## GROUND CLOSURE / WET WEATHER CONTACT PERSON

<b>NAME</b>	
<b>Home</b>	<b>Business</b>
<b>Telephone:- Fax</b>	<b>Mobile</b>
<b>Signature</b>	<b>Date</b>

I \_\_\_\_\_ as RESPONSIBLE REPRESENTATIVE OF THE ABOVE CLUB / ASSOCIATION am aware of our responsibilities in relation to our use of active playing fields and facilities under the control of the Hawkesbury Sports Council.

**Note:-** The wet weather contact person must be contactable after hours. A daytime only phone number is neither suitable nor acceptable for this purpose as the Hawkesbury Sports Council reserve the right to close grounds on short notice if weather conditions or unforeseen circumstances dictate such action. These closures must be adhered to.

Although Hawkesbury Sports Council will generally keep grounds open if there is some doubt about future weather conditions, hirers are expected to make their own assessment if conditions warrant, and choose not to play if there is a significant chance of damage to the grounds surface or injury to players or participants.

Any hirer using grounds whilst wet will be held liable for the full cost of repairs any any insurance claims resulting from such use.

Clubs should obtain a "wet weather contact number" for their members / visitors and advise Hawkesbury Sports Council of any ground closures to reduce the number of enquiries the office receives during inclement weather.

Ground closures can be accessed from the following website:-
