Hawkesbury City Council

GENERAL PURPOSE FINANCIAL REPORT
for the year ended 30 June 2008

*"Lifestyle, Environment, Access and
Opportunity @ Hawkesbury"*

Hawkesbury City Council

General Purpose Financial Report for the financial year ended 30 June 2008

Contents	Page
1. Statement by Councillors & Management	2
2. Primary Financial Statements:	
- Income Statement	3
- Balance Sheet	4
- Statement of Changes in Equity	5
- Cash Flow Statement	6
3. Notes to the Financial Statements	7
4. Independent Auditor's Reports:	
- On the Financial Report (Sect 417 [2])	75
- On the Conduct of the Audit (Sect 417 [3])	76

Overview

- (i) This Financial Report covers the consolidated operations for Hawkesbury City Council.
- (ii) Hawkesbury City Council is a body corporate of NSW, Australia - being constituted as a Local Government area by proclamation and is duly empowered by the Local Government Act (LGA) 1993 of NSW.

Council's Statutory Charter is specified in Section 8 of the LGA and includes;

- carrying out activities and providing goods, services & facilities appropriate to the current & future needs of the Local community and of the wider public
- responsibility for administering regulatory requirements under the LGA and other applicable legislation, &
- a role in the management, improvement and development of the resources of the local government area.

A description of nature of Council's operations and its principal activities are provided in Note 2(b).

- (iii) All figures presented in this Financial Report represent Australian Currency.
- (iv) This Financial Report was authorised for issue by the Council on 09/09/2008.
Council has the power to amend and reissue the financial report.

HAWKESBURY CITY COUNCIL

General Purpose Financial Report FOR THE YEAR ENDED 30 June 2008

STATEMENT BY COUNCILLORS AND MANAGEMENT MADE PURSUANT TO SECTION 413 (2) (c) OF THE LOCAL GOVERNMENT ACT 1993 (as amended)

The attached Annual Financial Statements have been drawn up in accordance with:

- The Local Government Act 1993 (as amended) and the Regulations made there under
- The Australian Accounting Standards and professional pronouncements
- The Local Government Code of Accounting Practice and Financial Reporting

To the best of our knowledge and belief, these reports

- Present fairly the Council's financial position and operating result for the year, and
- Accords with Council's accounting and other records.

We are not aware of any matter that would render the reports false or misleading in any way.

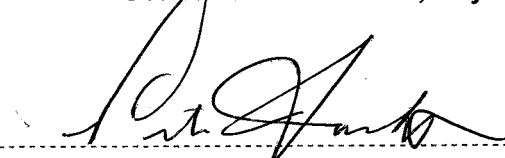

Signed in accordance with a resolution of Council made on 9 September 2008

Councillor Bart Bassett, Mayor

Councillor Ted Books, Deputy Mayor

Peter Jackson, General Manager

Rob Stalley, Responsible Accounting Officer

Hawkesbury City Council

Hawkesbury City Council

Notes to the Financial Statements

for the financial year ended 30 June 2008

Note 1. Summary of Significant Accounting Policies

The principal accounting policies adopted by Council in the preparation of this financial report are set out below in order to assist in its general understanding.

- different requirements on (a) Impairment of Assets relating to Not-For-Profit AASB 136 (IAS 36) and (b) IAS 116 (IAS 16) regarding accounting for the Revaluation of Assets.

Under Australian Equivalents to International Financial Reporting Standards (AIFRS), accounting policies are defined as those specific principles, bases, conventions, rules and practices applied by a reporting entity (in this case Council) in preparing and presenting its financial reports.

(a) Basis of preparation

(i) Background

This financial report is a general purpose financial report which has been prepared in accordance with;

- applicable Australian equivalents to International Financial Reporting Standards (AIFRSs),
- other authoritative pronouncements of the Australian Accounting Standards Board,
- Urgent Issues Group Interpretations,
- the Local Government Act (1993) and Regulations and
- the Local Government Code of Accounting Practice and Financial Reporting.

(ii) Compliance with International Financial Reporting Standards (IFRSs)

Australian Accounting Standards (AASB's) include Australian equivalents to International Financial Reporting Standards (IFRS's).

Because AASB's are sector neutral, some standards either (i) have local Australian content and prescription that is specific to the Not-For-Profit sector (including Local Government) which are not in compliance with IFRS's or (ii) specifically exclude application by Not-for-Profit entities.

Examples include;

- excluding Local Government from applying AASB 120 (IAS 20) for Grant Accounting and AASB 118 (IAS 18) for Segment Reporting, &

Accordingly in preparing this Financial Report and Accompanying Notes, Council has been unable to comply fully with International Accounting Standards, but has complied fully with Australian Accounting Standards.

Under the Local Government Act, Regulations and Local Government Code of Accounting Practice & Financial Reporting, it should be noted that Councils in NSW only have a requirement to comply with Australian Accounting Standards.

(iii) Application of AAS 27

Council is required to comply with AAS 27 – "Financial Reporting by Local Government", and where AAS 27 conflicts with AIFRS, the requirements of AAS 27 have been applied.

Where AAS 27 makes reference to another Australian accounting standard, the new Australian IFRS equivalent standards will apply and in particular any specific "not for profit" reporting requirements.

(iv) Basis of Accounting

These financial statements have been prepared on an **historical cost basis** except for (i) financial assets and liabilities at fair value through profit or loss, available-for-sale financial assets and investment properties which are all valued at fair value, (ii) the write down of any Asset on the basis of Impairment (if warranted) and (iii) certain classes of Infrastructure, Property, Plant & Equipment.

The accrual basis of accounting has also been applied in their preparation.

(v) Changes in Accounting Policies

Council's accounting policies have been consistently applied to all the years presented, unless otherwise stated.

Hawkesbury City Council

Notes to the Financial Statements

for the financial year ended 30 June 2008

Note 1. Summary of Significant Accounting Policies (continued)

Unless otherwise stated, there have also been no changes in accounting policies when compared with previous financial reports.

(vi) Critical Accounting Estimates

The preparation of this financial report (and financial statements) in conformity with AIFRS requires the use of certain critical accounting estimates.

It also requires management to exercise its judgement in the process of applying the Council's accounting policies.

(b) Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable.

Revenue is measured on major income categories as follows:

Rates, Annual Charges, Grants and Contributions

Rates, annual charges, grants and contributions (including developer contributions) are recognised as revenues when the Council obtains control over the assets comprising these receipts.

Control over assets acquired from rates and annual charges is obtained at the commencement of the rating year as it is an enforceable debt linked to the rateable property or, where earlier, upon receipt of the rates.

A provision for doubtful debts on rates has not been established as unpaid rates represent a charge against the rateable property that will be recovered when the property is next sold.

Control over granted assets is normally obtained upon their receipt (or acquittal) or upon earlier notification that a grant has been secured, and is valued at their fair value at the date of transfer.

Income from Contributions is recognised when the Council either obtains control of the contribution or the right to receive it, and (i) it is probable that the economic benefits comprising the contribution will

flow to the Council and (ii) the amount of the contribution can be measured reliably.

Where grants or contributions recognised as revenues during the financial year were obtained on condition that they be expended in a particular manner or used over a particular period and those conditions were undischarged at balance date, the unused grant or contribution is disclosed in Note 3(g).

Note 3(g) also discloses the amount of unused grant or contribution from prior years that was expended on Council's operations during the current year.

The Council has obligations to provide facilities from contributions required from developers under the provisions of S94 of the EPA Act 1991.

Whilst Council generally incorporates these amounts as part of A Development Consents Orders, such developer contributions are only recognised as income upon their physical receipt by Council, due to the possibility that individual Development Consents may not be acted upon by the applicant or payable to Council.

Developer contributions may only be expended for the purposes for which the contributions were required but the Council may apply contributions according to the priorities established in work schedules.

A detailed Note relating to developer contributions can be found at Note 17.

User Charges, Fees and Other Income

User charges, fees and other income (including parking fees and fines) are recognised as revenue when the service has been provided, the payment is received, or when the penalty has been applied, whichever first occurs.

A provision for doubtful debt is recognised when collection in full is no longer probable.

A liability is recognised in respect of revenue that is reciprocal in nature to the extent that the requisite service has not been provided as at balance date.

Hawkesbury City Council

Notes to the Financial Statements

for the financial year ended 30 June 2008

Note 1. Summary of Significant Accounting Policies (continued)

Sale of Infrastructure, Property, Plant and Equipment

The profit or loss on sale of an asset is determined when control of the asset has irrevocably passed to the buyer.

The following entities have been included as part of the Consolidated fund:

- General Purpose Operations
- Sewerage Fund
- Hawkesbury Leisure Centre
- Hawkesbury Sports Council Incorporated

Interest and Rents

Rents are recognised as revenue on a proportional basis when the payment is due, the value of the payment is notified, or the payment is received, whichever first occurs.

Interest Income from Cash & Investments is accounted for using the Effective Interest method in accordance with AASB 139.

(ii) The Trust Fund

In accordance with the provisions of Section 411 of the Local Government Act 1993 (as amended), a separate and distinct Trust Fund is maintained to account for all money and property received by the Council in trust which must be applied only for the purposes of or in accordance with the trusts relating to those monies.

Trust monies and property subject to Council's control have been included in these reports.

Trust monies and property held by Council but not subject to the control of Council, have been excluded from these reports.

A separate statement of monies held in the Trust Fund is available for inspection at the Council office by any person free of charge.

(c) Principles of Consolidation

These Financial Reports incorporate (i) the assets and liabilities of Council and any entities (or operations) that it **controls** (as at 30/6/08) and (ii) all the related operating results (for the financial year ended the 30th June 2008).

The Financial Reports also include Council's share of the assets, liabilities, income and expenses of any **Jointly Controlled Operations** under the appropriate headings.

In the process of reporting on Council's activities as a single unit, all inter-entity year end balances and reporting period transactions have been eliminated in full between Council and its controlled entities.

(i) The Consolidated Fund

In accordance with the provisions of Section 409(1) of the LGA 1993, all money and property received by Council is held in the Council's Consolidated Fund unless it is required to be held in the Council's Trust Fund.

The consolidated fund and other entities through which the Council controls resources to carry on its functions have been included in the financial statements forming part of this report.

(iii) Joint Venture Entities

Jointly Controlled Assets

The proportionate interests in the assets, liabilities and expenses of a Joint Venture Activity have been incorporated in the financial statements under the appropriate headings.

Jointly Controlled Entities

The interest in a Joint Venture Partnership is accounted for using the equity method and is carried at cost.

Under the equity method, the share of the profits or losses of the partnership is recognised in the income statement, and the share of movements in reserves is recognised in reserves in the balance sheet.

Hawkesbury City Council

Notes to the Financial Statements

for the financial year ended 30 June 2008

Note 1. Summary of Significant Accounting Policies (continued)

Details relating to such Entities and Partnerships (where applicable) are set out in Note 19.

(iv) Associated Entities

Where Council has the power to participate in the financial and operating decisions (of another entity), ie. where Council is deemed to have "significantly influence" over the other entities operations but neither controls nor jointly controls the entity, then Council accounts for such interests using the Equity Method of Accounting – in a similar fashion to Joint Venture Entities.

Such entities are usually termed "Associates".

