Library access

What is StoryBox Library?

Storybox Library is created for children to view stories by local authors and illustrators, being read aloud by fantastic Australian and New Zealand storytellers.

Listening to books read aloud vastly improves a child's language and literacy skills, especially during their early years. Storybox Library is designed to promote this development.

Children will love hearing their favourite books read by their favourite Aussie icons, including Noni Hazelhurst, Kate Ritchie and Cal Wilson.

What can I use it for?

Storybox Library can be used for education or entertainment—for developing language and literacy skills or as a bedtime story. Storybox Library is a great tool for connecting children with literature and fostering a lifelong love of books and reading.

To get started, go to the following web address, click on 'Storybox Library' and enter your card number for free access:
