed species.
- Eliminate the spread of new and existing weed species.
- Reduce the impact of widespread weeds on key assets.
- Support the community, industry and government stakeholders to have the ability and long term commitment to manage weeds.

Further information on HRCC is available at www.hrcc.nsw.gov.au.

Hawkesbury Companion Animal Shelter

Council has, for the past several years, provided an animal shelter establishment for the caring of impounded and unwanted dogs for Penrith and the Hills Shire Council areas, as well as its own.

The arrangement is performed under an agreement between Council and the participating councils, and provides for the housing and administration of impounded cats and dogs, rehoming of unwanted animals, and euthanasia of those animals that are unsuitable for rehoming.

The three councils work closely together and with animal welfare agencies, to ensure as many animals as possible are reunited with their owners or found foster or permanent homes, where the owners can't be found.

The companion animal controllers from Penrith and the Hills Shire Councils use the administration facilities at Council's animal shelter to complete documentation needed in the administration of the impounding processes and exchange ideas and methods of controlling companion animals in their respective council areas.

During 2013/2014, the Shelter and its staff in conjunction with a number of welfare agencies achieved rehoming rates of 80% for cats and 93% for dogs per month, for animals that were suitable for rehoming.

Hawkesbury Sister City Association – International Sister Cities

Council has two international sister cities, being Temple City, California USA (established 1984) and KyoTamba, Kyoto JAPAN (established 1988, nee Tamba).

The Sister City Program is managed by Council officers in conjunction with the Hawkesbury Sister City Association Inc.(Association) , which was established in 1984 by the then Hawkesbury Shire Council. The Association mainly undertakes the activities of the program, managing the community and cultural exchanges on behalf of Council. Council undertakes other activities of the program, managing Mayoral communications, civic exchanges and the like.

Council renewed its Sister City Program Policy on 10 July 2007 and at the same time formally delegated authority to the Hawkesbury Sister City Association, Inc. "...to promote, on the Council's behalf, international understanding at all levels of the local community on a continuing basis with Sister Cities as determined from time to time by the Association and Council, and to develop and conduct sporting, youth, cultural and other appropriate exchange programs in association with established Sister City relationships."

The Association undertakes student exchange visits on an annual basis and adult exchange visits on an on-demand basis. These exchange visits allows Hawkesbury residents to visit our sister cities to experience new cultures and for exchange students to live with sister cities families. Annual student exchange visits to the sister cities take place around September/October. Up to six high school students (e.g. Year 9 or Year 10) are selected to visit each sister city. Reciprocal student exchanges from sister cities visit the Hawkesbury area at the same time around July/August. Students and their families fund the exchange visits and the Association funds related exchange activities. Council provides a \$500 donation to each Hawkesbury exchange student to assist with travel expenses.

Since 1988, over 225 Hawkesbury exchange students have visited KyoTamba and about 85 Hawkesbury exchange students have visited Temple City.

Many lasting friendships have been formed between the students (and families) and adults who have participated in the cultural exchanges and between the Association's members who make the program a success program.

Council renewed its relationship with KyoTamba in February 2007 with the re-signing of the Sister City Agreement by Mayor of Hawkesbury, Councillor (Dr) Rex Stubbs and Mayor of KyoTamba Town, Shigeki Matsubara when visiting the Hawkesbury area.

On 24 February 2009, Council extended the Association's delegation to give authority "...to promote, on Council's behalf, understanding at all levels of the local community on a continuing basis with Sister Cities and/or City-Country Alliances as determined from time to time by the Association and Council, and to develop and conduct sporting, youth, cultural and other appropriate exchange programs in association with established Sister City relationships and/or City-Country Alliances." The extension of the delegation to include the City – Country Alliance partnerships was done to enable the Association to undertake exchanges with our country alliance councils and their communities, similar to those at the international level.

In 2010, Council recognised the 25th anniversary of the Sister Cities friendship with Temple City and its community, during a visit by the Temple City Sister City Association. In 2014, Council celebrates the 25th anniversary of the Sister Cities friendship with KyoTamba.

Mayors of Temple City and Kyotamba have visited the Hawkesbury area as part adult delegations from their cities in recent years.

In February 2014, the news of the death of Jean Peare, OAM, founding chairperson and life member of the Association was received. Jean's invaluable contribution to the success of the Sister City program over the last 30 years is acknowledged.