(v) County Councils

Council is a member of the following County Councils (which are bodies corporate under the Local Government Act);

- **Hawkesbury River County Council**
Control of noxious weeds, with 4 member Councils

The governing body of each County Council is responsible for managing its own affairs.

Council is of the opinion that it neither controls nor significantly influences the above County Councils and accordingly these entities have not been consolidated or otherwise included within these Financial Reports.

(vi) Additional Information

Note 19 provides more information in relation to Joint Venture Entities, Associated Entities and Joint Venture Operations where applicable.

(d) Leases

All Leases entered into by Council are reviewed and classified on inception date as either Finance or Operating Leases.

Finance Leases

Leases of property, plant and equipment where the Council has substantially all the risks and rewards of ownership are classified as finance leases.

Finance leases are capitalised at the lease's inception at the lower of the fair value of the leased property and the present value of the minimum lease payments.

The corresponding rental obligations, net of finance charges, are included in other long term payables.

Each lease payment is allocated between the liability and finance charges so as to achieve a constant rate on the finance balance outstanding.

The interest element of the finance cost is charged to the income statement over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Property, plant and equipment acquired under finance leases are depreciated over the shorter of each leased asset's useful life and the lease term.

Operating Leases

Leases in which a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases.

Payments made under operating leases (net of any incentives received from the lessor) are charged to the income statement on a straight-line basis over the period of the lease.

Lease income from operating leases is recognised in income on a straight-line basis over the lease term.

(e) Cash and Cash Equivalents

Cash and cash equivalents includes;

- cash on hand,
- deposits held **at call** with financial institutions,

Hawkesbury City Council

Notes to the Financial Statements

for the financial year ended 30 June 2008

Note 1. Summary of Significant Accounting Policies (continued)

- other short-term, highly liquid investments with **original maturities of three months or less** that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and

- bank overdrafts.

Bank overdrafts are shown within borrowings in current liabilities on the balance sheet.

(f) Investments and Other Financial Assets

Council (in accordance with AASB 139) classifies each of its investments into one of the following categories for measurement purposes:

- **financial assets at fair value through profit or loss,**
- **loans and receivables,**
- **held-to-maturity investments,** and
- **available-for-sale financial assets.**

Each classification depends on the purpose/intention for which the investment was acquired.

Management determines each investment classification at the time of initial recognition and re-evaluates this designation at each reporting date.

(i) Financial assets at fair value through profit or loss

Financial assets at fair value through profit or loss are financial assets held for trading.

A financial asset is classified in this category if acquired principally for the purpose of selling in the short term.

Derivatives are classified as held for trading unless they are designated as hedges.

Assets in this category are classified as current assets as they are primarily held for trading &/or are expected to be realised within 12 months of the balance sheet date.

(ii) Loans and receivables

Loans and receivables are non derivative financial assets with fixed or determinable payments that are not quoted in an active market.

They arise when the Council provides money, goods or services directly to a debtor with no intention (or in some cases ability) of selling the resulting receivable.

They are included in current assets, except for those with maturities greater than 12 months after the balance sheet date, which are classified as non-current assets.

(iii) Held-to-maturity investments

Held-to-maturity investments are non-derivative financial assets with fixed or determinable payments and fixed maturities that the Council's management has the positive intention and ability to hold to maturity.

In contrast to the "Loans & Receivables" classification, these investments are generally quoted in an active market.

Held-to-maturity financial assets are included in non-current assets, except for those with maturities less than 12 months from the reporting date, which are classified as current assets.

(iv) Available-for-sale financial assets

Available-for-sale financial assets are non-derivatives that are either designated in this category or not classified in any of the other categories.

Investments are designated as available-for-sale if they do not have fixed maturities and fixed or determinable payments and management intends to hold them for the medium to long term.

Accordingly, this classification principally comprises marketable equity securities.

They are generally included in non-current assets unless management intends to dispose of the investment within 12 months of the balance sheet date or the term to maturity from the reporting date is less than 12 months.

Hawkesbury City Council

Notes to the Financial Statements

for the financial year ended 30 June 2008

Note 1. Summary of Significant Accounting Policies (continued)

General Accounting & Measurement of Financial Instruments:**(i) Initial Recognition**

Investments are initially recognised (and measured) at fair value, plus in the case of investments not at "fair value through profit or loss", directly attributable transactions costs

Purchases and sales of investments are recognised on trade-date - the date on which the Council commits to purchase or sell the asset.

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Council has transferred substantially all the risks and rewards of ownership.

(ii) Subsequent Measurement

Available-for-sale financial assets and financial assets at fair value through profit and loss are subsequently carried at fair value.

Loans and receivables and held-to-maturity investments are carried at amortised cost using the effective interest method.

Realised and unrealised gains and losses arising from changes in the fair value of the financial assets classified as "fair value through profit or loss" category are included in the income statement in the period in which they arise.

Unrealised gains and losses arising from changes in the fair value of non monetary securities classified as available-for-sale are recognised in equity in the available-for-sale investments revaluation reserve.

When securities classified as available-for-sale are sold or impaired, the accumulated fair value adjustments are included in the income statement as gains and losses from investment securities.

The fair values of quoted investments are based on current bid prices. If the market for a financial asset is not active (and for unlisted securities), the Council establishes fair value by using valuation techniques.

These include reference to the fair values of recent arm's length transactions, involving the same instruments or other instruments that are substantially the same, discounted cash flow analysis, and option pricing models refined to reflect the issuer's specific circumstances.

Council assesses at each balance date whether there is objective evidence that a financial asset or group of financial assets is impaired.

In the case of equity securities classified as available-for-sale, a significant or prolonged decline in the fair value of a security below its cost is considered in determining whether the security is impaired.

If any such evidence exists for available-for-sale financial assets, the cumulative loss - measured as the difference between the acquisition cost and the current fair value, less any impairment loss on that financial asset previously recognised in profit and loss - is removed from equity and recognised in the income statement.

Impairment losses recognised in the income statement on equity instruments are not reversed through the income statement.

(iii) Types of Investments

Council has an approved Investment Policy in order to undertake its investment of money in accordance with Section 625 of the Local Government Act and S212 of the LG (General) Regulations 2005.

Investments are placed and managed in accordance with the Policy and having particular regard to authorised investments prescribed under the Local Government Investment Order.

Council maintains its investment Policy in compliance with the Act and ensures that it or its representatives exercise care, diligence and skill that a prudent person would exercise in investing council funds.

(g) Fair value estimation

The fair value of financial assets and financial liabilities must be estimated for recognition and measurement or for disclosure purposes.

Hawkesbury City Council

Notes to the Financial Statements

for the financial year ended 30 June 2008

Note 1. Summary of Significant Accounting Policies (continued)

The fair value of financial instruments traded in active markets is based on quoted market prices at the balance sheet date.

The fair value of financial instruments that are not traded in an active market is determined using valuation techniques.

Council uses a variety of methods and makes assumptions that are based on market conditions existing at each balance date.

Quoted market prices or dealer quotes for similar instruments are used for long-term debt instruments held.

Other techniques, such as estimated discounted cash flows, are used to determine fair value for the remaining financial instruments.

The nominal value less estimated credit adjustments of trade receivables and payables are assumed to approximate their fair values.

The fair value of financial liabilities for disclosure purposes is estimated by discounting the future contractual cash flows at the current market interest rate that is available to the Council for similar financial instruments.

(h) Receivables

Receivables are initially recognised at fair value and subsequently measured at amortised cost, less provision for doubtful debts.

Receivables (excluding Rates & Annual Charges) are generally due for settlement no more than 30 days from the date of recognition.

The collectibility of receivables is reviewed on an ongoing basis. Debts that are known to be uncollectible are written off in accordance with Council's policy.

A provision for doubtful receivables is established when there is objective evidence that the Council will not be able to collect all amounts due according to the original terms of each receivable.

The amount of the provision is the difference between the asset's carrying amount and the

present value of estimated future cash flows, discounted at the effective interest rate.

(i) Inventories

Raw Materials and Stores, Work in Progress and Finished Goods

Raw materials and stores, work in progress and finished goods in respect of business undertakings are all stated at the lower of cost and net realisable value.

Cost comprises direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenditure, the latter being allocated on the basis of normal operating capacity.

Costs are assigned to individual items of inventory on the basis of weighted average costs.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Inventories held in respect of non-business undertakings have been valued at cost subject to adjustment for loss of service potential.

Land Held for Resale/Capitalisation of Borrowing Costs

Land held for resale is stated at the lower of cost and net realisable value.

Cost is assigned by specific identification and includes the cost of acquisition, and development and borrowing costs during development.

When development is completed borrowing costs and other holding charges are expensed as incurred.

Borrowing costs included in the cost of land held for resale are those costs that would have been avoided if the expenditure on the acquisition and development of the land had not been made.

Borrowing costs incurred while active development is interrupted for extended periods are recognised as expenses.

Hawkesbury City Council

Notes to the Financial Statements

for the financial year ended 30 June 2008

Note 1. Summary of Significant Accounting Policies (continued)

(j) Infrastructure, property, plant and Equipment (I,PP&E)**Acquisition of assets**

Council's non current assets are being progressively revalued to fair value in accordance with a staged implementation as advised by the Department of Local Government.

At balance date, the following classes of I,PP&E were stated at their Fair Value;

- **Investment Properties** which are valued at Fair Value – refer Note 1(k), and
- **Water and Sewerage Networks** which are carried at Fair Value (generally based upon Depreciated Replacement Cost).
- **Operational Land** (External Valuation)
- **Buildings – Specialised/Non Specialised** (External Valuation)
- **Plant and Equipment** (as approximated by depreciated historical cost)

The remaining asset classes to be revalued in future reporting periods include;

- **2008/09:** Roads, bridges, footpaths and drainage, land improvements, other structures and other assets
- **2009/10:** Community land

Until these designated future reporting periods, the above asset classes are stated at cost (or deemed cost) less accumulated depreciation and any accumulated impairment losses.

Initial Recognition

On initial recognition, an assets cost is measured at its fair value, plus all expenditure that is directly attributable to the acquisition.

Where settlement of any part of an assets cash consideration is deferred, the amounts payable in the future are discounted to their present value as at the date of recognition to arrive at fair value.

The discount rate used is the Council's incremental borrowing rate, being the rate at which a similar borrowing could be obtained from an independent financier under comparable terms and conditions.

Where infrastructure, property, plant and equipment assets are acquired for no cost or for an amount other than cost, the assets are recognised in the financial report at their fair value at acquisition date - being the amount that the asset could have been exchanged between knowledgeable willing parties in an arm's length transaction.

Subsequent costs

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to Council and the cost of the item can be measured reliably.

All other repairs and maintenance are charged to the income statement during the financial period in which they are incurred.

Asset Revaluations

In accounting for Asset Revaluations relating to Infrastructure, Property, Plant & Equipment:

- Increases in the carrying amounts arising on revaluation are credited to the asset revaluation reserve.
- To the extent that the increase reverses a decrease previously recognising profit or loss, the increase is first recognised in profit or loss.
- Decreases that reverse previous increases of the same asset are first charged against revaluation reserves directly in equity to the extent of the remaining reserve attributable to the asset, with all other decreases charged to the Income statement.

