CELEBRATING CHRISTMAS IN WINDSOR TOWN CENTRE

TO: *Santa*

FROM:

*Hawkesbury City
Council*

Hawkesbury is a great place to hold events, located on the edge of Sydney – it is 'a vibrant city with a rural feel'. The Hawkesbury is a unique location with much to offer.

The iconic Hawkesbury River and its tributaries flow through the region, where the agricultural origins of Australia's third oldest settlement and its heritage towns blend to create a deep sense of history and place.

The landscape is dominated by a mix of urban and rural areas, 64 towns and villages with their own identities, connected and committed communities who are passionate about their Hawkesbury. There is a challenge to activate these great places to create vibrant town centres which are uniquely Hawkesbury.

Hosting community events, both along the River and in the townships, is a great way to promote the Hawkesbury. We invite you, as a local business, to partner with Hawkesbury City Council to create a bigger and better Light Up Windsor Street Fair event in 2026.

TO: *Santa*

FROM: *Hawkesbury City
Council*

The event has hosted more than 45,000 people over the last 5 years and with this success we expect this year to be bigger and better. This is a fantastic event for the town centre of Windsor.

This partnership proposal provides various levels of sponsorship packages to suit all business types.

Please speak with our Events Team to gain a further understanding of the benefits of partnering with us for Light Up Windsor Street Fair.

Hope to see you there!

Set in a new expanded footprint within the town centre of Windsor, the event will span from Windsor Mall into George Street and flowing onto the lawns of Derrubbin Centre.

Light Up Windsor Street Fair is the perfect way for families from Hawkesbury and beyond to come and enjoy local hospitality and retail while celebrating a magical time of the year at a fun, exciting and interactive Christmas event. We are looking forward to giving locals a memorable event to enjoy while also supporting the local economy.

We want the entire local business community to benefit from the huge influx of pedestrian traffic and visitations to Windsor this Christmas season. Data provided by SpendMapp shows this event in 2024 generated an additional \$232,000 in spending in Windsor, excluding cash spending.

We invite your business to partner with Hawkesbury City Council to help create a memorable Christmas celebration for all to enjoy. The more support the event receives, the greater the benefits for the entire community.