City - Country Alliances with Cabonne and Weddin Councils

Council has two City-Country Alliances, one with Cabonne Council and one with Weddin Council. The Alliances were created on 16 May 2007, when Council formally signed each Alliance Memorandum of Understandings (MOU) (after Council adopted the Alliance MOUs at its meeting on 11 December 2007). The MOUs state:

"Hawkesbury City Council and Cabonne Council

Hawkesbury City Council and Cabonne Council have this day signed a Memorandum of Understanding that will promote a greater awareness and understanding of our respective areas, lifestyles, to seek and explore areas of mutual benefit for our communities.

Under this agreement both Councils agree to act as facilitators within their local government areas to bring together local community groups and organisations in the sporting, education, business and cultural fields and to encourage them to participate in exchanges between the two areas that will lead to greater understanding and involvement between the two communities.

The Councils also agree to undertake activities that will benefit both Councils through the exchange of staff and the sharing of information on processes and procedures which may also lead to the formation of strategic alliances in areas of mutual interest.

The Councils trust that through this Memorandum of Understanding many lasting friendships will be formed and many activities undertaken to the long-term benefit and advantage of our respective communities."

The City-Country Alliance Program is managed by Council officers in conjunction with officers of Cabonne and Weddin Councils and program partners and interested community groups.

Alliance exchanges can include Councillor exchanges, Council corporate exchanges and community exchanges. Cabonne and Weddin councils participate in Council's show tent at the annual Hawkesbury Agricultural show as a tourism activity. The Mayor of Hawkesbury, Councillor Kim Ford, and the General Manager visited the Cabonne and Weddin areas in August 2013 and the Mayor also visited the Weddin area over a weekend in June 2014, at the invitation of the council to coincide with the Henry Lawson Festival, which is an annual event held in the area.

Hawkesbury Sister City Association Inc. is a partner of the City-Country program and its delegation was extended to include City-Country Alliance activities.

Stormwater Partnership

Council is part of a collaborative including the University of Western Sydney (UWS), Sydney Water and industrial groups which formulated a stormwater drainage reuse facility for a large catchment within Richmond. Council contributes to the ongoing operation and maintenance of the program which provides environmental improvement through the treatment of stormwater.

Council also partners UWS and industry groups in the Co-operative Research Centre (CRC) for irrigation futures. The CRC undertakes research into the provision of safe, potable water supplies including the provision of adequate water supplies to agriculture, environmental flows and recreation sites.

Lower Portland Ferry Service

The Lower Portland Ferry service provides a link across the Hawkesbury River at Lower Portland to service both the local and wider community.

Whilst the contract and operational costs are shared equally between Hawkesbury Council and The Hills Shire Council, the management of the service and day-to-day operation is the responsibility of Hawkesbury City Council.

A major overhaul of the ferry is required to be undertaken every three years, as a requirement of running a public passenger service.

A new three year contract for the operation of the Lower Portland Ferry has been awarded to Tono Ferry Services Pty Ltd.

The ferry operates between 5am - midnight, seven days per week.

Clause 217 (1) (a 9) Equal Employment Opportunities

Equal Employment Opportunity Management Plan

In line with Council's policy, the following activities were carried out during 2013/2014 to maintain and support the existing Equal Employment Opportunity (EEO) Management Plan:

- Ongoing monitoring of position descriptions and advertisements to ensure that only essential criteria showing inherent requirements of the position including work outside normal working hours, specific licences, special skills or experience are required.
- EEO Information including Operational Management Standards for EEO, Grievance Handling and Harassment Prevention included as part of the Induction Kit for all new staff.

Equal Employment Opportunity Policy Statement

Council is committed to ensuring a workplace free of discrimination and harassment. This commitment is based on the intention to ensure that Council complies with Equal Employment Opportunity Legislation by providing a work environment conducive to encouraging positive and productive working relationships between all employees.

Council will endeavour to ensure that no discrimination takes place in the application of all Council policies, practices and procedures and that all employees enjoy equal access to opportunities within the organisation. Employment decisions will be based on the individual merit of each applicant/employee.

Council is committed to achieving the following EEO objectives:

- To ensure all employees are treated fairly.
- To provide all employees with equal access to opportunities that will utilise or develop their skills.
- To keep all policies and procedures consistent with EEO principles.
- To support morale and motivation by increasing employee confidence in the fairness of our work practices and access to employment opportunities.
- To ensure achievement of our objectives through our EEO initiatives.
- All employees will have equal opportunity in the workplace based on merit, without favour or discrimination.

Clause 217 (1) (b) and (c) General Manager and Senior Staff Remuneration

There were four senior staff positions employed under contract by Council between 1 July 2013 and 30 June 2014. These positions were General Manager, Director Infrastructure Services, Director City Planning and Director Support Services. All senior staff follow the standard contract formats issued by the OLG and are subject to performance agreements.