Hawkesbury City Council

Notes to the Financial Statements

for the financial year ended 30 June 2008

Note 1. Summary of Significant Accounting Policies (continued)

Capitalisation Thresholds

Items of infrastructure, property, plant and equipment are not capitalised unless their cost of acquisition exceeds the following;

Land

- council land	100% Capitalised
- open space	100% Capitalised
- land under roads	100% Capitalised

Plant & Equipment

Office Furniture	> \$1,000
Office Equipment	> \$1,000
Other Plant & Equipment	> \$1,000

Buildings & Land Improvements

Park Furniture & Equipment	> \$1,000
----------------------------	-----------

Building

- construction/extensions	> \$1,000
- renovations	> \$1,000

Other Structures	> \$1,000
------------------	-----------

Water & Sewer Assets

Reticulation extensions	> \$1,000
Other	> \$1,000

Stormwater Assets

Drains & Culverts	> \$1,000
Other	> \$1,000

Transport Assets

Road construction & reconstruction	> \$1,000
Reseal/Re-sheet & major repairs:	> \$1,000

Bridge construction & reconstruction	> \$1,000
--------------------------------------	-----------

Depreciation

Depreciation on Councils infrastructure, property, plant and equipment assets is calculated using the straight line method in order to allocate an assets

cost (net of their residual values) over its estimated useful life.

Land is not depreciated.

The range of estimated useful lives for Councils assets include:

Plant & Equipment

- Office Equipment	5 to 10 years
- Office furniture	10 to 20 years
- Computer Equipment	4 years
- Vehicles	5 to 8 years
- Heavy Plant/Road Making equip.	5 to 8 years
- Other plant and equipment	5 to 15 years

Other Equipment

- Playground equipment	5 to 15 years
- Benches, seats etc	10 to 20 years

Buildings

- Buildings	50 to 100 years
-------------	-----------------

Stormwater Drainage

- Drains	80 to 100 years
- Culverts	50 to 80 years

Transportation Assets

- Sealed Roads: Surface	20 years
- Sealed Roads: Structure	20 years
- Bridge: Concrete	100 years
- Bridge: Other	50 years
- Road Pavements	60 years
- Kerb, Gutter & Paths	40 years

Water & Sewer Assets

- Reticulation pipes: PVC	80 years
- Reticulation pipes: Other	25 to 75 years
- Pumps and telemetry	15 to 20 years

Other Infrastructure Assets

- Bulk earthworks	Infinite
-------------------	----------

Hawkesbury City Council

Notes to the Financial Statements

for the financial year ended 30 June 2008

Note 1. Summary of Significant Accounting Policies (continued)

All asset residual values and useful lives are reviewed, and adjusted if appropriate, at each balance sheet date.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount – refer Note 1 (p) on Asset Impairment.

Disposal and De-recognition

An item of property, plant and equipment is derecognised upon disposal or when no further future economic benefits are expected from its use or disposal.

Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in Council's Income Statement in the year the asset is derecognised.

(k) Intangible Assets

IT development and software

Costs incurred in developing products or systems and costs incurred in acquiring software and licenses that will contribute to future period financial benefits through revenue generation and/or cost reduction are capitalised to software and systems.

Costs capitalised include external direct costs of materials and service, direct payroll and payroll related costs of employees' time spent on the project.

Amortisation is calculated on a straight line bases over periods generally ranging from 3 to 5 years.

IT development costs include only those costs directly attributable to the development phase and are only recognised following completion of technical feasibility and where Council has an intention and ability to use the asset.

(l) Crown Reserves

Crown Reserves under Council's care and control are recognised as assets of the Council.

While ownership of the reserves remains with the Crown, Council retains operational control of the reserves and is responsible for their maintenance and use in accordance with the specific purposes to which the reserves are dedicated.

Improvements on Crown Reserves are also recorded as assets, while maintenance costs incurred by Council and revenues relating the reserves are recognised within Council's Income Statement.

A working party of interested representatives from both State and Local Government is being formed to consider the accounting issues related to the Crown Reserves, with the intention of developing a consistent approach to their recognition and future accounting treatment across both tiers of government.

(m) Rural Fire Service assets

Under section 119 of the Rural Fire Services Act 1997, *"all fire fighting equipment purchased or constructed wholly or from money to the credit of the Fund is to be vested in the council of the area for or on behalf of which the fire fighting equipment has been purchased or constructed"*.

At present, the accounting for such fire fighting equipment is not treated in a consistent manner across all Councils.

Until such time as discussions on this matter have concluded and the legislation changed, council will continue to account for these assets as it has been doing in previous years, which is to incorporate the assets, their values and depreciation charges within these Financial Reports.

(n) Investment property

Investment property comprises land &/or buildings that are principally held for long-term rental yields or capital gains (or both) and is not occupied by Council.

Investment property is carried at fair value, representing an open-market value determined by external valuers.

Hawkesbury City Council

Notes to the Financial Statements

for the financial year ended 30 June 2008

Note 1. Summary of Significant Accounting Policies (continued)

Annual changes in the fair value of Investment Properties are recorded in the Income Statement as part of "Other Income".

Full revaluations are carried out every three years with an appropriate index utilised each year in between the full revaluations.

(o) Land

Land in accordance with Part 2 of Chapter 6 of the Local Government Act (1993) is classified on purchase as either Operational or Community.

This classification of Land is disclosed in Note 9(a).

(p) Land under roads

Council has elected not to recognise land under roads in accordance with the deferral arrangements available to it under AASB 1045.

These deferral arrangements cease to apply as of 1 July 2008.

(q) Provisions for close down, restoration and for environmental clean up costs – including Tips and Quarries

Close down, Restoration and Remediation costs include the dismantling and demolition of infrastructure, the removal of residual materials and the remediation of disturbed areas.

Estimated close down and restoration costs are provided for in the accounting period when the obligation arising from the related disturbance occurs, whether this occurs during the development or during the operation phase, based on the net present value of estimated future costs.

Provisions for close down and restoration costs do not include any additional obligations which are expected to arise from future disturbance.

Costs are estimated on the basis of a closure plan.

The cost estimates are calculated annually during the life of the operation to reflect known developments, eg updated cost estimates and

revisions to the estimated lives of operations, and are subject to formal review at regular intervals.

Close down, Restoration and Remediation costs are a normal consequence of tip and quarry operations, and the majority of close down and restoration expenditure is incurred at the end of the life of the operations.

Although the ultimate cost to be incurred is uncertain, Council estimates the respective costs based on feasibility and engineering studies using current restoration standards and techniques.

The amortisation or 'unwinding' of the discount applied in establishing the net present value of provisions is charged to the income statement in each accounting period.

This amortisation of the discount is shown as a borrowing cost.

Other movements in the provisions for Close down, Restoration and Remediation costs including those resulting from new disturbance, updated cost estimates, changes to the estimated lives of operations and revisions to discount rates are capitalised within property, plant and equipment.

These costs are then depreciated over the lives of the assets to which they relate.

Where rehabilitation is conducted systematically over the life of the operation, rather than at the time of closure, provision is made for the estimated outstanding continuous rehabilitation work at each balance sheet date and the cost is charged to the income statement.

Provision is made for the estimated present value of the costs of environmental clean up obligations outstanding at the balance sheet date.

These costs are charged to the income statement.

Movements in the environmental clean up provisions are presented as an operating cost, except for the unwind of the discount which is shown as a borrowing cost.

Remediation procedures generally commence soon after the time the damage, remediation process and estimated remediation costs become known, but may continue for many years depending on the

Hawkesbury City Council

Notes to the Financial Statements

for the financial year ended 30 June 2008

Note 1. Summary of Significant Accounting Policies (continued)

nature of the disturbance and the remediation techniques.

As noted above, the ultimate cost of environmental remediation is uncertain and cost estimates can vary in response to many factors including changes to the relevant legal requirements, the emergence of new restoration techniques or experience at other locations.

The expected timing of expenditure can also change, for example in response to changes in quarry reserves or production rates.

As a result there could be significant adjustments to the provision for close down and restoration and environmental clean up, which would affect future financial results.

Specific Information relating to Councils provisions relating to Close Down, Restoration and Remediation costs can be found at Note 21.

(r) Non-current assets held for sale

Non-current assets are classified as held for sale and stated at the lower of their carrying amount and fair value less costs to sell if their carrying amount will be recovered principally through a sale transaction rather than through continuing use.

The exception to this is plant and motor vehicles which are turned over on a regular basis.

Plant and motor vehicles are retained in Non Current Assets under the classification of Infrastructure, Property, Plant and Equipment - unless the assets are to be traded in after 30 June and the replacement assets were already purchased and accounted for as at 30 June.

For any assets classified as "Non Current Assets Held for Sale", an impairment loss is recognised where the assets carrying value is greater than its fair value less costs to sell.

Non-current assets are not depreciated or amortised while they are classified as held for sale.

Non-current assets classified as held for sale are presented separately from the other assets in the balance sheet.

(s) Impairment of assets

Assets that are subject to amortisation are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable.

An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount.

The recoverable amount is the higher of an asset's fair value less costs to sell and value in use.

For non-cash generating assets of Council such as roads, drains, public buildings etc - value in use is represented by the "deprival value" of the asset which is approximated as it's written down replacement cost.

Assets that have an indefinite useful life are not subject to amortisation and are tested annually for impairment.

(t) Payables

These amounts represent liabilities and include goods and services provided to the Council prior to the end of financial year which are unpaid.

The amounts for goods and services are unsecured and are usually paid within 30 days of recognition.

(u) Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred.

Borrowings are subsequently measured at amortised cost.

Amortisation results in any difference between the proceeds (net of transaction costs) and the redemption amount being recognised in the Income Statement over the period of the borrowings using the effective interest method.

Borrowings are classified as current liabilities unless the Council has an unconditional right to defer settlement of the liability for at least 12 months after the balance sheet date.

Hawkesbury City Council

Notes to the Financial Statements

for the financial year ended 30 June 2008

Note 1. Summary of Significant Accounting Policies (continued)

(v) Borrowing costs

Borrowing costs incurred for the construction of any qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Other borrowing costs are expensed.

The capitalisation rate used to determine the amount of borrowing costs to be capitalised is the weighted average interest rate applicable to the Council's outstanding borrowings during the year.

(w) Provisions

Provisions for legal claims and service warranties are recognised when:

- Council has a present legal or constructive obligation as a result of past events;
- it is more likely than not that an outflow of resources will be required to settle the obligation; and
- the amount has been reliably estimated.

Provisions are not recognised for future operating losses.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole.

A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

(x) Employee benefits**(i) Wages & salaries, annual leave and sick leave**

Liabilities for wages and salaries (including non-monetary benefits), annual leave and vesting sick leave, are recognised in the provision for employee benefits in respect of employees' services up to the reporting date.

These provisions are measured at the amounts expected to be paid when the liabilities are settled.

Calculations therefore incorporate (where the leave is expected to be paid more than 12 months after the reporting date) the use of discounted cash flows.

Liabilities for non vesting sick leave are recognised at the time when the leave is taken and measured at the rates paid or payable, and accordingly no Liability has been recognised in these reports.

Wages & salaries, annual leave and vesting sick leave are all classified as Current Liabilities.

(ii) Long service leave

The liability for long service leave is recognised in the provision for employee benefits in respect of services provided by employees up to the reporting date.

Long Service Leave is measured at the present value of the expected future payments to be made using the projected unit credit method.

Consideration is given to expected future wage and salary levels, experience of employee departures and periods of service.

