QUESTIONS FOR NEXT MEETING

Councillor Questions from Previous Meetings and Responses - (79351)

Responses to Questions in relation to previous Questions for Next Meeting were provided and discussed.

Councillor Porter indicated that Question 5 from the Ordinary Meeting of 12 May 2016 was incorrect. The Acting General Manager indicated that he had listened to the recording of the meeting and the question in the Business Paper is very similar, however noted that the words "detached dual occupancy" were missing from the question, as it appeared in the Business Paper and if those words were included and changed the meaning of the question, a new answer would be required.

Following discussion on this matter, the Deputy Mayor called for an adjournment.

The meeting was adjourned at 8:56pm.

The meeting resumed at 9:08pm.

Upon resumption of the meeting, the Deputy Mayor suggested that Question 5 be re-written and answered at another time. A corrected Question 5 from the Ordinary Meeting of 12 May 2016 and an appropriate answer will be provided in the Business Paper of the next Ordinary Meeting, scheduled for 31 May 2016.

MATTER OF URGENCY

Councillor Porter then sought to move a motion regarding detached dual occupancy. Councillor Porter outlined details of the proposed motion. The Deputy Mayor suggested that for the motion to be accepted, it would need to be considered as a Matter of Urgency. There being no such urgency motion, the Deputy Mayor subsequently indicated that the matter not be dealt with as a Matter of Urgency under Clause 2.2.3(3)b) of Council's Code of Meeting Practice.