Between 1 July 2013 and 30 June 2014 the General Manager's Total Remuneration Packages (TRP) was \$266,501 and the TRP's of the three Directors referred to above, totalled \$652,184.

The above TRPs include the following:

- Salary component of the package;
- Defined employers contribution to any superannuation scheme;
- The total value of non-cash benefits elected under the package (i.e. Council supplied vehicle); and
- FBT payable by Council for any non-cash benefits.

Clause 217 (1) (e) Annual charge for Stormwater management services

In 2013/2014 Council did not levy an annual charge for stormwater management services.

Clause 217 (1) (f) Activities relating to compliance with the Companion Animals Act and Regulations

During the financial year, Council completed and lodged all pound data collection returns with the OLG as required by the legislation, including data relating to dog attacks.

During this period, Council had an expenditure of \$864,524 and an income of \$720,378 which gives a net expense/loss to Council of \$144,146 for animal control in the 2013/2014 financial year. This represents a reduced expense/loss of \$118,764 from the previous financial year.

Council introduced a mandatory desexing program of all animals sold through the Hawkesbury Animal Shelter during the 2012/2013 financial year in an attempt to reduce the number of unwanted pets in our community as a result of accidental pregnancy. Council with the assistance of the Animal Welfare League and the Cat Society conducts reduced price desexing clinics throughout the year as well.

Council proudly continued to achieve an 80-93% rehoming rate of companion animals for 2013/2014. This achievement is only possible because of Council's dedicated staff, and the continued association with, and the help from, the animal welfare organisations in our local area, as well as the rest of NSW and other states within Australia.

Council provides three dog off- leash areas located at Pool Park, South Windsor, Yarramundi Reserve, Yarramundi and Peel Park, North Richmond.

The Companion Animals Fund money received by Council, has been used to offset the expenditure for companion animal management activities as stated above.

Other Statutory Reporting Requirements

Access to Government Held Information

Contact Arrangements

The Public may request access to Council's records under the Government Information (Public Access) Act 2009 (GIPA Act). Dependent upon the type of request some mandatory fees and copying charges (in accordance with Council's Fees and Charges) are payable under the GIPA Act.

Requests under the GIPA Act may be made by way of a Formal or Informal access to information requests. Formal access to information requests must be accompanied by a \$30 application fee. These requests are required in writing using Council forms (available on Council's website), or by directing a written request to:

The Right to Information Officer
Hawkesbury City Council
PO Box 146
WINDSOR NSW 2756

Further information is available on Council's website. Alternatively, enquiries may be directed to Council's Governance Section on (02) 4560 4444 during office hours Monday to Friday 8:30am to 5pm.

Access to Information

The Council takes great care to maintain and manage records that include Microfiche, Hard Copy Files/Documents and Electronic Records. Emphasising the importance of this, the Council employs dedicated staff to manage its records effectively.

Council's computerised records management system ensures that all records are well managed and retained over specified periods of time in accordance with the Local Government Act 1993 and State Records Act 1998. All Council's business documentation is entered into this system and distributed to the appropriate area for action, allowing the Council to respond faster to correspondence and requests. In addition, paper documentation is kept on site and at the NSW Government Records Repository at Kingswood.

On 1 July 2010 the Government Information (Public Access) Act 2009 (GIPA Act) replaced the Freedom of Information Act and section 12 of the Local Government Act 1993. In accordance with the new legislation, Council:

- Adopted an Access to Information Policy on 29 June 2010, which is currently under review. The objective of the policy is to describe Council's principles regarding public access to information and to facilitate the processing of requests for such access.
- Prepared and reviewed a Publications Guide which identifies, amongst other things, information held by Council and how to obtain that information.
- Revised its Privacy Management Plan in 2013, in accordance with the Privacy and Personal Information Protection Act 1998 (NSW) to protect the public from disclosure of personal information.

Policy for Access to Information

Introduction

In adopting an open file policy for access to information, Council recognises and promotes the public's right to broad ranging access to Council information and documents. Council encourages open and transparent governance and well informed community debate.