Expected future payments are discounted using market yields at the reporting date on national government bonds with terms to maturity and currency that match as closely as possible, the estimated future cash outflows.

Due to the nature of when and how Long Service Leave can be taken, all Long Service Leave for employees with 4 or more years of service has been classified as Current, as it has been deemed that Council does not have the unconditional right to defer settlement beyond 12 months – even though it is not anticipated that all employees with more than 4 years service (as at reporting date) will apply for and take their leave entitlements in the next 12 months.

(iii) Retirement benefit obligations

All employees of the Council are entitled to benefits on retirement, disability or death.

Hawkesbury City Council

Notes to the Financial Statements

for the financial year ended 30 June 2008

Note 1. Summary of Significant Accounting Policies (continued)

Council contributes to various defined benefit plans and defined contribution plans on behalf of its employees.

A liability or asset in respect of defined benefit superannuation plans would ordinarily be recognised in the balance sheet, and measured as the present value of the defined benefit obligation at the reporting date plus unrecognised actuarial gains (less unrecognised actuarial losses) less the fair value of the superannuation fund's assets at that date and any unrecognised past service cost.

The present value of the defined benefit obligation is based on expected future payments which arise from membership of the fund to the reporting date, calculated annually by independent actuaries using the projected unit credit method. Consideration is given to expected future wage and salary levels, experience of employee departures and periods of service.

However, when this information is not reliably available, Council can account for its obligations to defined benefit plans on the same basis as its obligations to defined contribution plans.

Council is party to an Industry Defined Benefit Plan under the Local Government Superannuation Scheme, named the "Local Government Superannuation Scheme – Pool B"

This Scheme has been deemed to be a "multi employer fund" for the purposes of AASB 119.

Sufficient information is not available to account for the Scheme as a defined benefit plan (in accordance with AASB 119) because the assets to the scheme are pooled together for all Councils.

Accordingly, Councils contributions to the scheme have been recognised as an expense and disclosed as part of Superannuation Expenses at Note 4(a).

The last valuation of the Scheme was performed by Mr Martin Stevenson BSc, FIA, FIAA on 19th June 2007 and covers the period ended 30 June 2006.

This valuation found that the Schemes assets were \$3,291.1 million and its past service liabilities were \$2,980.3 million, giving it a Surplus of \$310.8 million.

The existence of this surplus has resulted in Councils contributing during the 2007/2008 year at half the normal level of contributions.

The financial position of the Scheme is monitored annually.

Contributions to defined contribution plans are recognised as an expense as they become payable. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

(y) Self insurance

Council has determined to self-insure for various risks including public liability and professional indemnity.

A provision for self-insurance has been made to recognise outstanding claims the amount of which is detailed in Note10.

Council also maintains cash and investments to meet expected future claims and these are detailed in Note6(c).

(z) Allocation between current and non-current

In the determination of whether an asset or liability is classified as current or non-current, consideration is given to the time when each asset or liability is expected to be settled.

The asset or liability is classified as current if it is expected to be settled within the next 12 months, being the Council's operational cycle.

Exceptions

In the case of liabilities where Council does not have the unconditional right to defer settlement beyond 12 months (such as vested long service leave), the liability is classified as current even if not expected to be settled within the next 12 months.

Hawkesbury City Council

Notes to the Financial Statements

for the financial year ended 30 June 2008

Note 1. Summary of Significant Accounting Policies (continued)

In the case of inventories that are "held for trading", these are classified as current even if not expected to be realised in the next 12 months.

Certain new (or amended) accounting standards and interpretations have been published that are not mandatory for reporting periods ending 30 June 2008.

(aa) Taxes

The Council is exempt from both Commonwealth Income Tax and Capital Gains Tax.

Council does however have to comply with both Fringe Benefits Tax and Goods and Services Tax (GST).

Goods & Services Tax (GST)

Income, expenses and assets are all recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office (ATO).

In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of the expense.

Receivables and payables within the Balance Sheet are stated inclusive of any applicable GST.

The net amount of GST recoverable from or payable to the ATO is included as a current asset or current liability in the Balance Sheet.

Operating cash flows within the Statement of Cash Flows are on a gross basis, ie. they are inclusive of GST where applicable.

Investing and Financing cash flows are treated on a net basis (where recoverable from the ATO), ie. they are exclusive of GST.

Accordingly, the GST component of investing and financing activity cash flows which are recoverable from or payable to the ATO are classified as operating cash flows.

Commitments and contingencies are disclosed net of the amount of GST recoverable from, or payable to, the taxation authority.

(ab) New accounting standards and UIG interpretations

Council's assessment of the impact of these new standards and interpretations is set out below.

Applicable to Local Government with the implications:

- Revised AASB 101 Presentation of Financial Statements and AASB 2007-8 Amendments to Australian Accounting Standards arising from AASB 101 and AASB 2007-10 Further Amendments to Australian Accounting Standards arising from AASB 101

- AASB 1051 Land Under Roads,

AASB 1051 will allow Council to recognise or not recognise land under roads acquired before 30 June 2008.

Council will be required to nominate whether to recognise Land under roads (acquired after 30 June 2008) or to exclude these Assets from recognition.

This Standard could have a significant impact on the Council's Balance Sheet depending on Council's accounting policy choice.

- AASB 1052 Disaggregated Disclosures,

AASB 1052 requires disclosure of financial information by function or activity.

Council already provides this information in Note 2(a) so there will be no additional impact on the financial statements.

- AASB 1004 Contributions (revised),

AASB 1004 requires contributions made to Council to be recognised at fair value when they are controlled and to be appropriately disclosed.

Council already accounts for contributions in this manner so there will be no additional impact on the financial statements.

Hawkesbury City Council

Notes to the Financial Statements

for the financial year ended 30 June 2008

Note 1. Summary of Significant Accounting Policies (continued)

- AASB 2007-9 Amendments to Australian Accounting Standards arising from the review of AAS 27, AAS 29 and AAS 31,

Council will no longer apply AAS 27 from 1 July 2008 due to its withdrawal. Council currently applies AIFRS (but with AAS 27 taking precedence).

The withdrawal of AAS 27 will see specific paragraphs transferred to existing AIFRS, and accordingly there is little impact from its withdrawal.

Applicable to Local Government but no implications for Council;

- Revised AASB 123 Borrowing Costs and AASB 2007-6 Amendments to Australian Accounting Standards arising from AASB 123 [AASB 1, AASB 101, AASB 107, AASB 111, AASB 116 & AASB 138 and Interpretations 1 & 12]

Applicable to Local Government but not relevant to Council at this stage;

- AASB-I 12 Service Concession Arrangements, AASB 2007-1 Amendments to Australian Accounting Standards arising from AASB Interpretation 12, revised UIG 4 Determining whether an Arrangement contains a Lease and revised UIG 129 Service Concession Arrangements: Disclosures
- ASB-I 13 Customer Loyalty Programmes
- AASB-I 14 The Limit on a Defined Benefit Asset, Minimum Funding Requirements and their Interaction

Not applicable to Local Government per se;

- AASB 8 Operating Segments and AASB 2007-3 Amendments to Australian Accounting Standards arising from AASB 8
- AASB 1049 Whole of Government and General Government Sector Financial Reporting
- AASB 1050 Administered Items

- Interpretation 1038 Contributions by Owners Made to Wholly-Owned Public Sector Entities (revised)

Council has not adopted any of these standards early.

(ac) Rounding of amounts

Unless otherwise indicated, amounts in the financial report have been rounded off to the nearest thousand dollars.

(ad) Comparative Figures

To ensure comparability with the current reporting period's figures, some comparative period line items and amounts may have been reclassified or individually reported for the first time within this Financial Report and/or the Notes.

(ae) Disclaimer

Nothing contained within this report may be taken to be an admission of any liability to any person under any circumstance.

for the financial year ended 30 June 2008

Note 14. Investment Properties

\$ '000	Actual 2008	Actual 2007
---------	----------------	----------------

(a) Investment Properties at Fair value

Investment Properties on Hand	25,318	29,268
Reconciliation of Annual Movement:		
Opening Balance	29,268	18,116
- Disposals during Year	(180)	(1,159)
- Net Gain/(Loss) from Fair Value Adjustments	17	(188)
- Transfers from/(to) Owner Occupied (Note 9)	(3,801)	12,499
- Other Movements	14	-
CLOSING BALANCE - INVESTMENT PROPERTIES	25,318	29,268

(b) Valuation Basis

The basis of Valuation of Investment Properties is Fair Value, being the amounts for which the properties could be exchanged between willing parties in arms length transaction, based on current prices in an active market for similar properties in the same location and condition and subject to similar leases.

The 2007 revaluations were based on Independent Assessments made by K. D. Wood Valuations (Aust) Pty Ltd. For 2008 no independent valuations were obtained.

(c) Contractual Obligations at Reporting Date

Refer to Note 12 for disclosures relating to any Capital and Service obligations that have been contracted.

(d) Leasing Arrangements

Details of leased Investment Properties are as follows;
Future Minimum Lease Payments receivable under non-cancellable Investment Property Operating Leases not recognised in the Financial Statements are due:

Within 1 year	2,153	1,065
Later than 1 year but less than 5 years	1,911	2,066
Later than 5 years	166	102
Total Minimum Lease Payments Receivable	4,230	3,233

(e) Investment Property Income & Expenditure - summary

Rental Income from Investment Properties:		
- Minimum Lease Payments	1,550	1,639
- Other Income	140	179
Direct Operating Expenses on Investment Properties:		
- that generated rental income	(193)	(287)
- that did not generate rental income	(170)	(28)
Net Revenue Contribution from Investment Properties	1,327	1,503
Fair Value Movement for year	17	(188)
Total Income attributable to Investment Properties	1,344	1,315

Hawkesbury City Council

Notes to the Financial Statements
for the financial year ended 30 June 2008

Note 15. Financial Risk Management

\$ '000

Risk Management

Council's activities expose it to a variety of financial risks including (i) price risk, (ii) credit risk, (iii) liquidity risk and (iv) interest rate risk.

The Council's overall risk management program focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the financial performance of the Council.

Council does not engage in transactions expressed in foreign currencies and is therefore not subject to foreign currency risk.

Financial risk management is carried out by Council's Finance Section under policies approved by the Council.

A comparison by category of the carrying amounts and fair values of Council's Financial Assets & Financial Liabilities recognised in the financial statements is presented below.

	Carrying Value		Fair Value	
	2008	2007	2008	2007
Financial Assets				
Cash and Cash Equivalents	29,207	4,147	29,207	4,147
Investments				
- "Held for Trading"	2,822	29,584	2,822	29,584
- "Held to Maturity"	7,000	500	7,000	500
Receivables	4,156	4,356	4,156	4,356
Total Financial Assets	43,185	38,587	43,185	38,587
Financial Liabilities				
Payables	4,383	4,623	4,383	4,623
Loans / Advances	56	62	55	62
Total Financial Liabilities	4,439	4,685	4,438	4,685

Fair Value is determined as follows:

- **Cash & Cash Equivalents, Receivables, Payables** - are estimated to be the carrying value which approximates mkt value.
- **Borrowings & Held to Maturity Investments** - are based upon estimated future cash flows discounted by the current market interest rates applicable to assets & liabilities with similar risk profiles, unless quoted market prices are available.
- Financial Assets classified (i) "at fair value through profit & loss" or (ii) **Available for Sale** - are based upon quoted market prices at the reporting date or independent valuation.

