45  RESOLUTION:

RESOLVED on the motion of Councillor Kotlash, seconded by Councillor Lyons-Buckett

That:

1. Council adopt the Code of Conduct, attached as Attachment 1 to this report, subject to Part 1 – Introduction reading as follows:-

This is Page 5 of the Minutes of the ORDINARY MEETING of the HAWKESBURY CITY COUNCIL held at the Council Chambers, Windsor, on Tuesday, 12 March 2019
"1.0 PART 1 INTRODUCTION

The Hawkesbury City Council’s Code of Conduct was developed using the Model Code of Conduct for Local Councils in NSW (hereafter referred to as “the Model Code”) set out under section 440 of the Local Government Act 1993 (“LGA”) and the Local Government (General) Regulation 2005 (“the Regulation”).

Section 440 of the LGA requires every councils, county councils and joint organisations to adopt a code of conduct that incorporates the provisions of the Model Code. An adopted code of conduct may include additional provisions that supplement or strengthen the code of conduct and may extend its application to persons other than “council officials” for the purposes of the code (e.g. contractors and members of wholly advisory committees).

The Model Code sets the minimum standards of conduct for council officials. It is prescribed by regulation to assist Council officials to:

- understand and comply with the standards of conduct that are expected of them
- enable them to fulfill their statutory duty to act honestly and exercise a reasonable degree of care and diligence (section 439)
- act in a way that enhances public confidence in local government.

An adopted code of conduct has no effect to the extent that it is inconsistent with the Model Code. However, an adopted code of conduct may prescribe requirements that are more onerous than those prescribed in the Model Code.

Council officials (i.e. Councillors, administrators, members of staff of councils, delegates of councils, (including members of council committees that are delegates of a council)) and any other person a council’s adopted code of conduct applies to, must comply with the applicable provisions of the Code of Conduct. It is the personal responsibility of Hawkesbury City Council officials and designated others to comply with the standards in the Code and to regularly review their personal circumstances and conduct with this in mind.

Failure by a Councillor to comply with the standards of conduct prescribed under this Code constitutes misconduct for the purposes of the LGA. The LGA provides for a range of penalties that may be imposed on Councillors for misconduct, including suspension or disqualification from civic office. A Councillor who has been suspended on three or more occasions for misconduct is automatically disqualified from holding civic office for five years.

Failure by a member of staff or Council official to comply with a Hawkesbury City Council’s Code of Conduct may give rise to disciplinary action."

2. Council adopt the Procedures for the Administration of the Model Code of Conduct for Local Councils in NSW, attached as Attachment 2 to this report.

3. Council’s relevant policies and procedures be updated to reference the new Code of Conduct.
