

ACCESSING ANCESTRY BY REMOTE ACCESS

Go to the Library website <https://www.hawkesbury.nsw.gov.au/library> and click on Library catalogue on the top right-hand side, or just go to <https://aurora.hawkesbury.nsw.gov.au/library/>

Login using your library card number (which appears on your library card under the barcode) and then your Password. Your password is usually 4 digits and is your birthday. If you were born 8 May, your password/pin will be 0805

Click on the word Ancestry on the top green toolbar.

It will then take you to the Ancestry Library website and where you can access Ancestry Library remotely.

Note you cannot create family trees with this subscription, contact tree owners, access Extras or DNA. These are only available with a paid subscription.