Hawkesbury City Council

Notes to the Financial Statements

for the financial year ended 30 June 2008

Note 15. Financial Risk Management (continued)

\$ '000

(a) Cash & Cash Equivalents, Financial assets "at fair value through the profit & Loss",
~~"Available for sale" financial assets & "Held to maturity" Investments~~

Council's objective is to maximise its return on cash & investments whilst maintaining an adequate level of liquidity and preserving capital.

Council's Financial Section manages it's Cash & Investments portfolio with the assistance of independent advisors.

Council has an Investment Policy which complies with the Local Government Act & Ministers Investment Order. This Policy is regularly reviewed by Council and it's staff and an Investment Report is tables before Council on a monthly basis setting out the portfolio breakup and its performance.

The major risk associated with Investments is price risk - the risk that the capital value of Investments may fluctuate due to changes in market prices; whether there changes are caused by factors specific to individual financial instruments or their issuers or are caused by factors affecting similar instruments traded in a market.

Cash & Investments are also subject to interest rate risk - the risk that movements in interest rates could affect returns and income.

A further risk associated with Cash & Investments is credit risk - the risk that the counterparty (to an investment) will not complete their obligations particular to a financial instrument, resulting in a financial loss to Council - be it of a capital or income nature.

Council manages these risks (amongst other measures) by diversifying its portfolio and only purchasing investments with high credit ratings or capital guarantees.

Council also seeks advice from its independent advisers before placing any funds in Cash Equivalents & Investments.

The following represents a summary of the sensitivity of Council's Income Statement and Accumulated Surplus (during the reporting period) due to a change in either the price of a financial asset or the interest rates applicable.

It is assumed that the change in interest rates would have been constant throughout the reporting period.

	Increase of Values/Rates		Decrease of Values/Rates	
	Profit	Equity	Profit	Equity
2008				
Impact of a 10% movement in Market Values	282	282	(282)	(282)
Impact of a 1% movement in Interest Rates	362	362	(362)	(362)
2007				
Impact of a 10% movement in Market Values	2,958	2,958	(2,958)	(2,958)
Impact of a 1% movement in Interest Rates	46	46	(46)	(46)

Note 15. Financial Risk Management (continued)

\$ '000

(b) Receivables

Council's major receivables comprise (i) Rates & Annual charges and (ii) User Charges & Fees.

The major risk associated with these receivables is credit risk - the risk that debts due and payable to Council may not be repaid in full.

Council manages this risk by monitoring outstanding debt and employing stringent debt recovery procedures. It also encourages ratepayers to pay their rates by the due date through incentives.

Credit risk on rates and annual charges is minimised by the ability of Council to secure a charge over the land relating to the debts. - that ie, the land can be sold to recover the debt. Council is also able to charge interest on overdue rates & annual charges at higher than market rates which further encourages the payment of debt.

The level of outstanding receivables is reported to Council monthly and benchmarks are set and monitored for acceptable collection performance.

Council makes suitable provision for doubtful receivables as required and carries out credit checks on most non-rate debtors.

There are no material receivables that have been subjected to a re-negotiation of repayment terms.

A profile of Council's receivables credit risk at balance date follows:

	2008	2008	2007	2007
	Rates & Annual Charges	Other Receivables	Rates & Annual Charges	Other Receivables
(i) Aging of Receivables				
Current (not yet overdue)	-	1,619	-	2,226
Overdue	2,270	361	1,728	496
	<u>2,270</u>	<u>1,980</u>	<u>1,728</u>	<u>2,722</u>
(ii) Movement in Provision for Impairment of Receivables			2008	2007
Balance at the beginning of the year			94	40
+ new provisions recognised during the year			33	54
- amounts already provided for & written off this year			(33)	
Balance at the end of the year			<u>94</u>	<u>94</u>

Hawkesbury City Council

Notes to the Financial Statements

for the financial year ended 30 June 2008

Note 15. Financial Risk Management (continued)

\$ '000

(c) Payables & Borrowings

Payables & Borrowings are both subject to liquidity risk - the risk that insufficient funds may be on hand to meet payment obligations as and when they fall due.

Council manages this risk by monitoring its cash flow requirements and liquidity levels and maintaining an adequate cash buffer.

As well, payment terms can (in extenuating circumstances) be extended and overdraft facilities can be drawn down.

The contractual undiscounted cash outflows (ie. principal and interest) of Council's Payables & Borrowings are set out in the Liquidity Table below:

\$ '000	Subject to no maturity	payable in:						Total Cash Outflows	Actual Carrying Values
		≤ 1 Year	1-2 Yrs	2-3 Yrs	3-4 Yrs	4-5 Yrs	> 5 Yrs		
2008									
Trade/Other Payables	630	3,978						4,608	4,383
Loans & Advances		6	6	6	6	6	28	58	56
Total Financial Liabilities	630	3,984	6	6	6	6	28	4,666	4,439
2007									
Trade/Other Payables	734	4,122						4,856	4,623
Loans & Advances		6	6	6	6	6	34	64	62
Total Financial Liabilities	734	4,128	6	6	6	6	34	4,920	4,685

Borrowings are also subject to interest rate risk - the risk that movements in interest rates could adversely affect funding costs & debt servicing requirements. Council manages this risk through the diversification of borrowing types, maturities & interest rate structures.

The following interest rates were applicable to Council's Borrowings at balance date:

	2008		2007	
	Carrying Value	Average Interest Rate	Carrying Value	Average Interest Rate
Trade/Other Payables	4,383	0.0%	4,623	0.0%
Loans & Advances - Fixed Interest Rate	56	6.9%	62	6.9%
	<u>4,439</u>		<u>4,685</u>

for the financial year ended 30 June 2008

Note 16. Material Budget Variations

\$ '000

Council's Original Financial Budget for 07/08 was incorporated as part of its Management Plan and was adopted by the Council on 25th June 2007

While the Income Statement included in this General Purpose Financial Report must disclose the Original Budget adopted by Council, the Local Government Act permits Council to review its Financial Budget on a Quarterly Basis, so that it is able to manage the various movements in actuals versus budget that invariably occur throughout the year.

This Note sets out the details of MATERIAL VARIATIONS between Council's Original Budget and its Actual results for the year as per the Income Statement - even though such variations may have been adjusted for during each Quarterly Budget Review.

Material Variations represent those variances that amount to **10%** or more of the original budgeted figure.

Note that for Variations: F = Favourable Budget Variation, U = Unfavourable Budget Variation

\$ '000	2008 Budget	2008 Actual	2008 Variance*		
REVENUES					
Rates & Annual Charges	33,602	33,663	61	0.2%	F
User Charges & Fees	4,890	6,506	1,616	33%	F
Hawkesbury Leisure Centre is not included in the main Council budget.					
Interest & Investment Revenue	1,342	1,562	220	16%	F
Delays in the Capital program meant more investment funds compared to budget.					
Other Revenues	4,833	3,183	(1,650)	(34%)	U
Internal council revenues were not eliminated in the budget.					
Operating Grants & Contributions	7,084	9,471	2,387	34%	F
Only known grants are budgeted for. Other grants received during the year are accounted for as they are received.					
Capital Grants & Contributions	507	3,790	3,283	648%	F
Only known grants are budgeted for. Other grants received during the year are accounted for as they are received.					
Net Gains from Disposal of Assets	-	33	33	0%	F
Assets are budgeted to be disposed of at written down value.					
Share of Net Profits - Joint Ventures & Associates	-	341	341	0%	F
Westpool was not budgeted for in the main Council budget.					

Hawkesbury City Council

Notes to the Financial Statements
for the financial year ended 30 June 2008

Note 16. Material Budget Variations (continued)

\$ '000	2008 Budget	2008 Actual	2008 Variance*		
EXPENSES					
Employee Benefits & On-Costs	14,044	19,490	(5,446)	(39%)	U
Council employees engaged in maintenance are budgeted against maintenance costs. Also Hawkesbury Leisure Centre is not included in the main Council budget.					
Borrowing Costs	102	222	(120)	(118%)	U
The tip remediation discount amortisation was not budgeted for.					
Materials & Contracts	21,958	18,373	3,585	16%	F
Contract expenses are below budget as a result of maintenance employee costs being budgeted for here.					
Depreciation & Amortisation	7,606	8,608	(1,002)	(13%)	U
Actual depreciation was higher than budget due to the Sewer revaluations recognised at 30 June 2007.					
Other Expenses	9,134	8,734	400	4%	F

Hawkesbury City Council

Notes to the Financial Statements

for the financial year ended 30 June 2008

Note 17. Statement of Developer Contributions

\$ '000

Under Section 94 & Section 94A of the Environmental Planning and Assessment Act 1979, a Council may require (i) the payment of a monetary contribution or dedication of land or (ii) a % levy on the value of development, in relation to development works that are subject to a development consent issued by Council.

These developer contributions (under S94) or developer levies (under S94A) must be spent specifically for the purpose they were levied and any interest applicable to unspent funds must be attributed to the funds and also spent in accordance with the purpose levied.

As well, Council may under Section 93F enter into a Planning Agreement with Developers under which the developer is required to either dedicate land free of cost, pay a monetary contribution, or provide any other material public benefit (or any combination of the three) to be used for or applied towards a public purpose.

S94F funds are also required to be spent on the public purposes nominated within each individual Planning Agreement.

The following tables detail the receipt, interest and use of the above contributions & levies and the value of all remaining funds which are "restricted" in use by their nature and must be spent for the specific purposes raised.

SUMMARY OF CONTRIBUTIONS & LEVIES								Projections

Hawkesbury City Council

Notes to the Financial Statements

for the financial year ended 30 June 2008

Note 18. Contingencies & Other Assets/Liabilities Not Recognised

\$ '000

The following assets and liabilities do not qualify for recognition in the Balance Sheet, but their knowledge & disclosure is considered relevant to the users of Council's Financial Report.

LIABILITIES NOT RECOGNISED:**1. Guarantees****(i) Westpool Insurance**

Council is one of 7 members to Westpool, an insurance pool managed by Willis Aust Ltd.

Council contributes to Westpools operations and in return receives Public Liability & Professional Indemnity Insurance coverage, and associated services such as training & risk assessment.

Council's contribution represented 6.4% of the total amounts paid in by member Councils.

The pool ended with a surplus of \$12.3M, of which Council's proportion share is \$1.032M.

Should the pool ever require additional funding, based on past insurance events, Council would be required to make any necessary contributions.

(ii) Workers Compensation Claims

Council holds a Workers Compensation Self Insurers licence and recognises that it might pay out future claims based upon past events.

Amounts that cannot be paid out of Council's recurrent Workers Compensation expenditure budget will be funded from a reserve set up specifically for this purpose (refer Note 6).

(iii) Other Guarantees

Council has provided no other Guarantees other than those listed.

2. Other Liabilities**(i). Third Party Claims**

The Council is involved from time to time in various claims incidental to the ordinary course of business including claims for damages relating to its services.

Council believes that it is appropriately covered for all claims through its Insurance Coverage and does not expect any material liabilities to eventuate.

(ii) S94 Plans

Council levies Section 94/94A Contributions upon various development across the Council area through the required Contributions Plans.

