## Explanatory Note – Voluntary Planning Agreement

Lots 37 DP 271171 – 14 Angophora Place, Kurmond NSW

**This Explanatory Note has been prepared in accordance with clause 205 of *Environmental Planning and Assessment Regulation 2021* (the Regulation).**

The purpose of this Explanatory Note is to provide a plain English summary to support the notification, in accordance with section 7.5 of the *Environmental Planning and Assessment Act 1979* (the Act), of a Draft Voluntary Planning Agreement (VPA) under section 7.4 of the Act.

This Explanatory Note is not to be used to assist in construing the VPA.

### The Parties

The Parties subject to this VPA are as follows:

Hawkesbury City Council (ABN 54 659 038 834) ('Council')

Cannonvale No.1 Pty Ltd (ABN 28 144 699 187) (known as 'the Developer')

### Description of Subject Land

This VPA applies to Lot 37 DP271171, 14 Angophora Place, Kurmond NSW.

### Summary of objectives, nature and effect of the Planning Agreement

The VPA is complementary to a development application for the subdivision of the site into not more than 7 residential lots, enabled by the Hawkesbury Local Environmental Plan 2012 (Amendment No 31).

The objective, nature and effect of the Draft VPA is for the Developer to provide Council with a cash contribution of \$35,000 for each vacant Housing lot created. This amount is to be paid and is subject to consumer price index adjustment as per clause 4 of the VPA. It is anticipated that contributions collected by Council will be expended on local and district infrastructure and facilities such as, but not necessarily limited to, cycleways, bus shelters, landscape and park embellishments and local road improvements to serve the needs of the community as a consequence of the development.

The agreement will only operate if and when Council grants development approval(s) to the proposed development of the site. The agreement excludes the application of section 7.12 and section 7.11 of the Act to the proposed development of the site.

### Assessment of the merits of the Planning Agreement

The merits of the VPA are that it will provide Council with cash contributions to provide local and district infrastructure and facilities which are required by the community as a consequence of the development.

The VPA will have a positive impact on the public in that it will enable the provision of local and district infrastructure and facilities and for the orderly and economic development of the subject land.

## **How does the Planning Agreement promote the public interest and one or more of the objects of the Act?**

The VPA promotes the public interest by ensuring that cash contributions are made for the provision of local and district infrastructure and facilities which are required by the community as a consequence of the development.

The VPA promotes the following objectives of Clause 1.3 of the Act through the provision of cash contributions to be used for the provision of local and district infrastructure and facilities:

- (a) to promote the social and economic welfare of the community and a better environment by the proper management, development and conservation of the State's natural and other resources,
- (c) to promote the orderly and economic use and development of land,
- (i) to promote the sharing of the responsibility for environmental planning and assessment between the different levels of government in the State,
- (j) to provide increased opportunity for community participation in environmental planning and assessment.

## **How does the Planning Agreement promote the objects of the Local Government Act 1993?**

By requiring the payment of cash contributions, the VPA provides Council with the ability to provide local and district infrastructure and facilities appropriate to the needs of required from the development and also provides Council with a role in the management, improvement and development of resources in the area.

In this way, the VPA promotes the purposes set out in section 7(e) of the *Local Government Act 1993*.

## **How does the Planning Agreement promote the Principles for local government under Chapter 3 of the Local Government Act 1993?**

The VPA makes provisions for Council to receive cash contributions that can be used for the provision of local and district infrastructure and facilities, hence the VPA promotes the following elements of principles for local government under Chapter 3 Sections 8A and 8B of the *Local Government Act 1993*:

- 8A (1) (f) Councils should manage lands and other assets so that current and future local community needs can be met in an affordable way
- 8A (1) (g) Councils should work with others to secure appropriate services for local community needs
- 8A (1) (h) Councils should act fairly, ethically and without bias in the interests of the local community
- 8A (2) (b) Councils should consider social justice principles
- 8A (2) (c) Councils should consider the long term and cumulative effects of actions on future generations
- 8B (d) Councils should have regard to achieving intergenerational equity, including ensuring the following: (i) policy decisions are made after considering their financial effects on future generations.

## **What are the planning purposes served by the Planning Agreement?**

The planning purpose of the VPA is to enable the collection of contributions that can be used for the delivery of local and district infrastructure and facilities required as a result of the proposed development.

The agreement will only operate if and when Council grants development approval(s) to the proposed development of the subject site. If the proposed development does occur then the planning purpose will be achieved. If the proposed development does not occur the planning purpose will not be achieved nor will it be required.

## **Does the Planning Agreement conform with Council's Capital Works Program?**

It is anticipated that the contributions collected will be used to provide local and district infrastructure and facilities that are supplementary and consistent with Council's current capital works program.

## **Does the agreement specify certain requirements of the agreement must be complied with before a construction certificate, occupation certificate or subdivision certificate is issued?**

Yes, the monetary contribution is required to be paid for each lot, prior to the issue of the subdivision certificate for the respective lots.
