

# Hawkesbury Community Nursery

The Hawkesbury Community Nursery is a predominately volunteer run Nursery that propagates Hawkesbury Indigenous plant species.

The facilities at the Nursery include a polyhouse, potting shed, shade houses, outdoor plant storage areas, native seed storage bank, as well as a community building.

Members of the public are welcome to take advantage of these facilities to learn about propagating local native plants.

Propagated plants can be used for the purposes of landscaping, erosion prevention and native animal habitat or bushland restoration projects. Plants can be purchased from the Nursery during opening hours. If you would like to purchase in bulk, it is suggested that orders are placed before the date required.

Located at 10 Mulgrave Road, Mulgrave, next to the Companion Animal Shelter. The Hawkesbury Community Nursery is open to the public weekly on Wednesdays from 9am to 1pm or by appointment and on the 1<sup>st</sup> Saturday of the month from 9am to midday (excluding Dec & Jan).

To order plants, arrange access, or to volunteer at the Nursery, please contact the Community Nursery Officer on (02) 4560 4651 or [nursery@hawkesbury.nsw.gov.au](mailto:nursery@hawkesbury.nsw.gov.au)