As part of these Plans, Council has received funds for which it will be required to expend the monies in accordance with those Plans.

As well, these Plans indicate proposed future expenditure to be undertaken by Council, which will be funded by making levies and receipting funds in future years.

These future expenses do not yet qualify as liabilities as of the Reporting Date, but represent Council's intention to spend funds in the manner and timing set out in those Plans.

Hawkesbury City Council

Notes to the Financial Statements

for the financial year ended 30 June 2008

Note 18. Contingencies & Other Assets/Liabilities Not Recognised (continued)

\$ '000

(iii) Potential Land Acquisitions due to Planning Restrictions imposed by Council

Council has classified a number of privately owned land parcels as Local Open Space or Bushland.

As a result, where notified in writing by the various owners, Council will be required to purchase these land parcels.

At reporting date, reliable estimates as to the value of any potential liability (& subsequent land asset) from such potential acquisitions has not been possible.

ASSETS NOT RECOGNISED:**(i) Infringement Notices/Fines**

Fines & Penalty Income, the result of Council issuing Infringement Notices is followed up and collected by the Infringement Processing Bureau.

Councils Revenue Recognition policy for such income is to account for it as revenue on receipt.

Accordingly, at Year End, there is a potential asset due to Council representing issued but updated Infringement Notices.

Due to the limited information available on the status, value and duration of outstanding Notices, Council is unable to determine the value of outstanding income.

(ii) Defined Benefit Superannuation Contribution Plans

Council participates in an employer sponsored Defined Benefit superannuation Scheme, and makes contributions as determined by the Superannuations Trustees.

The Local Government Superannuation Scheme however, has advised that it is unable to provide Council with an accurate estimate of its share of the Defined Benefit Schemes assets and liabilities in accordance with AASB 119.

The Schemes most recent full actuarial review indicated that the Net Assets of the Scheme were more than sufficient to meet the accrued benefits of the Schemes defined benefit member category.

Council has not recorded any asset in these Financial Reports to represent any future economic benefit relating to the Scheme's Financial Position, nor has it recorded any movements in the Schemes Financial Position in these Accounts.

(ii) Defined Benefit Superannuation Contribution Plans (Continued)

Accordingly, contributions made to the defined benefit scheme are recognised as an expense when they become payable - similar to accounting for a defined contributions plan.

(iii) Land Under Roads

As permitted under AASB 1045 and in accordance with DLG recommendations, Council has not brought to account in these Reports the value of Land Under Roads.

This is due to the divergence of opinion as to what value should be ascribed to such assets.

At present, the transitional period for deferral of recognition ends on 1 July, 2008.

Hawkesbury City Council

Notes to the Financial Statements

for the financial year ended 30 June 2008

Note 19. Controlled Entities, Associated Entities & Interests in Joint Ventures

\$ '000

Council's objectives can and in some cases are best met through the use of separate entities & operations.

These operations and entities range from 100% ownership and control through to lower levels of ownership and control via co-operative arrangements with other Councils, Bodies and other Outside Organisations.

The accounting and reporting for these various entities, operations and arrangements varies in accordance with accounting standards, depending on the level of Councils (i) interest and (ii) control and the type (form) of entity/operation, as follows;

Subsidiaries

Operational Arrangements where Councils Control (but not necessarily Interest) exceeds 50% Note 19(a)

Associated Entities & Joint Venture Entities

Arrangements in the form of a Separate Entity that deploys the resources of the operation itself. Under Associated Entities, Council significantly influences the operations (but does not control them, whilst for JV Entities, Council Jointly Controls the Operations with other parties. Note 19(b)(i)&(ii)

Joint Venture Operations

Arrangements that do not comprise an actual individual entity which can deploy the resources of the individual participants. Under JV Operations, Council Jointly Controls the operations with the Other Parties involved. Note 19(c)

Subsidiaries, Associated Entities and Joint Ventures Not Recognised Note 19(d)

Accounting Recognition:

(i) Subsidiaries disclosed under Note 19(a), and Joint Venture Operations disclosed at Note 19(c), are accounted for on a Line by Line Consolidation basis within the Statements of Financial Performance and Financial Position.

(ii) Associated Entities and Joint Venture Entities as per Notes 19(b)(i) & (ii) are accounted for using the Equity Accounting Method - and are disclosed as a 1 line entry in the Statement of Financial Performance and Financial Position:

	Council's Share of Net Income		Council's Share of Net Assets	
	Actual 2008	Actual 2007	Actual 2008	Actual 2007
Associated Entities	-	-	-	-

Note 20. Equity - Retained Earnings and Revaluation Reserves

\$ '000	Notes	Actual 2008	Actual 2007
---------	-------	----------------	----------------

a. Retained Earnings

Movements in Retained Earnings were as follows:

Balance at beginning of Year (from previous years audited accounts)		350,816	125,810
a. Correction of Prior Period Errors		(14,223)	-
b. Current Year Income & Expenses Recognised direct to Equity excluding direct to Reserves transactions		-	(21,599)
c. Net Operating Result for the Year		3,122	5,577
d. Transfers between Equity		-	241,028
Balance at End of the Reporting Period		<u>339,715</u>	<u>350,816</u>

b. Reserves

(i) Reserves are represented by:

- Infrastructure, Property, Plant & Equipment Reserve	134,875	22,015
Total	<u>134,875</u>	<u>22,015</u>

(ii). Reconciliation of movements in Reserves:

Infrastructure, Property, Plant & Equipment Reserve

- Opening Balance	22,015	241,028
- Revaluations for the year	9(a) 112,860	22,015
- Transfer to Retained Earnings		(241,028)
- Balance at End of Year	<u>134,875</u>	<u>22,015</u>

TOTAL VALUE OF RESERVES

<u>134,875</u>	<u>22,015</u>
-----------------------	----------------------

(iii). Nature & Purpose of Reserves

Infrastructure, Property, Plant & Equipment Revaluation Reserve

- The Infrastructure, Property, Plant & Equipment Revaluation Reserve is used to record increments/decrements of Non Current Asset values due to their revaluation.

Hawkesbury City Council

Notes to the Financial Statements

for the financial year ended 30 June 2008

Note 20. Equity - Retained Earnings and Revaluation Reserves

\$ '000	Notes	Actual 2008
---------	-------	----------------

c. Correction of Error/s relating to a Previous Reporting Period

1. The audited accounts for 30 June 2007 of the Hawkesbury Leisure Centre were not received in time for consolidation.

The accounts for 30 June 2007 and 30 June 2008 have been received and consolidated in these statements.

For the 30 June 2007 accounts an estimate was used, and the difference between the estimate and the actual results is disclosed here as an adjustment to Retained Earnings.

(166)

2. As part of Council's transition to measuring all its I,PP&E at Fair Values, Council this year reviewed and brought to account Fair Values for its Buildings.

As part of that evaluation & measurement process, the remaining useful life of each asset has been reassessed to actual.

This reassessment has resulted in a material difference as to where some assets actually sit in relation to their asset life cycle relative to what the value of accumulated depreciation in Council's Financial Reports had previously indicated.

Council does not have sufficient and reliable information that will allow the restatement of information prior to 30/6/07 (the closing date for the comparative figures in this report).

As a result, Council has adjusted the accumulated depreciation for Buildings as at 30/6/07 to reflect the correct value of accumulated depreciation;

Buildings - Non Specialised (increase to accumulated depreciation)

2,573

Buildings - Specialised (increase to accumulated depreciation)

11,816

These adjustments resulted in a net decrease in Council's Accumulated Surplus as at 30/6/07.

In accordance with AASB 108 - Accounting Policies, Changes in Accounting Estimates and Errors, the above Prior Period Errors have been recognised retrospectively.

These amounted to the following Equity Adjustments:

- Adjustments to Closing Equity - 30/6/07

(14,223)

-

(relating to adjustments for the 30/6/07 year end)

Total Prior Period Adjustments - Prior Period Errors

(14,223)

-

d. Voluntary Changes in Accounting Policies

Council made no voluntary changes in any accounting policies during the year.

Hawkesbury City Council

Notes to the Financial Statements

for the financial year ended 30 June 2008

Note 21. Reinstatement, Rehabilitation & Restoration Liabilities

\$ '000

Council has legal/public obligations to make restore, rehabilitate and reinstate the following assets/operations;

Asset/Operation	Estimated year of restoration	NPV of Provision	
		2008	2007
Waste Depots	2027	3,889	3,669
Balance at End of the Reporting Period	10	<u>3,889</u>	<u>3,669</u>

Under AASB 116 - Property, Plant & Equipment, where the use of an asset results in the obligation to dismantle or remove the asset and restore the site on which the asset stands, an estimate of such costs is required to be included in the cost of the asset.

An equivalent liability must be recognised under AASB 137 - Provisions, Contingent Liabilities and Contingent Assets.

The provision has been calculated by determining the present value of the future expenditures expected to be incurred. The discount rate used is the risk free borrowing rate applicable to Council.

Specific uncertainties relating to the final costs and the assumptions made in determining the amounts of provisions include:

- basing the future works costs on current reinstatement standards
- using rates for government securities as the discount rate equivalent to the estimated reinstatement date

Reconciliation of movement in Provision for year:

Balance at beginning of year	3,669	3,461
Amounts capitalised to new or existing assets:		
Amortisation of discount (expensed to borrowing costs)	220	208
Total - Reinstatement, rehabilitation and restoration provision	<u>3,889</u>	<u>3,669</u>

Amount of Expected Reimbursements

Of the above Provisions for Reinstatement, Rehabilitation and Restoration works, those applicable to Garbage Services & Waste Management are able to be funded through future charges incorporated within Council's Fees and Charges.

Notes to the Financial Statements

for the financial year ended 30 June 2008

Note 22. Non Current Assets/Liabilities classified as "Held for Sale"

\$ '000	2008		2007	
	Current	Non Current	Current	Non Current

Council did not classify any Non Current Assets or
Disposal Groups as "Held for Sale".

Hawkesbury City Council

Notes to the Financial Statements
for the financial year ended 30 June 2008

Note 23. Events occurring after Balance Sheet Date

\$ '000

Events that occur after the Reporting Date represent one of two types:

(i) Events that have provided evidence of conditions that existed at the Reporting Date

These financial reports (and the figures therein) incorporate all "adjusting events" that provided evidence of conditions that existed at 30 June 2008.

(ii) Events that have provided evidence of conditions that arose after the Reporting Date

These financial reports (and figures therein) do not incorporate any "non adjusting events" that have occurred after 30 June 2008 and which are only indicative of conditions that arose after 30 June 2008.

Council is unaware of any material or significant "non adjusting events" that should be disclosed.

**Hawkesbury City Council
Independent Audit Report to the Council
(Sections 417(2) – report on the general purpose financial reports)**

Scope

We have audited the financial reports of **Hawkesbury City Council** for the financial year ended 30 June 2008 as set out on pages 1 to 74. The financial reports consist of the general purpose financial reports and Council's statement in the approved form as required by Section 413(2)(a) of the Local Government Act, 1993. Our audit responsibility does not extend to the Original Budget figures disclosed in the Income Statement, Statement of Cash Flows, Notes 2(a) and 16 to the financial statements nor the attached Special Schedules. The Council is responsible for the preparation and presentation of the financial statements and the information they contain. We have conducted an independent audit of these financial statements in order to express an opinion on them to the Council.