Proactive Release (No Charge)

In accordance with proactive release under the GIPA Act and Council's Publication Guide, the following Council documents are available for inspection at no charge:

- Code of conduct.
- Code of meeting practice.
- Annual Report.
- Annual financial reports.
- Auditor's report.
- Delivery Plans, Operational Plans and Resourcing Strategies.
- EEO management plan.
- Payment of expenses and provision of facilities to councillors policy.
- Land register.
- Register of investments.
- Returns of the interests of councillors, designated persons and delegates.
- Returns as to candidates' campaign donations.
- Agendas and business papers for Council and Committee meetings (but not including business papers for matters considered when part of a meeting is closed to the public).
- Minutes of Council and Committee meetings, but restricted (in the case of any part of the meeting that is closed to the public), to the resolutions and recommendations of the meeting.
- Any Codes referred to in the Local Government Act 1993.
- Register of delegations.
- Annual Reports of bodies exercising delegated Council functions.
- Applications under Part 1 of Chapter 7 of the Local Government Act 1993 for approval to erect a building, and associated documents, subject to restrictions outlined in the GIPA Act.
- Development applications (within the meaning of the Environmental Planning and Assessment Act 1979) and associated documents, subject to restrictions outlined in the GIPA Act.
- Local policies adopted by the Council concerning approvals and orders.
- Records of approvals granted, any variation from local policies with reasons for the variation, and decisions made on appeals concerning approvals.

- Plans of land proposed to be compulsorily acquired by the Council.

- The register of graffiti removal work kept in accordance with Section 67 C of the Local Government Act 1993.

Processing Applications for Access to Information

Access to documents other than those listed as freely available are provided in accordance with the GIPA Act. No fees are payable for viewing the documents under an informal access request, however copying charges may be applied.

Requests to view other documents will be considered in line with the following:

1. If granting public access is prohibited under relevant legislation; or
2. The General Manager or Public Officer (or other delegated staff member) believe granting access to a particular document is contrary to the public interest; or
3. Taking the result of any consultation process into account.

When requesting access to sensitive information, or a number of documents which would amount to an unreasonable diversion of Council resources, a formal access application is required and will attract an application fee, as well as processing charges of \$30 per hour. There are exceptions where only 50% of the fees will be charged, or in the case of requesting personal information – no charges will be applied for the first 20 hours of processing.

If access to a document or any information is restricted the customer will be given written reasons for the restriction, and the details for options of review.

Conclusion

This policy aims to meet the objective of open and transparent governance and encourages community input on matters before the Council. Privacy of the complainants is also recognised through denial of access where the release of information would compromise individual safety, constitutes an unreasonable disclosure of personal information or is contrary to public interest or consultation process.

Council has developed a Privacy Management Plan and Codes of Practice in accordance with the Privacy and Personal Information Protection Act 1998 (NSW) to protect the public from disclosure of personal information.

Comparison to 2012/2013 and 2011/2012

There were 30 Formal GIPA Applications were completed during 2013/2014, compared to 18 in 2012/2013 and seven in 2011/2012.

No ministerial directions for amendment of personal records were received in this period. However, there were three internal reviews and one ADT review during this period.

Impact of the Government Information (Public Access) Act (GIPA)

Council supports open government and has policies to maximise customer access to information through inspection and copying of documents, and conducting regular Council meetings which are open to the public.

The introduction of the GIPA legislation and the community's increased awareness of information being available has placed a greater resource commitment on the organisation's behalf in providing access to documents. With the increasing number of Formal Access Applications (listed above) impacting on Council's activities by increasing the amount of time Council commits to researching, compiling and providing the required documents. There were 791 Informal Access applications processed in 2013/2014, 733 during the 2012/2013 financial year, and 850 during the 2011/2012 year.

Council's policies and procedures are being reviewed to ensure consistency and provide guidelines to staff. This includes explaining the procedures involved in determining a request, and assisting the applicant in identifying the nature of the information being sought and providing an opportunity to narrow the scope of requests.

Section F

There were no enquiries or appeals involving the Ombudsman.

Section G

Council at its meeting on 12 November 2013 adopted a revised Privacy Management Plan, in accordance with the Privacy and Personal Information Protection Act 1998.

One internal review was lodged with Council in 2013/2014 under Part 5 of the Privacy and Personal Information Protection Act 1998, compared with zero the previous year.

Planning Agreements

No Planning Agreements were in force during the reporting period.

Public Interest Disclosures Act 1994 and Regulation

Council at its meeting on 12 November 2013, adopted a revised Internal reporting policy (Public Disclosures Act). One public Interest disclosure was received during 2013/2014.

Swimming Pool Inspections

Council was not required to carry out any inspections under Section 22F of the Swimming Pools Act 1992 for the 2013/2014 period. The mandatory inspection program will be adopted and will commence in 2014/15.

Carers Recognition Act 2012

Council has been assessed as a human service agency under the Common Care Standards Review process by Department of Health and Ageing. All service provision, assessment and referral processes were deemed to be compliant against all relevant Acts, including the Carers Recognition Act 2010.