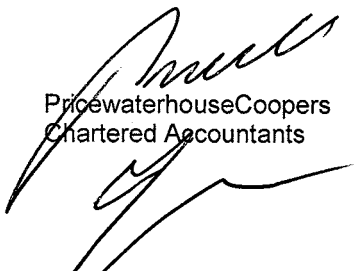

Our audit has been conducted in accordance with Australian Auditing Standards to provide reasonable assurance as to whether the financial statements are free of material misstatement. Our procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial statements, and the evaluation of accounting policies and significant accounting estimates. These procedures have been undertaken to form an opinion as to whether, in all material respects, the financial statements are presented fairly in accordance with Australian Accounting Standards and other mandatory professional reporting requirements and statutory requirements so as to present a view which is consistent with our understanding of the Council's financial position, the results of its operations and its cash flows.

The audit opinion expressed in this report has been formed on the above basis.

Audit opinion

In our opinion:

- a) The Council's accounting records have been kept in accordance with the requirements of the Local Government Act, 1993 Chapter 13, Part 3, Division 2.
- b) The Council's financial reports
 - i. Have been properly prepared in accordance with the requirements of this Division;
 - ii. are consistent with the Council's accounting records;
 - iii. present fairly the Council's financial position and the results of its operations; and
 - iv. are in accordance with applicable Accounting Standards.
- c) All information relevant to the conduct of the audit has been obtained.
- d) There are no material deficiencies in the accounting records or financial reports that have come to light during the course of the audit.

Report on the Conduct of the Audit for Year Ended 30 June 2008 **Section 417(3)**

We have completed our audit for the financial reports of Hawkesbury Council for the year ended 30 June 2008, in accordance with Section 415 of the Local Government Act 1993.

Our audit has been conducted in accordance with Australian Standards to provide reasonable assurance as to whether the financial reports are free of material misstatement. Our procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial reports, and the evaluation of accounting policies and significant accounting estimates. These procedures have been undertaken to form an opinion as to whether, in all material respects, the financial reports are presented fairly in accordance with Accounting Standards and other mandatory professional reporting requirements (Urgent Issues Group consensus Views) as well as Statutory requirements so as to present a view which is consistent with our understanding of the Council's financial position, the results of its operations and its cash flows.

Flowing from our audit there are a number of comments we wish to raise concerning the trends in Council's finances. These are set out below.

Operating Result

Council's net operating result declined from a surplus of \$5.6m in the previous year to a surplus of \$3.1m in the current period.

Cash Position

Council's overall cash position increased from \$34m to \$39m during the period under review. The following table highlights the composition of cash.

	June 2007 \$m	June 2008 \$m
Externally restricted	16.8	16.4
Internally restricted	12.4	16.6
Unrestricted	5.0	6.0
	34.2	39.0

Working Capital

Council's net current assets increased from \$27.8m to \$32.2m during the period under review.

The value of the net current assets needs to be adjusted in order to establish Council's available working capital.

	June 2007 \$'000	June 2008 \$'000
Net Current Assets	27,835	32,284
Less External Restrictions	16,833	16,368
Internal Restrictions	12,386	16,629
	(1,384)	(713)
Add Current liabilities to be funded from other sources.	5,881	6,038
Available Working Capital	4,497	5,325

The effective unrestricted or available working capital upon which Council could build its 2008/09 budget was \$5.3m.

Performance Indicators

The financial reports disclose a number of indicators in Note 13 and these are detailed below:

	June 2007 %	June 2008 %
Unrestricted current ratio	363	443
Debt Service Ratio	.02	.02
Rate Coverage Ratio	58	58
Rates Outstanding Ratio	5.3	6.7
Asset Renewals Ratio	-	55

The Unrestricted Current Ratio improved and remained well above the accepted industry benchmark of 100%.

Council's Debt Service Ratio remained stable at .02% of Operating Revenue and is well below the industry benchmark of 10%

The Rate Coverage Ratio also remained stable at 58%.

The Rates Outstanding Ratio increased to 6.7% of collectables and is higher than the accepted industry benchmark of 5%. It should not be allowed to increase further.

The Asset Renewal Ratio indicates that infrastructure assets are being renewed at 55% of the rate at which they are depreciating.

Council is considered to be in a sound and stable financial position. All indicators remain better than accepted industry benchmarks except for the rates outstanding ratio which needs to be addressed.

Investments

Since July 2007, global financial markets have experienced a period of high volatility led by events in the Us housing market, particularly sub prime loans, which has impacted the value, recoverability, liquidity, cash flows and rates of return of many financial assets including Collateralised Debt Obligations (CDOs), Equity Linked Notes (ELNs) and certain other Managed Funds.

At 30 June 2008, Council's investment portfolio totalled \$39 million and included securities that have been impacted by this market volatility. These securities were principally notes which were written down from their combined issue value of \$3 million to their fair value of \$2.8 million. This write down was booked as a loss in the Income Statement.

Asset Revaluation

Council revalued Operational Land and Buildings on 30 June 2008 in accordance with the Department of Local Government's fair value schedule. Sewerage assets were also revalued using a prescribed index. The revaluation resulted in an increase of \$113 million which has been booked to the asset values and the Asset Revaluation Reserve.

General

The books of accounts and records inspected by us have been kept in an accurate and conscientious manner. We thank the General Manager and his staff for the co-operation and courtesy extended to us during the course of our audit.

Yours faithfully

SPECIAL PURPOSE FINANCIAL REPORTS
for the year ended 30 June 2008

*"Lifestyle, Environment, Access and
Opportunity @ Hawkesbury"*

Hawkesbury City Council

Special Purpose Financial Reports for the financial year ended 30 June 2008

Contents	Page
1. Statement by Councillors & Management	2
2. Special Purpose Financial Reports:	
- Income Statement of Sewerage Business Activity	3
- Income Statement of Other Business Activities	4
- Balance Sheet of Sewerage Business Activity	5
- Balance Sheet of Other Business Activities	6
3. Notes to the Special Purpose Financial Reports	7
4. Auditor's Report	14

Background

- (i) These Special Purpose Financial Reports have been prepared for the use by both Council and the Department of Local Government in fulfilling their requirements under National Competition Policy.
- (ii) The principle of competitive neutrality is based on the concept of a "level playing field" between persons/entities competing in a market place, particularly between private and public sector competitors.

Essentially, the principle is that government businesses, whether Commonwealth, State or Local, should operate without net competitive advantages over other businesses as a result of their public ownership.

- (iii) For Council, the principle of competitive neutrality & public reporting applies only to declared business activities.

These include (a) those activities classified by the Australian Bureau of Statistics as business activities being water supply, sewerage services, abattoirs, gas production and reticulation and (b) those activities with a turnover of over \$2 million that Council has formally declared as a Business Activity (defined as Category 1 activities).

- (iv) In preparing these financial reports for Council's self classified Category 1 businesses and ABS defined activities, councils must (a) adopt a corporatisation model and (b) apply full cost attribution including tax equivalent regime payments & debt guarantee fees (where the business benefits from councils borrowing position by comparison with commercial rates).
-

HAWKESBURY CITY COUNCIL

Special Purpose Financial Reports FOR THE YEAR ENDED 30 June 2008

STATEMENT BY COUNCILLORS AND MANAGEMENT MADE PURSUANT TO SECTION 413 (2) (c) OF THE LOCAL GOVERNMENT ACT 1993 (as amended)

The attached Special Purpose Financial Statements have been drawn up in accordance with:

- NSW Government Policy Statement "*Application of National Competition Policy to Local Government*"
- Department of Local Government Guidelines "*Pricing & Costing for Council Businesses: A Guide to Competitive Neutrality*"
- The Local Government Code of Accounting Practice and Financial Reporting
- The Department of Water and Energy Best Practice Management of Water Supply and Sewerage Guidelines.

To the best of our knowledge and belief, these reports

- Present fairly the financial position and operating result for each of Council's declared Business Units for the year, and
- Accord with Council's accounting and other records.

We are not aware of any matter that would render the reports false or misleading in any way.

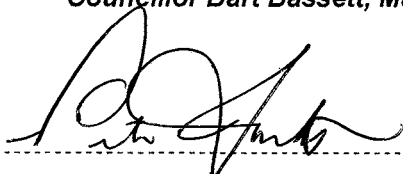

Signed in accordance with a resolution of Council made on 9 September 2008

Councillor Bart Bassett, Mayor

Councillor Ted Books, Deputy Mayor

Peter Jackson, General Manager

Rob Stalley, Responsible Accounting Officer

Special Purpose Financial Reports

for the financial year ended 30 June 2008

Contents of the Notes accompanying the Financial Statements

Note	Details	Page
1	Summary of Significant Accounting Policies	8
2	Sewerage Business Best Practice Management disclosure requirements	11

Hawkesbury City Council

Notes to the Special Purpose Financial Reports

for the financial year ended 30 June 2008

Note 1. Significant Accounting Policies

These financial statements are Special Purpose Financial Reports (SPFR's) prepared for use by the Council, the Department of Local Government and the Department of Water & Energy.

These disclosures are reflected in Council's pricing and/or financial reporting systems and include taxation equivalents; council subsidies; return on investments (rate of return); and dividends paid.

For the purposes of these statements, the council's activities (listed herein) are based upon them not being reporting entities.

This special purpose financial report, unless otherwise stated, has been prepared in accordance with;

- applicable Australian Accounting Standards,
- other authoritative pronouncements of the Australian Accounting Standards Board,
- Urgent Issues Group Consensus Views,
- the Local Government Act and Regulations,
- the Local Government Code of Accounting Practice and Financial Reporting, and
- the Local Government Asset Accounting Manual.

The statements are also prepared on an accruals basis. They are based on historic costs and do not take into account changing money values or, except where specifically stated, current values of non-current assets.

Certain taxes and other costs, appropriately described, have been imputed for the purposes of the National Competition Policy.

National Competition Policy

Council has adopted the principle of 'competitive neutrality' to its business activities as part of the national competition policy which is being applied throughout Australia at all levels of government.

The framework for its application is set out in the June 1996 Government Policy statement on the "Application of National Competition Policy to Local Government". The "Pricing & Costing for Council Businesses A Guide to Competitive Neutrality" issued by the Department of Local Government in July 1997 has also been adopted.

The pricing & costing guidelines outline the process for identifying and allocating costs to activities and provide a standard of disclosure requirements.

Declared Business Activities

In accordance with *Pricing & Costing for Council Businesses - A Guide to Competitive Neutrality*, council has declared that the following are to be considered as business activities:

Category 1

(where gross operating turnover is over \$2 million)

a. Sewerage Service

Comprising the operations and net assets of Councils Sewerage Reticulation and Treatment Operations servicing the Hawkesbury City Council area.

b. Hawkesbury Leisure Centres

Comprising the operations and net assets of the Hawkesbury Leisure Centre which includes an aquatic centre as well as an indoor stadium. The centre was managed during the year by YMCA.

Category 2

(where gross operating turnover is less than \$2 million)

None

Monetary Amounts

Amounts shown in the financial statements are in Australian currency and rounded to the nearest one thousand dollars, with the exception of some figures disclosed in Note 2 (Water Supply Best Practice Management Disclosures) and Note 3 (Sewerage Best Practice Management Disclosures).

As required by the Department of Water & Energy, some amounts shown in Notes 2 and Note 3 are shown in whole dollars.

Hawkesbury City Council

Notes to the Special Purpose Financial Reports

for the financial year ended 30 June 2008

Note 1. Significant Accounting Policies (continued)

(i) Taxation Equivalent Charges

Council is liable to pay various taxes and financial duties. Where this is the case, they are disclosed as a cost of operations (General Purpose Financial Report) just like all other costs.

However, where council does not pay some taxes which are generally paid by private sector businesses, such as income tax, these equivalent tax payments have been applied to all council nominated business activities and are reflected in the SPFR.

For the purposes of disclosing comparative information relevant to the private sector equivalent the following taxation equivalents have been applied to all council nominated business activities (this does not include council's non-business activities):

Notional Rate Applied %

Corporate Income Tax Rate – **30%**

Land Tax – **1.6% + \$100** on combined land values above \$359,000

Payroll Tax – **6%** on Salaries and Wages in excess of \$600,000

In accordance with the guidelines for Best Practice Management of Water Supply and Sewerage, a payment for the amount calculated as the annual tax equivalent charges (excluding income tax) must be paid from Water Supply and Sewerage Business activities.

The payment of taxation equivalent charges, referred in the Best Practice Management of Water Supply and Sewerage Guides to as a "Dividend for Taxation equivalent", may be applied for any purpose allowed under the Local Government Act, 1993.

Achievement of substantial compliance against the guidelines for Best Practice Management of Water Supply and Sewerage is not a prerequisite for the payment of the tax equivalent charges, however the payment must not exceed \$3 per assessment.

Income Tax

An income tax equivalent has been applied on the profits of the business. Whilst income tax is not a specific cost for the purpose of pricing a good or service, it needs to be taken into account of in terms of assessing the rate of return required on capital invested.

Accordingly, the return on capital invested is set at a pre-tax level (gain/(loss) from ordinary activities before capital amounts) as would be applied by a private sector competitor – that is, it should include a provision equivalent to the corporate income tax rate, currently 30%.

Income Tax is only applied where a positive gain/(loss) from ordinary activities before capital amounts has been achieved.

Since the taxation equivalent is notional - that is, it is payable to the "Council" as the owner of business operations, it represents an internal payment and has no effect on the operations of the council. Accordingly, there is no need for disclosure of internal charges in the GPFR.

The rate applied of 30% is the equivalent company tax rate prevalent as at balance date. No adjustments have been made for variations that have occurred during the year.

Local Government Rates & Charges

A calculation of the equivalent rates and charges for all Category 1 businesses have been applied to all assets owned or exclusively used by the business activity.

Loan & Debt Guarantee Fees

The debt guarantee fee is designed to ensure that council business activities face "true" commercial borrowing costs in line with private sector competitors. In order to calculate a debt guarantee fee, council has determined what the differential borrowing rate would have been between the commercial rate and the council's borrowing rate for its business activities.

Hawkesbury City Council

Notes to the Special Purpose Financial Reports

for the financial year ended 30 June 2008

Note 1. Significant Accounting Policies (continued)

(ii) Subsidies

Government policy requires that subsidies provided to customers and the funding of those subsidies must be explicitly disclosed.

Subsidies occur where council provides services on a less than cost recovery basis. This option is exercised on a range of services in order for council to meet its community service obligations.

Accordingly, Subsidies disclosed (in relation to National Competition Policy) represents the difference between revenue generated from 'rate of return' pricing and revenue generated from prices set by the council in any given financial year.

The overall effect of subsidies is contained within the Income Statement of Business Activities.

(iii) Return on Investments (Rate of Return)

The Policy statement requires that councils with Category 1 businesses "would be expected to generate a return on capital funds employed that is comparable to rates of return for private businesses operating in a similar field".

Such funds are subsequently available for meeting commitments or financing future investment strategies. The rate of return is disclosed for each of Councils business activities on the Income Statement.

As a minimum, business activities should generate a return equal to the Commonwealth 10 year bond rate which is 6.25% at 30/6/08.

The actual rate of return achieved by each business activity is disclosed at the foot of each respective Income Statement.

(iv) Dividends

Council is not required to pay dividends to either itself as owner of a range of businesses or to any external entities.

Local Government Water Supply and Sewerage Businesses are permitted to pay an annual dividend from its water supply or sewerage business surplus.

The dividend, calculated and approved in accordance with the Best Practice Management Guidelines, must not exceed 50% of this surplus in any one year, or the number of water supply or sewerage assessments at 30 June 2008 multiplied by \$30 (less the payment for tax equivalent charges, not exceeding \$3 per assessment).

In accordance with the guidelines for Best Practice Management of Water Supply and Sewerage, a Dividend Payment form, Statement of Compliance, Unqualified Independent Financial Audit Report and Compliance Audit Report are required to be submitted to the Department of Water & Energy prior to making the dividend and only after the Department has approved its payment.

**Hawkesbury City Council
Special Purpose Financial Reports
Independent Auditors' Report**

Scope

We have audited the special purpose financial reports of **Hawkesbury City Council** for the year ended 30 June 2008, comprising the Statement by Council, Income Statements of Business Activities, Balance Sheets of Business Activities, and accompanying Notes to the Accounts. The financial statements include the accounts of the business activities of the Council and the entities it controlled at the year's end or from time to time during the year. The Council is responsible for the preparation and presentation of the financial statements and the information they contain. We have conducted an independent audit of these financial statements in order to express an opinion on them to the Council.

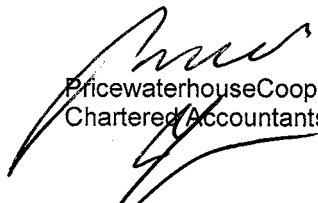

The special purpose financial reports have been prepared for distribution to the Council and the Department of Local Government for the purpose of fulfilling the requirements of National Competition Policy reporting. We disclaim any assumption of responsibility for any reliance on this report or on the financial statements to which it relates to any person other than the Council or the Department of Local Government or for any purpose other than for which the report was prepared.

Our audit has been conducted in accordance with Australian Auditing Standards to provide reasonable assurance as to whether the financial statements are free of material misstatement. Our procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial statements, and the evaluation of accounting policies and significant accounting estimates. These procedures have been undertaken to form an opinion as to whether, in all material respects, the financial statements are presented fairly in accordance with those Australian Accounting Standards adopted and the Local Government Code of Accounting Practice and Financial Reporting so as to present a view which is consistent with our understanding of the business activities of the Council and their financial position and the results of their operations.

The audit opinion expressed in this report has been formed on the above basis.

Audit opinion

In our opinion, the Special Purpose Financial Reports of **Hawkesbury City Council** are presented fairly in accordance with the requirements of those applicable Accounting Standards detailed in Note 1 and the Local Government Code of Accounting Practice and Financial Reporting.

SPECIAL SCHEDULES

for the year ended 30 June 2008

***"Lifestyle, Environment, Access and
Opportunity @ Hawkesbury"***

Hawkesbury City Council

Special Schedules

for the financial year ended 30 June 2008

Contents	Page
Special Schedules¹	
- Special Schedule No. 1	Net Cost of Services 2
- Special Schedule No. 2(a)	Statement of Long Term debt (all purposes) 4
- Special Schedule No. 2(b)	Statement of Internal Loans (Sect. 410(3) LGA 1993) 5
- Special Schedule No. 5	Sewerage Service - Income Statement 6
- Special Schedule No. 6	Sewerage Service - Balance Sheet 10
- Notes to Special Schedules No. 3 & 5	11
- Special Schedule No. 7	Condition of Public Works 12
- Special Schedule No. 8	Financial Projections 15

¹ Special Purpose Schedules are not audited.

Background

- (i) These Special Schedules have been designed to meet the requirements of special purpose users such as;
- the NSW Grants Commission
 - the Australian Bureau of Statistics (ABS),
 - the Department of Energy, Utilities & Sustainability (DEUS), and
 - the Department of Local Government (DLG).
- (ii) The financial data is collected for various uses including;
- the allocation of Financial Assistance Grants,
 - the incorporation of Local Government financial figures in national statistics,
 - the monitoring of loan approvals,
 - the allocation of borrowing rights, and
 - the monitoring of specific service financial activities.

Hawkesbury City Council

Notes to Special Schedule No.'s 3 & 5 for the financial year ended 30 June 2008

Administration ⁽¹⁾

(item 1a of Special Schedules 3 and 5) comprises the following:

- Administration staff:
 - Salaries and allowance
 - Travelling expenses
 - Accrual of leave entitlements
 - Employment overheads.
- Meter reading.
- Bad and doubtful debts.
- Other administrative/corporate support services.

Engineering and supervision ⁽¹⁾

(item 1b of Special Schedules 3 and 5) comprises the following:

- Engineering staff:
 - Salaries and allowance
 - Travelling expenses
 - Accrual of leave entitlements
 - Employment overheads.
- Other technical and supervision staff:
 - Salaries and allowance
 - Travelling expenses
 - Accrual of leave entitlements
 - Employment overheads.

Operational expenses (item 2 of Special Schedules 3 and 5) comprise the day to day operational expenses excluding maintenance expenses.

Maintenance expenses (item 2 of Special Schedules 3 and 5) comprise the day to day repair and maintenance expenses. (Refer to Section 5 of the Local Government Asset Accounting Manual regarding capitalisation principles and the distinction between capital and maintenance expenditure).

Other expenses (item 4b of Special Schedules 3 and 5) include all expenses not recorded elsewhere.

Residential charges ⁽²⁾ (items 6a, 6b and item 6 of Special Schedules 3 and 5 respectively) include all income from residential charges. Item 6 of Schedule 3 should be separated into 6a Access Charges (including rates if applicable) and 6b User Charges.

Non-residential charges ⁽²⁾ (items 7a, 7b of Special Schedules 3 and 5) include all income from non-residential charges separated into 7a Access Charges (including rates if applicable) and 7b User Charges.

Trade waste charges (item 8 of Special Schedule 5) include all income from trade waste charges separated into 8a Annual Fees, 8b Usage Charges and 8c Excess Mass Charges and Re-inspection Fees.

Other income (items 10 and 11 of Special Schedules 3 and 5 respectively) include all income not recorded elsewhere.

Other contributions (items 12c and 13c of Special Schedules 3 and 5 respectively) include capital contributions for water supply or sewerage services received by Council under Section 565 of the Local Government Act.

Notes:

⁽¹⁾ Administration and engineering costs for the development of capital works projects should be reported as part of the capital cost of the project and not as part of the recurrent expenditure (ie. in item 16 for water supply and item 17 for sewerage, and **not** in items 1a and 1b).

⁽²⁾ To enable accurate reporting of **residential revenue from usage charges**, it is essential for councils to accurately separate their residential (item 6) charges and non-residential (item 7) charges.

Special Schedule No. 7 - Condition of Public Works (continued)
as at 30 June 2008

ASSET CLASS	Asset Category	Dep'n. Rate (%)	Dep'n. Expense (\$)	Cost	Valuation	Accumulated Depreciation & Impairment	Carrying Amount (WDV)	Asset Condition [#]	Estimated cost to bring up to a satisfactory condition standard ⁽¹⁾	Required ⁽²⁾ Annual Maintenance	Current ⁽³⁾ Annual Maintenance
